PETTICOATS AT A PREMIUM.—A journal, printed in the State of Alabama, asserts, that a most deplorable and alarming scarcity of young ladies exists in that quarter of the Globe. The young men are a hundred to one of the fair sex; and every respectable female found there, native or stranger, is as soon as possible hurried to the hymeneal altar.—[What a capital spec.]

Married.—At Saco, (Maine,) Mr. Theophilus Hatcheson to Miss Martha Wells; Mr. Richard Hatcheson to Miss Eliza Wells; Mr. Thomas Hatcheson to Miss Sarah Ann Wells; Mr. Titus Hatcheson to Miss Mary Wells; Mr. Jonathan Hatcheson to Miss Judith Wells; Mr. Ebenezer Hatcheson to Miss Virginia Wells; Mr. John Hatcheson to Miss Peggy Wells!!! BLACKING.

THOMAS SIME has commenced manufacturing, and offers for sale, a superior quality of LIQUID BLACKING, which, upon trial, will be found equal to any imported from the Mother Country. From the nature of the ingredients of which it is composed, it possesses an inherent quality of *preserving and softening the leather*, and from the fine *shining lustre* it will produce, must be considered as a great desideratum to all who admire a *highly polished Boot or Shoe.*

As this article is of domestic manufacture, and will be sold at a reduced price to that imported, although of equal quality, as certificates in his possession will satisfactorily prove; T. S. flatters himself that he will receive a liberal share of public patronage.—The Blacking is contained in stone jars, similar to those of "Day & Martin," with printed labels, and will be sold at 1s. 3d., 10d., and 6d., with a liberal reduction to retailers.

Made and sold, wholesale and retail, by THOMAS SIME, Water-street, south side of the Market Wharf, St. Andrews, N. B. THOMAS SIME.

INSURANCE OFFICE.

THE Subscriber begs leave to inform the Public, that he has lately received instructions to take RISKS at lower rates than heretofore; and also, to issue New Policies at the *reduced rates* for all Insurances now effected, at the termination of the Present Policies, instead of Renewal Receipts.

JOHN ROBERTSON,

FIRE INSURANCE.

E. DEW. RATCHFORD, AGENT for the ÆTNA INSURANCE COMPANY, of Hartford, Connecticut, continues to issue policies, and renewal receipts, for Insurance on Houses, Barns, Stores, Mills, and other buildings, vessels in port, or on the stocks, Household Furniture, Farmers' Stock and Utensils, Merchandize, Machinery, and every other description of property, against *Loss or damage by Fire*, on liberal terms.—It is a notorious fact, that the subject of insuring against fire, does not receive from the inhabitants of this Province that attention which its importance demands; and the premiums, *for fire insurances particularly*, bear so very small a proportion to the value of the property insured, that much less sympathy is felt for those sufferers who may have neglected to avail themselves of the means of providing against such calamities.

The capital of this Company, $200,000, has been *all paid in*, and invested in the best securities; independently of which, a SURPLUS FUND of more then $35,000 has been set apart to meet the occasional claims for losses, and the stock bears a high premium.

The Agent will at all times attend personally to the survey of buildings on which insurance is desired within the City; and applications in writing (post paid) from all other parts of the Province, describing the situation and the property to be insured, will receive prompt attention.

Saint John, N. B. 15th November, 1831.
