While the various Sewing Machine Companies who are exhibiting at the Centennial are dispute among themselves as to who obtained the highest honors there, and each claiming to be first (though the fact is, they were each awarded a Medal and Diploma without any actual contest of the same kind of work on the different machines), it is an indisputable fact that the Light Running Royal, manufactured by the Gardner Sewing Machine Company, of Hamilton, Ontario, goes steadily on its conquering march, and in actual competition, on every kind of work, with all the first-class American and Canadian machines, has by the People's Verdict, taken First Prizes at the following Exhibitions held this season in Ontario:—

Ayer's
Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.

LOANS!

We are now able to lend any amount of money upon the security of town or farm property and offer the following, amongst other advantages, to intending borrowers, namely:

1. Interest upon loans will be calculated from the time the amount is advanced, and not, as usual, from the date of application.

2. Interest may be made payable upon any day of the year the borrower may select.

3. The borrower may repay his loan at the end of a fixed term of years with annual or semi-annual interest, or may repay the whole or any part of the same in such sums as may be convenient at any time without notice or extra charge, and if a part of the loan be paid, interest on such part at once ceases.

4. No fines are imposed for delay in payment of interest.

5. If the borrower's title is clear, no charge will be made for completing the loan.

Applications may be made by letter or in person.

Ayer's
Sarsaparilla

For Scrofula, and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Eruptions and Eruptive diseases of the skin, Ulcerations of the Liver, Stomach, Kidneys, Lungs, Pimples, Pustules, Boils, Blotches, Tumors, Tetter, Salt Rheum, Scald Head, Ringworm, Ulcers, Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhœa, arising from internal ulceration, and Uterine disease, Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood.

This Sarsaparilla is a combination of vegetable alteratives—Stillingia, Mandrake, Yellow Dock—with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known for the diseases it is intended to cure.

Its ingredients are so skilfully combined, that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease.

The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it, prove their experience of its usefulness.

Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known, that we need do no more than to assure the public that the best qualities it has ever possessed are strictly maintained.
