THE CROWD AT MAHER'S NOT IN BUYING MOOD.

There was a good attendance at Maher's Horse Exchange yesterday, but they were not in the buying humor, more looking around to see what the prices are. A number of gentlemen are here from the west and will no doubt commence buying a little later on, but they do not touch anything at present unless they are almost given away. There were a good lot of horses paraded for sale and there were some sales, but not like there has been in former sales. Auctioneer Jackson worked hard, in fact much harder than he does when horses are selling fast, but prices at present seem somewhat easier, as several sales made to-day would indicate.

Mr. Wilson bought a nice useful driving bay mare with lots of action, a good mover, and practically sound, for $120. D Hiron of Elk Lake bought a four-year-old gelding, a well bred fellow, that can show a good clip at the trot, and if appearances on the halter are anything to be depended on when in harness, he should be a trotter; this fellow was sold for $125. Another road gelding, a chestnut, a good combination; would make a good sadler; he sold for $102.50 to Mr Forsythe. H. R. White bought a brown mare, registered Clyde, with the papers a fine looking mare and should have brought more money; she brought $177.50. H. Darroch bought a black gelding for $100. The usual number of cheap city horses were sold, as well as a number of cutters and a good sale of blankets and robes.

Great Building Year.

This has been the greatest building year in the history of the city. Building permits issued to date represent an expenditure of over $21,000,000. Last year the total value of the permits issued was $18,139,247.

Varsity Basketball Team Win at London.

LONDON, Dec. 29.—Toronto Varsity basketball team put it over the local Y. M.C.A. team to-night in one of the fastest games witnessed here in some time. The score was 28 to 10.

The locals were handicapped by the absence of two of their best players, Maudesley, who was barred by the C.A.A.U., on account of being a former physical director, and George, who is ill. This disorganized the local five and they were unable to cope with their fast opponents. The Varsity team played a fast and brilliant game all the way thru; at no time were trey ever in danger. The teams:

Varsity (28): Brock, Bodz, Simpson, Wood, Dixon.

London (10): Morris, Davidson, Stevens, Gough, Hamilton and Shaw.

Referee, Cephus Wickett.

Won't Dismiss Laberge.

MONTREAL, Dec. 29.—(Special.)—All the controllers except M. Guerin have refused to dismiss Dr. Laberge, the city health officer, because he happens to be a Freemason. The men who stand for liberty of conscience are Dr. Lachappel and Messrs. Dupuis, Ainey and Wanklyn, so to-morrow the council will again take up the matter.

The Baseball Cloud.

CHICAGO, Dec. 29.—The subject of the rumored strife between the Eastern Baseball League and the American Association on one side and the two major leagues on the other, was under discussion around American League headquarters in the city yesterday.

It is said representatives of these two class A minor league circuits will make application before the National Commission at Cincinnati next week to be withdrawn from the National Association for the purpose of holding a separate organization of their own that will work in harmony with the majors and minors.

"President Thomas Chivington of the American Association has already been to see me regarding the plan," said President Johnson of the American League, "and President Barrow of the Eastern League was anxious to have a talk with me during the baseball meetings in New York, but I did not have time to confer with him."

In the event the matter is not taken up by the commission next week, it is said the American Association magnates will thoroly discuss the topic during their annual session here Jan. 12.

Big League Team to Tour Japan.

CINCINNATI, O., Dec. 29.—Business Manager Frank Bancroft of the Cincinnati Nationals, who has taken baseball clubs to foreign countries, expects to add another country to his list after the next world's series. Japan is the country Bancroft expects to storm and his army of invasion will consist, he says, of the Philadelphia Americans.

"The members of the Philadelphia team are anxious to take the trip to Japan next year," said Bancroft. "They have heard what crowds the American college teams have been drawing in that country and are certain that they will prove a greater drawing card. The team will start for the far east immediately after the last game has been played and the men will keep in shape by light practice on board ship."

For Negro Baseball League.

CHICAGO, Dec. 29.—Negro baseball players will endeavor to form a six or eight club league to-day, when players from New Orleans, Louisville, St. Louis and some eastern cities will gather in response to a call of President Beauregard F. Mosely of the Leland Giants.

Rube Foster, acting as Mosely's representative, sounded out the managers of all the colored and Cuban ball clubs he played against on his trip last fall and gained enough promises, he claims, to lead the local colored magnates to believe they can swing a league rivaling the minor professional leagues in this country.
