DIED

At Bailey's Brook on Saturday the 8th inst., Hugh McGilvray Vamy. The deceased passed 26 years of his life in a district called Vamy near Arisaig Scotland, and 72 years in this country—thus in his span of life completing a century minus 2 years. We cannot say too much in praise of the virtues which adorned the character of this fine old Gael. His piety, prudence, justice and temperance did not fail to win the confidence and esteem of all who knew him. Towards his descendants, a large circle of whom surrounded his dying bed, he fulfilled in an exemplary manner the various duties of the Christian parent. Being of a strong and healthy constitution he retired unimpaired to the last all the faculties of his mind and body. Full of years and ripe for a glorious immortality, he calmly passed from time into eternity. R. I. P.

At the Grand Narrows, on the 10th ult., after a short illness, Mr Archd. McDougall, in the 76th year of his age. The deceased was a native of the Isle of Barra, Scotland, and emigrated to this country in the year 1799, where he endeared himself to all his acquaintances. He left a large family to mourn the loss of a kind father. R. I. P.

Blackwood's Magazine
AND THE
British Reviews.

L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz:

1. The London Quarterly Review (Conserv.)
2. The Edinburgh Review (Whig).
3. The North British Review (Free Church).
4. The Westminister Review (Liberal).
5. Blackwood's Ed. Magazine (Tory).

The present critical state of European affairs will render those publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily Journals, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

TO THOSE WHO REQUIRE PROOF.

Swelling of the Glands, Sore Eyes, Sore Throat, very Dangerous Coughs, cured by Radway's Ready Relief.

Jacksonville, Florida, April 28, 1860.

DR. RADWAY.—Dear Sir: I was afflicted with the swelling of the Glands, so much so that I could hardly eat my meals. I bought a bottle of *Radway's Ready Relief*, and bathed my throat with it. In twenty hours the swelling was entirely gone and my throat cured. At the same time I had very sore eyes, and after I had rubbed with the Ready Relief, some of it remained on my fingers, and in rubbing my eyes some of the Relief got in them. My eyes got well immediately. I was likewise affected with a very dangerous Cough, that resisted all medicines, until I used your Ready Relief, a few doses of which have cured me. Respectfully yours,

SAMUEL J. ASHTON.

SICK FOR THIRTEEN YEARS.

Superiority of Radway's Ready Relief and Pills to all other systems of medication positively established.

Let those who doubt read the following letter from Mr. Joseph Smeare, a respectable citizen of Quincy, Illinois:

QUINCY, Ill., May, 1860.

Dr. Radway & Co.—I became diseased thirteen years ago, and have been diseased ever since. I have doctored with the best Physicians in this place, but grew worse under their treatment. I have tried a variety of the popular advertised remedies with no better success. Nothing, no, nothing did me any good until I tried

RADWAY'S READY RELIEF.

Then, for the first time in thirteen long years of anguish, misery and disease, I felt ease and comfort; pains, aches and infirmities left me, and I was again able to enjoy life. My disease was all over my body and through my system. Doctors called it by different names. I was lame, crippled, had breakings out over my body, pains and aches in all my limbs, headaches pains in the stomach after eating, could not sleep well, nor do anything like a healthy man should do: in fact, I was miserable. With the Ready Relief I took

RADWAY'S REGULATING PILLS
AND
RENOVATING RESOLVENT.

All my pains and aches have left me: my sores are healed, my blood is pure. I can sleep well, and feel as vigorous, strong and healthy as any man desires.

SCROFULA CURED.

ISAAC PITT, Esq., Drayton, Ga., testifies, "Three years ago I had a Negro girl twenty-five years old, taking since with SCROFULA. Fearing to lose the girl, I sent her up to my daughter, to be under the threatment of Dr. Williams, in Henry County, who enjoys a great reputation in curing chronic diseases. The girl remained there for three months, without deriving any benefit: in fact, she grew worse all the time, and I had to send for her home. When she returned; her Breast, Neck and Arms were covered with running sores. She was so weak she could scarcely walk—she had worn down to a skeleton. I was devised by Mr. Oliver, of this place, to use RADWAW'S RENOVATING RESOLVENT and REGULATING PILLS. Thre months sufficed to restore her to health. She is now as well as she was before she was taken sick.

"Mrs. Tyson, who lives within five miles of this place, had a Negro girl suffering worse than mine from the same diseases. The doctors here pronounced her incurable—the use of your valuable Medicines cured her entirely. You may publish this for the benefit of others.',

THE MIGHTY HEALER!
WORLD KNOWN AND WORLD TRIED

HOLLOWAY'S OINTMENT.

The free admissions of all Nations, as well as the verdict of the leading Hospitals of the Old as well as the New world, stamp this powerful remedial Agent as the greatest healing preparation ever made known to suffering man. Its PENETRATIVE QUALITIES are more than MARVELLOUS, through the external orifices of the skin, invissible to the naked eye, it reaches the seat of the internal disease; and in all external affections its anti-inflamarory and healing virtues surpass anything else on record, and is Nature's gaeat ally.

ERYSIPELAS AND SALT RHEUM

Are two of the mest common and virulent disorders prevalent on this continent, to these the Ointment is especially antagonistic, its "*modus operandi*" is first to eradicate the venom and then complete the cure.

Bad Legs, Old Sores, and Ulcers.

Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful unguent.

Fruptions on the Skin,

Arising from a bad state of the blood or chronic disease are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmatics and other toile appliances in its power to dispel rashes and other disfigurements of the face.

Piles and Fistula.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emolient warm fomentations should precede its applications. Its healing qualities will be found to be thorough and invariable.

Both the Ointment and the Pills should be used in the following cases:

Bunions,	Skin Diseases,
Burns,	Swelled Glands
Chapped Hands,	Sore Legs
Chilblains,	Sore Breasts
Fistula,	Sore Heads
Gout,	Sore Throats
Lumbago,	Sores of all kinds
Mercurial Eruptions,	Sprains
Piles,	Stiff Joints
Rheumatism,	Tetter
Ringworm,	Veneral Sores
Salt Rheum,	Wounds of all kinds
Scalds.	

CAUTION!—None are genuine unless the words "*Holloway, New York and London,*" are decernible as a *Water mark* in every leaf of the book of directions around each box: the same may be plainly seen by *holding the leaf to the light.* A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same knowing them to be spurious.

*** Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 63 cents, and $1 each.

AYER'S
Sarsaparilla
FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to let you know what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas* by large doses of the same; says he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Bottles of your Sarsaparilla cured me from a dangerous swelling on the neck, which had been growing over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Chauning, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration* of the *uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newburgh, Ala., writes, "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FRAM.

Jules Y. Gotchett, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Kapp, advised me to try your Sarsaparilla, because he had seen and know wonders from its use. I did so, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the sufferers of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
