British Grain Trade.

LONDON, Jan. 25.—The Mark Lane Express, in its weekly review of the British grain trade, says: English wheats at a further decline of 1s induced increased buying. The demand, however, was not vigorous. Foreign wheats ruled 6d lower; a slight diminution in supplies checked a greater falling of prices. Californian was neglected at 40s 6d; red winter at 38s 4d. Foreign flour lost 6d per sack; American sold at 31s. Corn was irregular; American sold at 22s 3d; new crop on passage sold at 22s and round on passage at 27s. Oats were firmer; American sold at 18s 3d. Beans and peas steady. Barley dull. At to-day's market the tone was weak; English wheat dropped another 6d, without enlivening the sales. English and American flours were in slightly better demand at the last reduction. Flat corn was offered at 23s. Oats and barley were neglected. The prices of beans and peas were maintained.

Live Stock Markets.

TORONTO.

TORONTO, Jan. 27.—Cattle—There is no improvement to note in this trade. Shippers are not doing much. Butchers' cattle moved slowly, but were pretty well brought up at the close. For a few extra choice fancy fat cattle 4c per lb was paid. The general run was from 2½c per lb for thin animals up to 3½c for choice.

Sheep and Lambs—This market remains firm under light receipts. Good animals bring from $5 to $6 per head, according to condition and size. There is a moderate demand for lambs for the American market at from $3 to $4 25 per cwt. The local inquiry is not so brisk. Choice stock sells pretty well, but rams and culls are not much called for. Some of these fetch as low as 2c per lb, up to 2½c. Only a few left in the pens at the close of the market.

Milch Cows and Springers—This market remains firm at from $30 to $50 per head. Good choice springers are wanted.

Calves—There is a weak tone to this trade, and not much doing. Quotations range at from $3 to $8 per head, according to quality, as high as $9 being paid for extra choice veals.

Hogs—Receipts of hogs were light and prices firmer. A number were sent through to Montreal, where good straight fat hogs are in demand. Here the general run for best hogs is from $4 25 to $4 40; for stores and light fat there is hardly any demand, and rough hogs sell slowly. Heavy rough fetch from $4 to $4 20, and half fat about the same. One load of good straight fat hogs was sold for $4 50 per cwt weighed off cars. There is a demand for this class.

EAST BUFFALO.

EAST BUFFALO, N.Y., Jan. 27.—Cattle—Only a few ragged ends on sale and little doing except in a peddling way.

Sheep and Lambs—Offerings, 20 cars, of which 5 cars were Canada lambs. Market fairly active and fully 15c to 20c stronger for good to best lambs; good to best sheep and fat wethers somewhat stronger, say 5c to 10c, than opening prices of the week: best native lambs brought $6 60 to $6 75, and good to choice Canadas also ranged from $6 70 to $6 75; the bulk of the best sheep ranged from $5 25 to $5 40, with common to fair at $4 50 to $5.

Hogs—Supply of sale hogs about 2,500 head. Demand fairly good from packers and prices on this kind were about 5c stronger than yesterday, selling at $4 85 and $4 90; York men were doing nothing at all; a few loads of good heavy-weight Yorkers of 180 and 200 lbs were taken on orders at $4 80 to $4 85.

MONTREAL.

MONTREAL, Jan. 27.—The receipts of live stock at the Montreal stock yards for week ending Jan. 26 were as follows: Cattle 669, sheep 351, hogs 265, calves 215. Owing to continued heavy receipts the demand for cattle was not very brisk and trade was dull. Offerings were mostly of inferior stock, for which the prices paid were small, but few sales of any class reached 4c. Sheep trade continues quiet; some inquiry for lambs. No change in the hog market, best values $4 60. We quote the following as being fair values: Cattle, Butchers' good, 3½c to 4c; butchers' medium, 3½c to 3¾c; butchers' culls, 2½c to 3c. Sheep, 3c. Hogs, $4 50 to $4 60. Calves, $3 to $8.

The Horse Market.

MONTREAL, Jan. 27.—Trade at the Montreal Horse Exchange, Point St. Charles, during the week has been better than that of last, and 20 horses were sold to shanty and city buyers at prices ranging from $90 to $130 each. A very valuable shipment of four trotting horses was made from these stables during the week to France via Portland; price about $4,000.

Petrolea Oil Market.

PETROLEA, Jan. 28.—Oil opened and closed to day at $1 29½.

The local civil and military authorities were not able to hold the rioters in check, and last evening Gen. He gave the strikers to understand that should occasion arise he would shoot all the rioters down without mercy. Everything is quiet to-day.

C. J. Holman, for the defendants, contra. Appeal dismissed with costs to the defendants in any event.

—The sound of tin horns could be heard for many blocks last evening in the south ward of the city. A most enjoyable evening was spent, and the party could be heard during the late hours of the morning returning to their several homes. Another visit is promised to Mr. Van Delinder as soon as an opportunity appears. An address was presented to the worthy host and hostess.

Council meets again next Tuesday.

Dorchester Doings.

Ebenezer Aylesworth, who has been farming in the Northwest about ten years, is calling on old friends at Dorchester. He has 160 acres near Alexandria, Man.

Two Westminster farmers, Messrs. Beattie and Thompson, are building barns with concrete foundations. One barn will be 120x40 feet.

Isaac Barrows, Ruthven, was buried at Nilestown on Tuesday. He was a pioneer of that vicinity and removed to Ruthven only a year or two ago. He had passed his 70th year, and was a highly respected citizen. J. C. Barrows, Ruthven, Wm. Barrows, London, and Edward Barrows, Mississippi, were sons present at his funeral. Grant Barrows, another son, was unable to come from Oregon.

DRIFTING ON.

No News of the Missing Men Who Were Blown Out to Sea.

NEW YORK, Jan 28.—The fourteen men who on Tuesday drifted to sea on scows and a disabled tug off Rockaway, must still be drifting on far out in the Atlantic in the fierce cold gale. No trace of them could be found yesterday by any of the dozen tugs that went searching as far as they dared.

BRUTAL WORK.

A Young Man Probably Fatally Injured in a Prize Fight.

CINCINNATI, O., Jan. 28.—Charles Vokes, a well-known prize fighter, and Bob Brown, a young man who had never been in a professional ring before, fought last night on board a ferry boat ten miles down the river. In the fourteenth round Brown fell in a heap. Brown's father, who was a spectator, then rushed in, stopped the fight, and the contest was given to Vokes. Brown was unconscious, and during the trip back every effort was made to restore him, but in vain. Arriving in Cincinnati after midnight, Brown was carried home on a stretcher, apparently in a dying condition.

THE PEOPLE'S FORUM.

Why Not?

To the Editor of the ADVERTISER:

I should like very much indeed to send my child to the kindergarten, and there are some of my neighbors who have the same desire, but where we live in the northern part of the city no kindergarten is accessible. When we pay for the support of kindergartens in the central and southern parts of the city it is not unreasonable to look to the trustees to extend kindergarten privileges to the northern part. All the rooms in the Waterloo north school are said to be filled. But where there is a will there is a way. I beg to suggest that an effort be made to rent that Sunday school room on the corner of Oxford and Colborne streets. I am sure no board of Sunday school managers would hesitate to make a fair arrangement to have a kindergarten in their building five forenoons in the week. In one town in the States where I visit the kindergartens were started by the churches, and they are yet held in the Sunday school rooms; and considering the nature of a kindergarten, a Sunday school seems a natural place to conduct one.
