TEACHERS' MAXIMUM IS SET AT $1,400

Chatham School Board Turns Down Request For $1,800.

CHATHAM, Nov. 17.—At a special meeting of the board of education last evening it was decided to raise the present minimum wage of teachers from $750 to $800, and the maximum wage was set at $1,400. A yearly increase of $100 will be allowed up to the maximum. The salaries of new teachers of experience will be set by the internal management committee, but will not exceed $1,000. Assistant teachers are to receive an increase of $100 for the year 1921, and entrance class teachers are to receive $100 per year extra.

In their appeal to the board for increases the teachers requested that the maximum be raised to $1,800, but this the board would not do. They also requested a salary of $1,400 per year and an increase of $100 per year until the maximum is reached. The salaries of specially qualified teachers were also settled for the year 1921.

PARIS, Nov. 17.—Shots were exchanged when a crowd of workmen and sympathizers this afternoon again attempted to storm the Bleriot factory, which shut down recently, throwing 2,000 persons out of work.

Pale-Cheeked Women Told About Restoring A Rosy Complexion

A few years ago the girl with pale, drawn cheeks scarcely knew what to do in order to restore her fading appearance. At that time there was no blood-food medium made that really would put color and strength into systems that were more or less wornout.

Today it's different. The blood can be quickly nourished, can be made rich, red, and healthy. All you have to do is take two Ferrozone Tablets with a sip or two of water after meals. The effect is almost magical.

Mothers, look at your children. Are they ruddy and strong—do they eat and sleep well, or are they pale, weak, and anaemic?

FERROZONE will rebuild them. Take your own case—is your blood strong and rich? Have you that old-time strength and vigor, or are you somewhat under the weather?

FERROZONE will supply the strengthening elements you require. It is a blood-forming, nourishing tonic that makes every ailing person well.

FERROZONE is a marvellous remedy. It contains in concentrated form certain rare qualities that especially fit it in cases of anaemia, poor color, thin blood, tiredness, and loss of weight.

Every day you put off using FERROZONE you lose ground. Get it today, sold in 50-cent boxes by all dealers, or by mail from the Catarrhozone Company, Kingston, Ont.

STOMACH TROUBLES ARE DUE TO ACIDITY

Tells Safe, Certain, Speedy Relief For Acid Indigestion.

So-called stomach troubles, such as indigestion, gas, sourness, stomach-ache and inability to retain food are in probably nine cases out of ten, simply evidence that excessive secretion of acid is taking place in the stomach, causing the formation of gas and acid indigestion.

Gas distends the stomach and causes that full, oppressive, burning feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the excess development or secretion of acid.

To stop or prevent this souring of the food contents of the stomach and to neutralize the acid, and make it bland and harmless, a teaspoonful of bisurated magnesia, a good and effective corrector of acid stomach, should be taken in a quarter of a glass of hot or cold water after eating or whenever gas, sourness or acidity is felt. This sweetens the stomach and neutralizes the acidity in a few moments and is a perfectly harmless and inexpensive remedy to use.

An antacid, such as bisurated magnesia which can be obtained from any druggist in either powder or tablet form enables the stomach to do its work properly without the aid of artificial digestents. Magnesia comes in several forms, so be certain to ask for and take only Bisurated Magnesia, which is especially prepared for the above purposes.—Advt.

Retailers Merciless In Criticising Govt. Regarding Luxury Tax

Present Administration Would Not Get One Retail Merchant's Vote, Declares Secretary Trowern — Merchants Made Government Employees Without Pay.

TORONTO, Nov. 17.—Strongly criticizing the Federal Government for refusing the repeal the luxury tax and compelling the retail merchants throughout the country to act as tax collectors, 300 delegates to the annual convention of the Ontario branch of the Retail Merchants' Association of Canada, which opened here today, decided to make further representations to the Government, urging the repeal of the luxury tax act and the substitution of a tax placed at the source of production.

During the discussion of the luxury tax the delegates claimed there was difficulty in collecting the tax, which, they said, was expensive and tended to discriminate against the retailer. Besides, the claimed that it injured business.

Among a number of resolutions passed by the convention was one favoring legislation prohibiting the false advertising of goods; another resolution objected to the Bell Telephone Company charging an extra fee for classifying the names of retail merchants in the telephone directory.

A resolution opposing any attempt to make the workmen's compensation act apply to the retail trade was referred to the executive committee.

GLOOMY PROSPECTS.

TORONTO, Nov. 17.—President B. W. Zieman spoke of the gloomy prospects facing some traders and blamed newspaper propaganda for it. While prices had been due for a reduction, and a reduction was coming slowly, he said the prices were not due for a fall as the newspapers claimed. One contributing cause to drop in prices, he said, was that men out of work had not the money with which to buy.

J. A. Banfield, Winnipeg, president of the Retail Merchants' Association of Canada, advised a constructive policy. "We are a factor to be dealt with," he said, "and the Government and the wholesale people realize that."

Mr. Banfield said that Judge Robson, former chairman of the board of commerce, had told him that the retail merchants' association would be the strongest trade organization in Canada if the members once were blended together. The day of proportional representation was coming, Mr. Banfield said, and if the retail merchants stood together they could vote their own representatives into parliament.

E. M. Trowern of Ottawa, secretary of the Dominion Board of the Retail Merchants 'Association of Canada, condemning the luxury tax, said: "The Government had no excuse whatever for putting on this blundering, clumsy piece of legislation." Further Mr. Trowern asserted: "You could not get one retail merchant to give the present Government a vote on the way the luxury tax has been imposed."

Secretary Trowern said the retail merchants were government employees without salaries; every one of them, he said, was commandeered.

TIMMINS DEPUTATION WANTS RAIL EXTENSION

TORONTO, Nov. 17.—Dr. McInnis, mayor of Timmins, Ont., Mr. Brown of the Timmins Board of Trade; D. Grimiston, representing prospectors in the north country, and Mr. Stanley, representing the settlers, waited on Premier Drury today with a request that the Temiskaming and Northern Ontario Railway be extended by the Government from Timmins to the main line of the Canadian National Railway. The premier intimated that probably a wagon road would be put through in the near future, and the question of extending the railroad might wait.

MAY LENGTHEN SCHEDULE.

New York, Nov. 18.—When the major baseball leagues hold their annual meetings in February, they will consider a proposition to lengthen each team's schedule to 168 games instead of 154, as heretofore, it was learned today.

Proponents of the plan argued that since many of the teams are allowed to play on Sunday on their home grounds, the season would not be unduly lengthened by the proposed change.

WOMAN "BOOKIE" FINED.

London, Nov. 17.—Alice Mains was fined $15 for bookmaking. She had 27 betting slips in a handbag when arrested.

SHARKEY TO MEET LYNCH.

New York, Nov. 18.—Tex Rickard, boxing promoter, has received a message from Jack Sharkey, who is in London, stating he would be in New York December 2 to carry out his agreement to meet Joe Lynch on that date.

The winner of the Lynch-Sharkey bout will meet Pete Herman here on December 21, Rickard said.

CANADIAN-BRED HORSE IS BLUE RIBBON WINNER

New York, Nov. 18.—Another Canadian-bred horse winning a blue ribbon at the New York Horse Show was Miss Ivy D. Maddison's Myopia, formerly Golf Ball, a converted hunter, who got the decision over Bohemian Actress in competition for the Belle Beach cup for ladies' saddle horses ridden by amateurs, horses to count 50 per cent, and appointments and rider 50 per cent.

The winner is a Canadian product by Young Morpheus, and was a winning jumper until the close of the Devon Horse Show last May.

Miss Wanamaker's Canadian-bred mare Fire Away, winner of a leg in the Sir James challenge cup in 1918, repeated her victory of two years ago today. The cup was donated in 1913 by the late Alfred G. Vanderbilt.

BANQUET FOR EVERS.

Chicago, Nov. 18.—The date for the home coming banquet to be tendered newly-appointed Manager Johnny Evers of the Chicago Cubs, was set today for December 17. Judge Landis, recently appointed chairman of the national commission, will be asked to act as toastmaster.

Evers is remembered as the "keystone pilot" of the Cubs in the 1907 and 1908 championship years, in which the "Tinker-to-Evans-to-Chance" combination became famous.
