																6112 Net Increase.							

1. Report of these items have not been forwarded.
2. Schedules not received up to this date (July 20th). Membership figures taken from the Conference Report as given in *Christian Guardian*.
3. Japan Schedules not received. Membership figures taken from Minutes of 1892.
4. The totals in this column are not the same as given in the Minutes of the following Conferences for 1892: Toronto is 10 less; London, 188 less; Guelph, 20 less; Bay of Quinte, 70 less; Montreal, 44 less; British Columbia, 14 more. The totals now given are as sent to me in Schedules by Secretaries of Conferences, and appear to be necessary in order to harmonize with figures as given in A and B.

An earnest effort was put forth this year to have prompt and full returns of all Statistics, and we hoped as a result to have a full summary of the various Schedules ready for the Minutes of all the Conferences, but we have been again defeated by the tardiness of some of the Secretaries.
