# 100,000 ROYAL PRESENTS!!
AND A
# Long Loan at 4 Per Cent.

THE publisher of the ILLINOIS AGRICULTURIST desires to secure 100,000 more subscribers. For 50 cents we will mail you our paper 6 months on trial, and immediately send you a numbered Receipt, which will entitle the holder to one of the following presents. Its circulation is now 25,000. Only 4,510 more needed before the Distribution takes place, March 15, 1885. All these presents will be given to these new 100,000 subscribers.

PARTIAL LIST OF PRESENTS TO BE GIVEN AWAY:

10 Cash presents of $1,000 each; 10 U. S. Bonds, $500 each; 10 U. S. Greenbacks, $100 each; 100 U. S. All the above presents will be awarded in a fair and impartial manner. Presents will be sent to any part of the United States or Canada. Every person sending us 50 cents for a 6 months' trial subscription to our paper is also privileged to apply for a loan, to be made out of advertising profits, the amount borrowed being permitted to remain unpaid as long as the borrower remains a subscriber and keeps the interest paid.

With 100,000 subscribers, which will probably be doubled, our profits will approximate as follows: RECEIPTS—$50,000 yearly subscriptions, $100,000; 1,000 inches advertising, $1 per line, $14 per inch, 12 issues, $168,000; total, $318,000. EXPENSES: For paper and press work, 100,000 copies, 12 issues, $50,000; editorial work, office, repairs, etc., $30,000; 10,000 presents, $10,000; total, $110,000; leaving a net profit of $208,000. For this enormous profit of a small advertising space the ILLINOIS AGRICULTURIST depends on its 100,000 subscribers, for advertisers pay for space in proportion to circulation. With but 25,000 circulation the paper would be lucrative to the amount. Therefore advertisers are doing us a favor when they send us their names, we desire to return the favor. Any subscriber who desires to borrow from $100 to $500 at 4 per cent, the principal to stand if desired, as long as the borrower remains a subscriber, should so state when he sends us 50 cents for a 6 months' trial subscription to our paper.

CONDITIONS: Loans made for a term not less than $100 or more than $500. First year's interest at 4 per cent, not deducted from amount loaned. Your individual note is all the security asked, provided you will send the names of several of your neighbors to whom we can refer, not as to the amount of property you are worth but as to your good character. Every subscriber must positively agree to show the paper and present to his friends and neighbors. When a loan is made, the accepting form of note will be sent with the money to the subscriber's nearest bank or express office, and no note need be signed until the money is paid over. Send the names of several references, and immediate inquiry will be made. If no loan is desired, no references need be sent.

One year after date, for value received, I promise to pay to the order of the publisher of the Illinois Agriculturist the sum of ..... dollars, with interest at 4 per cent. per annum after maturity. It is understood and agreed that a part of the principal of this note will be credited or become payable interest at my pleasure, as long as I remain a paid-up subscriber to the above named paper.

(Signed) .....

The Most Extensive Pure Bred Live Stock Establishment in the World.

New Importations for the Coming Arriving. Choice Breeding Stock. Excellence and Quality.

Clydesdale Horses, Percheron-Norman Horses, English Draft Horses, Trotting-Bred Roadsters, Imported French Coachers, Cleveland Bays and Shetland Ponies, Holstein and Devon Cattle.

No further evidence is needed of the great CARE with which our stock has been selected than the fact that the HUNDREDS of animals imported and sold by us during a career of ten years, every one, we believe, proved as all kinds and all breeds, is now alive and doing well, with the exception of only five. We feel safe in saying that no other establishment in America can approach such a showing for the length of time and the large number of animals.

No careful and judicious person will fail to well consider this important fact in making his purchase. We invite critical inspection of our stock and careful comparison with that of any other establishment.
