TROTTING AT BRIGHTON BEACH.

Hawthorne Won Burner Memorial, $20,000 Purse, From Billy Buck.

New York, Aug. 21.—The Grand Circuit meeting was resumed to-day at Brighton Beach before 8000 spectators. The big event of the card was the $20,000 Bonner Stake for 2.12 trotters. The betting was heavy, Billy Buck selling for $1000 to $700 for the field. The favorite won the first heat by half a length from Jim Ferry, with Swift a close third, but in the second he was beaten in a close finish by the rank outsider, Hawthorne, with Tiverton second. In the third heat, at thee first turn Swift stumbled and swerved into Hawthorne, and both went down, the horses being soon caught. In the meantime Kinney Lou had got the lead and won the heat by a narrow margin. For the fourth heat Kinney Lou led to the top of the home stretch, with Billy Buck and Hawthorne close up, but here Hawthorne came up with a splendid burst of speed and won easily by a length. The next heat was close from start to finish, Hawthorne winning by two lengths, with the other two tired out. He sold for $190 in a $2000 pool.

Judge Green was a hot favorite for the $5000 John H. Shults' Purse for 4-year-olds, and he won in straight heats. St. Catharines Here To-Day.

One of the most important senior C.L.A. fixtures will be played off this afternoon at the Island, when the Tecumsehs play off their last scheduled game with the fast St. Catharines twelve. The Indians have put in a lot of hard work this week in preparation for this match, and the one with Toronto on Aug. 29 for the city trophy and championship. To-day's match should be one of the fastest games of the season, and the local twelve hope to repeat their victory of a week ago, when they shut out the Oshawa team. No referee has been decided on, but it is likely that Harry Gillespie will officiate. The teams will line up as follows:

Tecumsehs—Goal, James; point, Kearns; cover, Shore; defence, Menarey, Angus, Roche; centre, Mackenzie; home, Taylor, Kyle, Greatrix or Swain; outside, Burns; inside, Yeaman.

St. Catharines—Goal, Chaplain; point, Williams; cover, Elliott; defence, Richardson, Williams, Cameron; centre, Corlett; Klye, Greatrix or Swain; outside, Park; inside, Cameron.

Southampton 2, Tara 1.

Tara, Ont., Aug. 21.—The junior C. L. A. match between Southampton and Tara teams was played off here this afternoon. The game was fast from start to finish and was witnessed by a large concourse of people, several hundred having driven over from Southampton. The ball was faced at 4 o'clock. Mr. Kelly of Brantford acted as referee. At the end of the first quarter there was no score. Second quarter, Tara scored one goal, Southampton scored two goals. In the third and fourth quarters there was no score by either team. This game was played under Sunlight rules, the Southampton team being unable to produce certificates for their players when the ball was faced. The said certificates arrived an hour after the game was over. Result of game: Southampton 2, Tara 1.

Owen Sound 3, Mount Forest 0.

Mount Forest, Aug. 21.—The protested game between Owen Sound and Mount Forest was played here to-day and resulted in a victory for the Sound by 3 goals to 0. It was a very fast and keenly-contested game from start to finish. The Sounders scored their three goals in the first half, the home team having the better of the play for the last half, but, owing to the lightness of the Mount Forest home they were unable to cope with the Sounders' heavy defence. The line up was as follows:

Mount Forest (0): Goal, Hamilton; point, H. Pickering; cover-point, A. Pickering; defence Stewart, Fair, Lambert; centre, Heffernan; home, Farrell, Cowing, Martin; outside home, Kerr; inside home, J. Ross.

Owen Sound (3): Goal, Greenwood; point, Barney Quinn; cover-point, Sinclair; defence, Gillard, Degan, Kelley; centre, Blain; home, M. Morrison, Hammond, McLean; outside home, Lennox; inside home, McKinney. Harry Gillespie gave perfect satisfaction as referee.

Alliston Beat Beeton.

Alliston, Aug. 21.—Alliston defeated Beeton in a good game of lacrosse here this afternoon. Score, Alliston 2, Beeton 1. Alliston now has to play off either Tottenham or Beeton for the championship.

Montreal, Aug. 21.—When Montreal faces Cornwall on the M.A.A.A grounds to-morrow there will be "somethin' diddin," and those who take the trouble to attend will witness a match worth going miles to see. It is rumored that the Cornwall team will play some of their old stand-bys who had been left off for the game with Capitals last Saturday, and it would not be surprising to see big Donald Cameron again in Cornwall uniform.

Lacrosse Points.

All Saints will play Parliaments on the Don Flats, east side, above Gerrard-street, this afternoon. The following players are asked to be on hand: Rogers, Reed, Harris, E. Allan, Waite, Bully, Bridgen, Henderson, McKeown, Bell, Ryan, Pyne, Allan, Stanley, Stinson, Jennings.

Toronto Canoe Club Fall Regatta.

The fall regatta of the club will be held next Saturday, the 29th inst. An interesting program has been prepared, including a war canoe race, as well as tilting. The open dinghy race is sure to be hotly contested, as a large number of entries are expected. Three prizes have been arranged for in this event. The dance in the evening is eagerly anticipated by a large number of members. Tickets are now in the hands of the members of the various committees and as they are limited early application is essential.

The Easterns will pick their team from the following players: Armstrong, Welch, Parker, Carson, Kennedy, Williams (captain), Crawford, Jones, Sullivan, Barry, J. Kennedy, for their league game with the I.C.B.U. team at Bayside Park. All players are requested to be on the grounds as early as possible.

Popular Sunday Concerts.

This week has been a record-breaker at Hanlan's Point. The Wrens in their exceedingly funny sketch, "Her Namesake," have proved a strong drawing card. The sketch itself is amusing enough to please everybody, but when augmented by Wren's whistling, it makes one of the best things of the season. Next week's program consists of Elwood and Maggie Beaton, character change artists; Don Gordon, trick bicyclist; Wills and Farnum, acrobatic comedians; Chrissie M. Jones, cornet virtuoso; McCloud and Melville, harpists and dancers. The two popular Sunday concerts will be given by the Grenadiers' Band tomorrow afternoon and evening.

Rochester Club Changes Hands.

Rochester, Aug. 21.—The new baseball company is practically in control of the destinies of the Rochester baseball team. Three-fourths of the purchase money was paid over to the old company yesterday and on next Tuesday the formal transfer will be made.

The new company includes about 20 local business men who are anxious to see the game of baseball prosper in this city, and who realize that the only way to make it prosper is to pursue a liberal policy with players, both in the way of getting them and in salaries paid. The names of the stockholders will not be given out until the next meeting of the new company, but the public may rest assured that the new company is made up of men who will not let dollars and cents stand in the way of a winning team for this city next year.

It is quite likely that Charles T. Chapin will be elected president of the new organization, and with such a hustling executive the new company is bound to be a success. W. B. McCallum seems to be the general choice of the stockholders for the position of vice-president, while E. P. Higgins, president of the old company, may be elected treasurer. John B. Nash, also of the old company, who was mainly instrumental in forming the new company, is slated for the position of secretary and business manager.

Of the old company there are but three members who have stock in the new organization. These gentlemen are E. F. Higgins, George W. Sweeney and John B. Nash. John H. Callahan, Marcus Kochenthal, Louis Whalen and F. E. Youngs have now ceased to be interested in baseball affairs in this city.

Nothing will be done by the new company toward strengthening the team for this year. The new stockholders realize that it would be a hopeless task to try and rejuvenate the present organization. The watchword will therefore be, "The Bronchos of 1904." Negotiations are now pending with Manager A. C. Buckenberger to handle the team for next year, and also with Captain Heine Smith to resume his place at second base and to captain the coming champions. If these negotiations are successful, there is no reason why Rochester cannot be made one of the warmest baseball cities in the league.

Amateur Games To-Day.

The North Torontos play the Gore Vales at 3.30 o'clock to-day at O'Halloran's Grove. The following will represent North Torontos: McCann, Coutts, Burton, Hackett, Sweeney, Clewes, Sodden, Hawkins, Daniels, Ford.

In the Intermediate League game between the Easterns and I. C. B. U., at Bayside Park, at 4 o'clock, one of the best games of the season is expected. These two teams are playing ball on a par with that of the Sunlight League, and, altho they are only in an intermediate league, there are many of the opinion that either one of the teams could show some of the Sunlight people how to play ball. The I. C. B. U. players will meet at the club rooms at 2.45.

The Arctics will accompany the glass-blowers' excursion to Oakville to-day, and will line up as follows in their game with the Stars at 3.30. Boat leaves at 9.15. McDowall, Legoode, Lauson, Oswald, Kirkpatrick, Burns, Barchard, Avison, McEvoy, Smith, Cowle. For the convenience of those not going by boat, train will
