GREAT ENGLISH REMEDY!!!—THE MOST VALUABLE SPRING AND SUMMER MEDICINE IN THE WORLD!

HALSEY'S FOREST WINE!
Patronised by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine of the Age.

MEDICINES containing Molasses or Liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The *Forest Wine* is altogether a different article. It contains no Syrups to give it consistency, but acquires the excellent flavor and powerful medicinal qualities from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, AND SARSAPARILLA,

With other valuable Plants whose properties are still more powerful.

Its high concentration renders it one of the most efficient Medicines now in use. Less than a single bottle restores the lingering Patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The *Forest Wine* is recommended, in the strongest terms, for all complaints of the

STOMACH, LIVER, KIDNEYS, NERVOUS DISORDERS, BILIOUS AFFECTIONS, DROPSY, DYSPEPSIA, LOSS OF APPETITE, JAUNDICE, FEMALE COMPLAINTS, GENERAL AND ALL DISEASES ARISING FROM BAD BLOOD AND IMPURE HABIT OF THE SYSTEM.

SAVED FROM DEATH!!!

Testimony of Mr. NATHAN MATHEWS, a highly respectable and wealthy citizen of Newark, N. J.

DR. G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I had at the point of death, with Dropsy, Piles, and Asthma. My Physicians had given me over as past cure, and my family had lost all hope of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine, and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about 4 month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your Medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

I ascribe my recovery entirely to the use of your excellent Medicines. Several of my neighbors have also been cured them with similar success in obstinate complaints, and I can cheerfully recommend them to the public.

Yours, respectfully, N. MATHEWS.

Newark, Dec. 19, 1847.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING!

NEW YORK, Jan. 9, 1848.

DR. HALSEY—DEAR SIR:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years; and, having adhered solely to the directions which accompany the Medicines, I have recovered my health, notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies; and, I doubt not, but that there are hundreds who are dissuaded from taking your excellent Medicines by many advertised remedies puffed by unprincipled men, in flaming advertisements. But, what a pity it is that the deception used by others should be the means of disuading many laboring under disease, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience the good effects in less than three days; and, in six weeks from the time I purchased the Medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies!

Yours, &c., JAMES WILSON.

Dr. David Marvin, celebrated Practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtue than fifty of the large bottles of Sarsaparilla. Messrs. S. S. Lampman & Co., the largest and most respectable Druggists in Syracuse, in a letter, says:—"From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good Medicine, and will, undoubtedly, become the leading Medicine of the day." Dr. Mott, of New York, also subscribed to the virtues of Halsey's Forest Wine, by recommending it to many of his Patients.

Seven hundred Certificates from Physicians, Clergymen, and individuals of known respectability, have been given, testifying to the great cures made by "*Dr. Halsey's Forest Wine and Pills.*" Among them is the cure of Mr. John Syms, of 333 Pearl Street, New York, cured of Affection of the Liver and bad Cough, after having been given over by his Physicians, who pronounced his case incurable Consumption. A child of Mr. William Bowers, Brooklyn, New York, who had been dreadfully afflicted with Scrofula, of four years standing, cured in less than six weeks time. Mary J. Brown, daughter of the Rev. James R. Brown, of Disease of the Heart and Imminent Consumption. Others of Jaundice, others of Piles, others of General Debility, others of Gravel, Female Complaints, &c., &c.

"DEATH'S DOOR."

How frequently do we hear this expression, which is meant to convey to the mind the last stage of sickness, that a patient can be reduced to, and live. Mrs. Harrison, a member of the Trinity Church, now at 445 Pearl-street, had been reduced to the "Death's door," by Rheumatism and Nervous Headache, when, like an angel of mercy, Radway's Ready Relief relieved her of her severe pains, and restored her to her usual health.

The very instant Radway's Ready Relief is applied, its beneficial effects are experienced, it soothes, heals, strengthens and invigorates. It instantly stops Inflammations, Congestions, Pains, Swellings, relieves the most severe Nervous pains, gives ease to Burns, Scalds, Sores, Erysipelas, cures Rheumatism, Lumbago, Gout, Paralysis, Spasms, Sprains, Stiff Neck, Weakness in the Side and Back, Sores of all kinds, Galls, Bruises, Chafes, Sore Throat, Influenza, Hoarseness, Coughs, Colds, &c.

TOOTH ACHE CURED IN ONE SECOND.

The most excruciating affliction can be cured in an instant, for the moment the Relief touches the nerve, the pain is mitigated. So with Tic Doloreux and Hemicrania, Neuralgia and Sick Headache—bathe the parts where the pain is most severe, and in a few minutes you will be entirely relieved. Taken internally it will arrest the most violent Spasms and Cramps, stop vomiting or too much purging; in all cases it will give energy for weakness, ease for pain; health for sickness. No Family Relief is genuine unless signed by RADWAY & Co., 162, Fulton Street.

ELEGANT TOILET REQUISITES,
TO ENNOBLISH AND ENHANCE THE CHARMS OF BEAUTY.

RADWAY'S MEDICATED SOAP.

Radway's Medicated Soap, so favorably known throughout the fashionable world for its extremely bland, purifying, and soothing effects on the skin; while by its action on the pores and the minute secretory vessels it expels all impurities from the surface, always every tendency to inflammation, and effectually dissipates all redness, heat, roughness, spots, freckles, discolorations and other cutaneous eruptions. The radiant bloom it imparts to the cheek, the softness and delicacy which it induces of the hands and arms, its capability of soothing irritation and removing cutaneous defects, render it indispensable to every toilet.

Gentlemen after shaving will find it allays all irritation and tenderness of the skin, and renders it soft, smooth and pleasant.

During the heat and dust of summer, or frost and bleak winds of winter; and in cases of sunburn, stings of insects, chilblains, chapped hands, or incidental inflammation, its virtues have long and extensively been acknowledged. Its purifying and refreshing properties have obtained its selection from the thousands of other cosmetics, both of European and domestic manufacture, by the fair sex of all parts of the fashionable world, from the burning tropics to the frozen realms of the Ice King. The public will please bear in mind that Radway's Medicated Soap is the only safe preparation for the skin now in use; this has been certified to by our most prominent chemists. Radway's Soap is free from poisonous, irritating and pernicious ingredients; it can be used on the tender skin of the infant with the same happy results as upon beauty in its prime. See that each cake is enveloped in a splendid label of steel engraving—and further see that the signature of R. G. RADWAY is upon each cake. Price 25 cents, large cakes.

THE CROWNING ORNAMENT OF BEAUTY IS A LUXURIANT HEAD OF GLOSSY HAIR.

RADWAY'S CIRCASSIAN BALM.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,
FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.

BOSTON, Feb. 15, 1847.

Mr. WM. BOGLE.—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and cleans the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing; and thus the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the purest and most nourishing effects on the skin,—it soothes and allays irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, calculated either for the dressing case or the "rough and ready" traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Owner F. Jarrett, Saratoga Street, East Boston;

EAST BOSTON, Feb. 8, 1847.

Mr. William Bogle,—Dear Sir: For several years past, my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference.—After repeated failures of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion as a wash, for the purpose of restoring her lost hair, and I am happy to say that its effect has been to cause the hair to grow all over the part affected. She has used only two bottles, and that very irregularly; had she used it oftener and more regular, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully, SUMNER F. BARRETT.

BOGLE'S HEBEAIONA,
FOR REFRESHING AND BEAUTIFYING THE COMPLEXION,

Eradicating Tans, Pimples, and other eruptions of the skin, and imparting a fair, delicate, and blooming. It is equally efficacious in protecting the skin from the hot suns of summer, and freezing blasts of winter, and is the most fragrant and delicious article to be found at the toilet of fashion.

All the above articles have stood the test of the severest investigation, and are pronounced superior to anything yet known.

URQUHART'S
CONCENTRATED COMPOUND DECOCTION,
OR FLUID EXTRACT OF
JAMAICA SARSAPARILLA,
As ordered by the
Pharmacopœia of London College of Physicians.
PREPARED BY
ALEXANDER URQUHART,
AT THE
Medical Hall, 7, Great St. James' Street.

THIS Valuable Preparation has been before the public for many years, during which time it has been extensively used, and has proved eminently successful in all those diseases in which this medicine is prescribed. It is considered by Physicians of the present day the very best Medicine for re-establishing the constitution after it has undergone the effects of Mercury. In Chronic Rheumatism, the most marked effects have been produced by the use of Sarsaparilla; and its continued use is often attended with improvement of appetite and digestion, increase of strength, the production of a more healthy state of mind, and the pulation, or, in some cases, complete disappearance of the painful and alarming symptoms, as Eruptions, Ulcerations, pains of a Rheumatic character, &c., &c.

Drs. McCulloch, Campbell, McDonell, and Fraser, who have extensively used it in their practice, have kindly favored the Proprietor with the following Certificates:—

ALEX. URQUHART, Esq.:—DEAR SIR,—I have much pleasure in bearing testimony to the faithful manner in which you prepare your Fluid Extract of the Compound Decoction of Sarsaparilla. This I am enabled to do on account of several of my patients having derived the greatest benefit from its use.

For Constitutional Syphilis and Chronic Rheumatism, I have prescribed it with the most marked effects, I can, therefore, without the least hesitation, recommend your preparation as one possessing all the Medicinal qualities of the Compound Decoction of Sarsaparilla, while it is at the same time more palatable, and less apt to derange the Stomach. Your most obedient servant,

W. FRASER, M.D.,
Lecturer on Medical Jurisprudence, McGill College.

Montreal, 8th February, 1847.

MONTREAL, February 10th, 1847.

I beg to certify, that I have employed very extensively, the "Fluid Extract of Sarsaparilla," made by Mr. Urquhart, in all those diseases in which that Medicine is usually prescribed, and that I have found it a most valuable preparation. I can, moreover, state, from personal investigation, that the Proprietor employs none but the purest ingredients, and bestows the greatest care and attention upon the mode of preparing this remedy.

ROBERT McDONELL, M. D.,
Lecturer Institutes of Medicine, McGill College,
Physician to the Montreal General Hospital.

Mr. Urquhart's Sarsaparilla is the only preparation of this valuable Medicine that I can, with entire confidence, recommend to my patients. M. McCULLOCH, M.D.

Montreal, 10th February, 1847.

DEAR SIR,—I have frequently prescribed your Fluid Extract of Sarsaparilla, and I have no hesitation in recommending it as a very elegant and convenient form for administering that Medicine. Yours, very truly,

GEO. W. CAMPBELL.

RIVIERE DES PRAIRIES, March 1, 1850.

Sir,—Since you are desirous to ascertain the effect which the Waters of the Point du Jour Springs have produced on myself, I must inform you, that I have used them medicinally at their Source, and have found them highly salubrious. I was at the time so affected by the consequences of a severe disease of the Digestive Organs that my Physician judged it right to suspend for a time all active remedies, even for the repression of Dyspepsia and an absolute Retention of the Bowels, under both of which I was suffering severely. He prescribed for my relief the Mineral Waters, and I made use of those of the Point du Jour, as being the nearest. I was at the time so weak, that it was with difficulty I kept my feet. However, at the expiration of three weeks, I was restored by using the Waters. These Waters are of a gaseous nature, containing a large quantity of saline particles, and agreeable in the taste—taken in a large dose they are strongly laxative, but their purgative properties are mitigated with grippage,—those even who have been using them have not been weakened or exercised in their constitution in consequence; upon the contrary, by using them they find their appetite increased, and their digestion rendered more regular. After a dose of 2 or 4 four glasses, I found that they had the effect of increasing the urinary secretions at first, and that these decreased in the same proportion that the alvine secretions increased. The action of the nervous and sanguinary systems were thereby moderately augmented, and, instead of finding myself morose and sad as I had been during some days before then, I perceived myself involuntarily disposed to be gaiety and gaiety. Many who, in the same circumstances, made use of the Waters by the recommendation of Dr. Cazeneuve, experienced the same effects. To conclude, I am of opinion, in conformity with the Analysis made by T. S. Hunt, Esq., that Physicians might employ it successfully in the same diseases for which the Plantagenet Waters are so judiciously recommended.

Yours, respectfully,
AMABLE SIMARD, M. D.

ST. JOSEPH'S CONVENT, May 14, 1850.

Sir,—I observe with pleasure that the Mineral Waters, at their source at Point du Jour, Parish of the Assomption, (L'Assomption,) are acquiring the celebrity they deserve. For myself, who am, perhaps, one of the first that alluded to them in the newspapers, in the year 1826, I can testify, not since then I have had occasion to try various Mineral Waters, nevertheless I have never doubted that the preference must be given to those of Point du Jour—having myself had much experience.

Agents for Montreal:—Dr. Picault, 36, Notre Dame street, corner of Bonsecours Street; Benjamin Workman, Apothecary, corner of St. Paul Street, Custom House Square; O. LaLiberte, corner of St. Catherine and Visitation Streets.

The Proprietors have their Depot established at No. 6, Jacques Cartier Place, next door to the Hotel of Serafino Giraldi, Esq. The distance for conveying the Waters to the Depot is so trifling, that we are enabled to have a constant supply fresh, and are consequently in possession of a better market than any other person. Prices, 7½d. per gallon, and 2s. the dozen, (in bottles.) Sick persons, unable to pay for it, can have some *gratis*, by producing a certificate from their Physician, since we are unwilling that any should be deprived of these healing and wonderful Waters, prepared by Providence for his creatures, which are apparently designed for the alleviation and cure of many protracted and dangerous diseases.

ANALYSIS OF MINERAL WATER OF POINT DU JOUR.—From Mr. Hunt's Analysis of the Water of the Mineral Spring at Point du Jour, near L'Assomption, I infer that it will prove a valuable addition to those already discovered in Canada.

It appears to be well adapted to cases of scrofula, diseases of the skin, gout, rheumatism, and dyspeptic complaints generally.

Mineral Water to be useful should be taken for some time, and when it seems to lose its effect, that from another spring should be substituted; and one not agreeing with an individual, another may act kindly and effectually. Weak and delicate persons should seek the advice of a physician with regard to the employment of these waters. It would be a great blessing to society if these Productions from the laboratory of nature were to supersede the vile and heterogeneous compounds, with which the world is cursed, under the name of "Patent Medicines."

WM. NELSON, M. D.

Montreal, 11th March, 1850.

I certify that I have used the Point du Jour Spring Water in my practice, and have found it to act as a mild purgative and alterative. From the quantity of Iodine it contains, it will, I doubt not, be found useful in scrofulous diseases and in some form of syphilis, in addition to other remedies.

ANALYSIS OF THE ST. LEON WATER.

I HAVE submitted to analysis the Water from the Source of St. Leon, and find it to be strongly saline. It contains chloride of sodium in large quantity, with magnesia and lime, partly as carbonates, dissolved by the excess of carbonic acid, and partly as chloride. Like most of the other saline waters of the country, it contains bromine and iodine; in addition to which, I have detected, in small quantities, salts of barytes and strontia, which had hitherto been met with only in the waters of Vanvres. In its general character, it is allied to the Sources of Caxton, Plantagenet, and the Intermittent of Caledonia.

The contents of one pound of 7000 grains, as calculated from my analysis are as follows:—

Chloride of Sodium,	80.47820 grains.
Chloride of Potassium,	3.26400 do.
Chloride of Barium,	.012600 do.
Chloride of Strontium,	.017520 do.
Chloride of Calcium,	.205800 do.
Chloride of Magnesium,	4.445040 do.
Bromide of Magnesium,	.054000 do.
Iodide of Magnesium,	.032410 do.
Carbonate of Lime,	2.442210 do.
Carbonate of Magnesia,	6.071600 do.
Carbonate of Iron,	.101500 do.
Alumina,	.110100 do.
Silica,	.003000 do.
	98.32291 grains.

PLANTAGENET WATER.

MONTREAL, July 6 1849.

During the past eighteen months, I have had ample experience of the Plantagenet Mineral Waters, which has confirmed the favourable impression their analysis led me to entertain of them, as a safe, cooling and effective beverage during the heat of summer. I have also found them useful auxiliaries in the treatment of some derangements and diseases.

MONTREAL, April 16, 1850.

Sir, I have now prescribed the Plantagenet Water for upwards of a year, and I am very happy in being able to state to you, that the opinion which I formed of their probable usefulness, based on Mr. Hunt's Analysis, at the time of my commencing to use them, has been fully and satisfactorily verified by subsequent experience. I have prescribed them extensively, and I have frequent opportunities of hearing from my patients that their employment has been attended with all the beneficial results for which they were used.

I am, Sir,
Your obedient servant,

CANTON HOUSE,

COFFEE, which makes the politician wise,
And see through all things with his half shut eyes.

THE VARIOUS PROPERTIES OF COFFEE.—*Lord Bacon* says, "It quickeneth the brain, and helpeth the digestion." Many other writers, both French and English, describe its valuable properties. They say it, relieves headache; and Doctor *Thorton*, in his Lectures on Botany, says, "Those persons who regularly drink Coffee, can never be subject to putrid fever; in fact, a cup of good COFFEE exhibits the mental and bodily faculties, and nothing can be more refreshing to the man who studies, or the laborious mechanic."

Admitting that the important qualities described in the above quotations are contained in *Good Coffee*, it is then of paramount importance to the public of Canada to know where they can obtain the article in the most pure and best prepared state, and as there can be no doubt that to procure the ESSENCE of COFFEE in the highest state of perfection, the Berry must be carefully roasted and ground, SAMUEL COCHRAN begs to direct the attention of the Public to the process adopted by him in the Roasting and Grinding of Coffee.

S. C. ROASTS his Coffee by STEAM, by which is acquired a deodorization which before was much needed by the Coffee Roasters. No taint from smoke; a perfect evenness of roast; a peculiar clearness in the operation; and, what constitutes the complete success of this process, the entire preservation of the AROMA, in which the strength, fragrance, and flavour of the Berry are concentrated.—Prices: 1s., 1s. 3d., and 1s. 6d., per lb.

Also, TEAS in every variety and *prices*, a few of which are subjoined, which must meet the views of the most
