Extension and Widening of Czar-street.

NOTICE.

Take notice that the Council of the Corporation of the City of Toronto intend to pass a by-law in pursuance of the "Municipal Act," for levying a frontage rate to defray the cost of extending CZAR-STREET, easterly to Yonge-street, and to widen Czar-street from North-street to St. Nicholas-street, and that a statement showing the lands liable to pay the said rates and the names of the owners thereof, so far as can be ascertained from the last revised Assessment Roll, is now filed in the office of the City Clerk and is open for inspection during office hours.

The total cost of the work is estimated $13,040, which will be assessed as follows:

Three-sixths of the amount ($6520) will be assessed on the property abutting on CZAR-STREET from the PARK to NORTH-STREET.

Two-sixths of the amount ($4347) will be assessed on the property abutting on CZAR-STREET from NORTH-STREET to the WEST LINE OF YONGE-STREET, less the allowance of sixty feet for flankages.

And the balance, one-sixth of the amount ($2173) will be assessed on the property abutting on HALMUTO-STREET, between a point 135 feet SOUTH OF BLOOR-STREET and CZAR-STREET, and on the property abutting on ST. NICHOLAS-STREET from CZAR-STREET to ST. MARY-STREET, less the usual allowances for flankages.

And, further, that unless a majority of the owners of the lands liable to pay the said rate, representing at least one-half in value thereof, petition the said Council against such assessment within one month after the last publication of this notice, which will be on the 20th day of June, 1888, the said by-law will be passed.

A Court of Revision will be held at the City Hall on the 6th day of July, A.D. 1888, at three o'clock p.m., for the purpose of hearing complaints against the proposed assessment or accuracy of the frontage measurements or any other complaints which persons interested may desire to make, and which are by law cognizable by the Court.
