—Three packages of dynamite, wrapped in the *Irishman* (newspaper), were found in a letter box at Nottingham post office, London, on Sunday night. Although the time of Maud S. was beaten on Friday, the wonderful mare soon regained the title of Queen of the Turf, for on Saturday she eclipsed all previous records by trotting a mile, without skip or break, in 2.09¾.

AN EXODUS ITEM.—Last fall Wm. McFee, of Abeushagan Road, bought a horse from George Bickerton, of Upper Sackville, paying part of the price down and giving a bill of sale to secure the balance. A short time ago an execution was issued for the amount due and two constables went to serve it, but McFee and his wife, armed with spade and axe respectively, drove the officers away. McFee then took the horse to St. Andre, and exchanged him for a pair of oxen which he subsequently sold for cash. A few nights after this transaction McFee stole the horse and took him to Bickerton, to whom he sold him for $30 more than the amount of the bill of sale. With this money and the sum received from the sale of the St. Andre oxen he joined the innumerable caravan which, according to the exodus reporters is constantly moving across the border, and it is probable this region will know him no more. He will probably be able to hold his own, if not more, wherever he goes.

The New Toilet Gem.

Philoderma owes its immense success to the fact that it is radically different from any preparation in the market. It is a bland and soothing liquid, nicely perfumed, and when applied to the hands and face produces a delicious sense of coolness and comfort, exercising also a direct curative action. It is entirely free from the sticky quality of glycerine and the greasy nature of camphor ice or cold cream. To those who are unable to use glycerine, from its irritating effect, Philoderma is a necessity. Prepared only by E. M. Estey, Pharmacist, Moncton, N. B. Sold by druggists everywhere. Price 25c.

Pugwash Items.

—Haying has commenced.

—We are now enjoying fine weather.

—Joseph Patterson, of Pugwash River, while out hunting one evening last week for his cows, heard his dog barking in the bushes, and on going to see what he was barking at, found himself suddenly facing a bear. Bruin made a grab at him, tearing off his shirt sleeves and lacerating his arm and hand. The dog, coming to the rescue, attacked the bear, causing him to turn his attention to the dog. Patterson, taking advantage of the chance thus afforded, climbed a tree, the dog continuing to worry the bear, he presently left the field of battle, and Patterson made for home.

From Amherst.

—Haying has begun in earnest and the general opinion seems to be that the crop will be fully up to the average.

—Jeffrey Hebert, of Maccan, has been remanded for trial at the next sitting of the Supreme Court, on a charge of assaulting Abraham Latta, police constable. Mr. Latta had an execution against Hebert placed in his hands, and upon attempting to take him was violently resisted. His arrest, however, was soon effected, and he was brought here to jail. After swearing out, he was immediately re-arrested upon the charge of assault, and the Stipendiary's examination resulted as above.

—Lizzie Barret, aged 35 years, working at Buckley's Hotel, became suddenly tired of life one day last week, and seizing a bottle marked "poison," containing oil of cedar, helped herself and lay down to die. Upon discovery, Dr. Bliss was hastily sent for and attempted to administer an emetic. Elizabeth preferring more oil of cedar remonstrated, but succumbing to the superior force brought to bear partook of the medicine and has since become quite herself again, with the probable addition, however, of a few grains of wisdom reaped from her late experience.

—Atcheson Moffatt, Esq., has been made the victim of a forgery to the extent of $200. A man named McKinney, who, it seems, has been living in Parrsboro, but whose parents belong to Leicester, asked Mr. Moffatt for $200 presenting at the same time a note bearing what seemed to be his father's signature. Mr. M. readily paid over the amount, but when it fell due the money was not forthcoming and the supposed maker was written to. He immediately denied any knowledge of the matter, pronounced the signature a forgery, and refused payment. The son's arrest was at once ordered, and he now lies in jail awaiting trial in the Supreme Court.

Josh Billings Heard From.

NEWPORT R. I., Aug. 11, 1880.

Jean Bitters—I am here trying to breathe in all the salt air of the ocean, and having been a sufferer for more than a year with a refractory liver, I was induced to mix Hop Bitters with the sea gale, and have found the tincture a glorious result.

* * * I have been greatly helped by the Bitters, and am not afraid to say so

Yours without a struggle.

JOSH BILLINGS.

A St. Ann's Victory.

Mr. John Morrison, well-known in St. Ann's, N. S., had serious Kidney Complaint that bordered on dropsy. After hope had nearly fled, he was cured by Burdock Blood Bitters.

Can Deafness be Cured?

Mr. John Clark, of Mildredge, Ont., declares it can, and that Hagyard's Yellow Oil is the remedy that cured him. It is also a specific for all inflammation and pain.

MR. ESTEY informs us that the popularity of Philoderma is increasing so rapidly that he finds it almost impossible to fill the orders.

PERSONS of a Nervous Temperament should use Estey's Iron and Quinine Tonic, it removes at once that low, despondent feeling. Try it.

Baie Verte Items.

—Barque "Onaway," Anderson, 32 days from Liverpool, arrived at Great Shemogue on the 30th ult. Will load deals for M. Wood & Son.

—It is rumored that the Anderson family, of Botsford, some of whom reside in this place, are likely to inherit a large fortune left by the late Alex. Anderson, of Aberdeen, Scotland; the matter is being investigated by some of the interested ones.

—A new side-walk is being built from Harper's Corner to connect with one in front of the Episcopal Church, which when completed, as well as being an ornament to our neat little village, will be hailed with rapturous delight by the pedestrian.

Various Causes—

Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. AYER'S HAIR VIGOR will restore faded or gray, light or red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action. It removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or the glands decayed. Its effects are beautifully shown on brashy, weak, or sickly hair, on which a few applications will produce the gloss and freshness of youth. Harmless and sure in its results, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts.

AYER'S HAIR VIGOR is colorless; contains neither oil nor dye; and will not soil or color white cambric; yet it lasts long on the hair, and keeps it fresh and vigorous, imparting an agreeable perfume.

For sale by all druggists.

KAHOKA, MO., Feb. 9, 1880.

I purchased five bottles of Hop Bitters of Bishop & Co. last fall for my daughter, and am well pleased with the Bitters. They did her more good than all the medicine she had taken for six years.

WM. T. McCLURE.

The above is from a very reliable farmer, whose daughter was in poor health for seven or eight years, and could obtain no relief until she used Hop Bitters. She is now in as good health as any person in the country. We have a good large sale, and they are making remarkable cures.

W. H. BISHOP & Co.

—The "Manitoba Farm," organized by the Canadian Pacific Railway at the Forestry Exhibition, is a success. Already over 5,000 persons have entered their names in the visitors' books.

Woman's Weakness.

Much of the weary weakness peculiar to females is caused by irregularities that could be properly remedied with that Excellent Regulating Tonic, Burdock Blood Bitters.

A Cure for Cholera.

Procure from your druggist one bottle of Dr. Fowler's Extract of Wild Strawberry and take as directed. It cures all Summer Complaints.

From Kingston.

N.C. Polson & Co., druggists, write that Dr. Fowler's Wild Strawberry has long been the best Remedy for Summer Complaints in the market.

TRUTH IS STRONGER THAN FICTION.—The poet saith, "There is nothing half so sweet in life as Love's young dream." Correct! Nothing excepting Estey's Fragrant Philoderma.
