Allied Troops Reinforced

Late News Via British Cruiser Terrible.

Assistance Reaches a Relieving Party That Was Cut Off—Allied Forces Said to Have Entered Tien Tsin on Saturday, Suffering Small Loss—A Force of 360,000 Chinese Troops Said To Be in the Neighborhood of Pekin—Contradictory Reports.

London, Tuesday, June 26, 3:35 a.m.—The British cruiser Terrible has arrived at Che Foo from Taku, with the latest news, which is as follows: Eight hundred Sikhs and 200 Welsh Fusiliers have effected a junction with the American, German and Russian forces, which had been cut off by the Chinese about nine miles from Tien Tsin. It was proposed to deliver an assault upon the Chinese forces at Tien Tsin Sunday night.

It is not clear what forces united. It would seem that one relieving force, cut off, had been relieved by another. At any rate, it is apparently certain that the allies arrived in sufficient force at Tien Tsin Sunday to attack the besieging Chinese.

PESSIMISTIC VIEWS.

"Foreign office opinions here," says a dispatch from Shanghai to the Daily Express, dated yesterday, "incline to believe that the worst has happened to the legations at Pekin and to Admiral Seymour as well. Even if the legations were safe on June 19, there is no guarantee that they are now safe. The situation in fact grows more and more gloomy. The entire absence of reliable news from the capital seems to justify the worst construction which can be put upon it.

BAD NEWS FROM MANKIN.

Bad news comes from Nankin, where the unrest is said to be growing hourly. Viceroy Li Kin Yih has telegraphed the British authorities that he had ordered the five Chinese cruisers, which have been lying off the harbor here, to proceed to Nankin."

360,000 CHINESE TROOPS AT PEKIN

"Gen. Mau's army," says a correspondent at Shan Hai Kwan, "consisting of 4,000 men, left a week ago for Pekin, and Gen. Sung Ting's force, numbering 2,500, left for the same place on June 15. A careful estimate of the number and armament of the Chinese troops around Pekin puts the number at 360,000, and it is calculated that these troops possess 220 7-centimetre Creusot guns, 18 Krupps and 150 Maxims. Their supply of ammunition is practically inexhaustible. It has been mainly supplied by a German firm at Charlowitz. Fully three-fourths of the Chinese forces are badly drilled, wholly undisciplined and quite unfamiliar with modern weapons."

TO OPPOSE LANDING OF BRITISH.

Another Shanghai dispatch says Li Ping Ho, formerly governor of Shang Tung, who is intensely anti-foreign, has gone to the Kian Yin forts, on the Yang Tse. He has declared his intention of resisting the landing of British forces in that region.

According to a Hong Kong dispatch, dated yesterday, strong reinforcements of Indian police, with three Maxims, have been sent to Koo Loon, on the mainland.

Entered Tien Tsin.

ON SATURDAY.

A Che Foo dispatch, dated Tuesday, June 26, says: Rear-Admiral Kempff reports by a Japanese torpedo boat that the combined forces entered Tien Tsin on Saturday, June 23, sustaining small loss. They started on Sunday to relieve the force which left Tien Tsin on June 10, and which is believed to be surrounded near Pekin.

REPORTED CAPTURE OF SEYMOUR.

According to Japanese reports, Admiral Seymour has been captured and the ministers have left Pekin, guarded by Chinese soldiers. Their whereabouts is unknown.

LANDED AT TAKU.

A Tsing Tau dispatch, dated the 24th, 8 p.m., says: Eight thousand allied troops have landed at Taku, including 1,200 Germans. A French officer, who has succeeded in getting through from Tien Tsin from Taku, says that the Russians alone have lost 150 killed and 300 wounded. The German gunboat Iltis, up the Pei Ho River, reports that masses of Chinese are near Tong Ku, and that an immediate attack is expected.

The Shanghai correspondent of the Times sends the following under yesterday's date: A military correspondent at Taku says that the operations of the allies are suffering from the want of a recognized head, defective organization and the lack of transport. Mr. Kinder, the noted engineer, has arrived at Che Foo.

BRITISH CRUISERS SENT.

The British admiralty has ordered five more cruisers to go to China. This represents an additional 50,000 tons, the crews aggregating 3,000.

STATEMENT IN THE COMMONS.

London, June 25.—In the House of Commons today, referring to the failure of the American and Russian forces to reach Tien Tsin, June 21, the parliamentary secretary of foreign affairs, Mr. Brodrick, said that since then British troops from Hong Kong had arrived at Taku, and it was believed that 3,000 Japanese, 1,000 German and 2,000 French troops had also arrived there. But the government had no information regarding the later operations.

SENDING UNITED STATES TROOPS

Washington, D. C., June 25.—The Chinese minister has asked an armistice in the sending of American troops to China, based on the assurance of Chinese viceroys that they can maintain order. President McKinley, while acknowledging his gratification at the assurances, has made known to the Chinese minister that the United States cannot relax its efforts to get troops to points where its officials are considered in danger.

A Che Foo dispatch, dated June 25, via Shanghai, says: United States Consul John Fowler has received from Rear-Admiral Kempff the following: "Only one communication from Pekin has reached me since communications were interrupted on June 10. It was dated June 12. No direct or indirect news from the ministers since. About 430 foreign troops, including 56 American marines, went to Pekin ot guard the legations. A force of 100 Americans, uniting with a total force of 2,500 men of all nationalities represented here, went on June 10 to open the road and relieve Pekin. This movement was by permission of the Chinese government. The last news from the expedition was dated June 12, when the expedition was at Lang Fang.

BOXER ROORBACKS.

At Canton the Boxers are spreading inflammatory pamphlets, a sample of which is the following: "Kill all Germans, French, Americans and English. To have peace prevail in the hearts of the people all foreigners should be driven out. This end can be attained in a few days if we unite out strength."

PRACTICAL REFORMS NEEDED.

The London Times, reviewing the situation editorially, says: "There is no whisper in favor of the partition or spoliation of China in this country or in the United States, but we feel very strongly that the time has come for the introduction of those practical reforms which Mr. Choate, in his recent letter to Lord Salisbury, declared to be desirable."

CANADIAN MISSIONARIES.

Toronto, June 26. — As each day passes without news from Pekin or Tien Tsin, the relatives of Miss Gowans and Miss Rutherford, the two Toronto women shut up in the Chinese capital, fear the worst. The ladies are missionaries of the Missionary Alliance, and Miss Gowans has been in Northern China for nine years. Both are members of well-to-do Toronto families, Miss Gowans being a daughter of John Gowans, assignee, and Miss Rutherford a daughter of Mrs. Eleanor Rutherford, 16 Gerard street east. Rev. Mr. Simpson, of the alliance headquarters, has had no news from the stations since the outbreak.

Afternoon Dispatches.

SAFE AT CHE FOO.

New York, June 26.—A dispatch to the Journal and Advertiser from Che Foo, June 25, says: The arrivals today included 148 persons in all, including servants and attaches of the legation. The list of missionaries is as follows:

From Pekin—Reid, Davis, Hobart, Walters, Veritz, Gamewell, Lowry, Ament, Ewing, Wewell, Gilman, Gloss, Martins. These are of the American Board and Presbyterian Ladies' Missions.

From Tien Tsin—Pyke, Hayner, Patterson, Lowry, Roberts, Wilson, Bend, Stevenson, Glover, Croucher, Shockley and Gailey.

The party of 148 arrived in good condition.

For Pao Ting Fu there is very little hope.

RUSHING OFF TO CHINA.

Chicago, June 26. — The fourth battalion of United States marines, Major W. P. Biddle in command, passed through Chicago last night on a rush assignment to duty in the Orient. Capt. Biddle said that he expected orders in Japan that would throw him and his men into the fighting in China. There are 238 men in the battalion.

Relieved!

Entry of the Allied Forces Into Tien Tsin Confirmed.

And a Party Sent to Rescue Admiral Seymour.

Terrible Condition of the City—Everywhere Dead Bodies of Massacred Europeans and Americans Lying in the Street.

London, June 26.—The exclusive dispatch to the Associated Press, from Che Foo, giving Rear Admiral Kempff's authoritative announcement of the relief of Tien Tsin June 23, is fully confirmed in London.

The news reached Berlin later from the German Consul at Che Foo, who announced that the relief column entered Tien Tsin during the afternoon of June 23, and started again June 24 to

RESCUE VICE-ADMIRAL SEYMOUR,

who, with the foreign ministers was said to be occupying a position 12½ miles from Tien Tsin Saturday, and hard pressed by a great force of Boxers and Chinese regulars.

Possibly the Japanese report that Seymour was a prisoner, and that the ministers had left Pekin guarded by Chinese soldiers, is merely a distorted version of the Berlin story. But it is confidently believed here Seymour and his companions will be safely delivered from his plight.

HORRIBLE SCENES.

According to the report of a Chinaman refugee who has arrived at Shanghai, the condition of Tien Tsin was horrible. Everywhere in the streets were the bodies of massacred men and women, Americans as well as other nationalities.

The Hong Kong and German banks, he adds, were both destroyed early during the bombardment.

NEARLY 200 OF THE AMBUSHED FORCE KILLED.

Shanghai also reports that the Americo-Russian relief force was so badly ambuscaded that the forces were obliged to abandon several of the field guns and much ammunition. About 180 Russians and 11 Americans were killed or wounded.

The German gunboat Iltis and a Russian torpedo boat destroyer are patroling the Pei Ho River and raking with machine guns the native villages on the river banks, which were filled with

CONCEALED "SNIPERS."

A dispatch to the Associated Press from Canton says that city remains quiet, but the female missionaries from the outlying districts are coming in, owing to the warnings of native Christians. The missionary hospitals are being deserted by the students and servants.
