James White of Bronte Dies at the Age of 91 Years—A Little History.

There died in Bronte the other day James White, one of the oldest and most widely known pioneers of Halton County. He was 91 years of age, and had spent most of his life in this country. For 22 years he had been confined to his bed, and during the greater part of that time was not sound mentally.

James White was born in England, and came to Canada with his parents in the year 1823. For a few years they resided near Toronto, but soon removed to the Township of Trafalgar, where Mr. White resided during the remainder of his life, following the occupation of farmer and lumberman. In political circles he was well known, having been a leading figure among the sporting fraternity, having at one time owned the best string of racers in Canada. Mr. White's horses captured the Queen's Plate in Toronto on more occasions than have the turf performers of any other horseman, excepting, probably, Sengram. One son and a daughter are left to mourn the loss of a father. They are: James White of Grand Haven, Mich., and Mrs. Paul Campbell of Toronto.

In the matter of Parkdale playing Clemes against the Queen Citys in the Lacrosse Hockey League, it was recognized as a league game and Clemes had no business playing with Waterloo. A protest was also filed by St. George's against the Wellingtons on the game played last Thursday on account of full time not being played. This will be dealt with at the next meeting. The protest by St. George's against the Kensingtons was mutually agreed to be played over.

JIM POPP AND BOB THOMPSON

Sam Callahan Was Stopped in 15 Rounds at Hunt Club's Show in Hamilton.

ROEDER WAS CLEAN KNOCKED OUT

Mike Murray Lost to Kid Lalonde on Decision in the First Preliminary.

Hamilton, Jan. 27.—(Special.)—The sparring entertainment to-night in the Grand Opera House was witnessed by an immense crowd. The game was good, the two preliminaries being unusually fast. Tommy Dixon, Rochester, refereed the curtain-raisers and Dan. Kelly the main bout. The first go was between Mike Murray, Toronto, and Kid Lalonde, Buffalo. Lalonde rushed the fighting and got the decision, but Murray stopped man in good style.

The second went was a hot one, the principals being Bobby Thompson, Toronto, and Louis Roeder, Buffalo, which was to have been six rounds at 132 pounds. Thompson fought fast and furious, and in the third round put the Bison to sleep. He gave him a jab in the jaw and sent him to the floor on his head. Roeder had to be assisted to his corner.

The principal go was between Jim Popp, Toronto, and Sammy Callahan, Buffalo. The veteran Joe Popp, Fred Myles and Charlie Coulson were in Popp's corner, and Callahan was attended by Hymie Goldstein, Luke Stevens and Vance Cussiac. The match was announced for the lightweight championship of Canada and the men stepped into the ring at 131 and 132 respectively. The betting was 5 to 4 in favor of the Toronto man.

The men agreed to fight Queensberry rules, hitting with one arm free in the breakaway. There was much fighting at close quarters and after the fifth round the referee was kept busy parting the men. They persistently hugged each other and were hissed by the gods. Callahan was the worst offender in this respect.

Up to the fourth round the men broke about even and were fresh. In the fifth Popp went in with a rush and landed on Callahan's neck, putting him through the ropes. Callahan wound up the round by giving Popp one on the wind in the breakaway. Honors were even in the sixth and there was a stiff mix-up in the next. Popp countered on the neck and reached the wind. Callahan placed both mitts in face and followed with left on the body, so low there were calls of foul, but Popp laughingly said "All right." Callahan got a stiff cut in the jaw as the gong sounded.

Popp finished the eighth the stronger and opened the ninth by landing on the ribs, and Callahan repeats hard punch in Popp's neck and the round ended even. There was open sparring in the tenth and Callahan had a little the better of it, landing hard on nose and on wind. The eleventh was tame, there being much clinching. The twelfth was also a hugging one. Both came up slow for the thirteenth and in a break Callahan landed hard on Popp's nose. Popp countered on face and a clinch followed. Few hard blows were exchanged.

In the fourteenth Popp staggered Callahan, but did not follow up. Later he reached the Hebrew's jaw twice and sent him down. The Buffalo man took the limit and Popp popped him on the nose when he arose.

The final round was a fast one while it lasted. Popp led out on Callahan's chin and the Buffalo boy grabbed him by the neck and hung there several seconds, till the referee pulled the men apart. Callahan reached Popp's ear and got one on neck back. The men again clinched and Callahan had to be pulled away. Callahan, under a left-hander, went down for the limit. Popp reached his neck again and the Buffalo lad again went down for ten seconds. He hugged Popp on arising.

The referee sent the men to their corners amid deafening applause and declared Popp the winner. L. Elsworth of Buffalo challenged Popp to fight at 135 pounds.

JOE GANS OR JUDGE?

Lightweights Clash for 20 Rounds at Crescent A. C.'s Show in the Pavilion To-Night.

Al Herford wired from Chester, Pa., last night that he was just leaving over the Lehigh Railroad with Joe Gans, the celebrated colored lightweight, for Toronto. The party will arrive here at 10 o'clock this morning, and will put up at J. F. Scholes' Athlete Hotel, Yonge-street. Martin Judge was just to weight, 137 lbs. before dinner yesterday, and as Gans can make 133, they will both weigh in easily at 8 o'clock this afternoon. The bout will be 20 rounds' duration, no hitting in clinches, with Walter C. Kelly of Buffalo as referee. The men will enter the ring at 10 o'clock.

Bobby Thompson will get a great reception for his decisive victory in Hamilton last night, but Gallagher says his confidence is not shaken. They go 10 rounds at catch weights.

Jim Popp will be in Champion Barry's corner against Chamberlain when they meet for the curtain raiser. The boys clash for six rounds at 107 lbs.

A big party will come over from Hamilton with the Buffalo contingent, and there will be delegations from all over the province. Gans is by far the strongest card who ever fought in Toronto, and the Crescent A.C. has produced for him a stiff proposition in Martin Judge.

Lanky Bob Says Things.

Detroit, Jan. 27.—Martin Julian, manager for Bob Fitzsimmons, went to New York last night and Bob says he has gone after the "fake fighters," and will make them put up or shut up. Julian will be back in Detroit to-morrow night. A telegram from New York says that the Lenox Club will give a purse of $25,000 and that O'Rourke will make a side bet of $10,000 for a match with Sharkey. When the red-haired fighter was shown this telegram to-day he launched forth in a volley of abuse of the Lenox Club, O'Rourke and Sharkey. He said they were cowardly curs and throwing crooks and fakirs, and beneath his notice. "Who ever heard of a purse being offered before a match is made?" he shouted. "Let them cover my forfeit and make a match, and there won't be any trouble about purses, there's lots of money waiting for the fight if a match is made. Principals in a fight cannot make side bets, without violating the rules, but my manager will cover any money that O'Rourke can raise. If they want a fight all they have to do is to cover my $2500 cash forfeit. Julian is in New York to-day and he is going after these fakirs. If Sharkey does not come to time he will make a match with Jefferies and the fight will be pulled off without any quibbling. Jefferies is entitled to first chance, but I prefer Sharkey, because I owe him a licking for the dirty way he has treated me. O'Rourke says I told him Sharkey was as good a man as I ever met. That's a lie. At the Chutes before a crowd of 30,000 people I offered to lick him stone dead if he did not run out of the ring. That's what I think of Sharkey. He says he is going to follow in the footsteps of John L. Sullivan, 'the idol of the Americans.' Sullivan was never in Fitzsimmons' class. I forgot more about fighting than he ever knew. He was a big strong fellow with a hard punch, but I have got a harder punch, and I am clever and foxy too. This Sullivan talk is just to get sympathy. I don't want any sympathy. I am out for myself now and I don't care for anybody. I'll whip the whole crowd before I'm through with them."

Around the Ring.

Jack Herman will attend the Gans-Judge bout at Toronto.—Buffalo Courier.

Jack Everhardt and Owen Ziegler have been matched to fight ten rounds before a Cincinnati club. The men have agreed to go on at catch weights.

Matty Matthews and Owen Ziegler have signed articles of agreement to fight 20 rounds in New Haven next month at 138 pounds, weighing in at 3 p. m.

One of the boxers from whom great things are expected is young John L. Scholes, the Canadian champion, who is said to be a wonder. Scholes is in the 126-pound special class, but he may run up against a snag in McManus from Brooklyn or Frank McGuire of this city.—N. Y. Journal.

Mysterious Billy Smith put an end to Edwards' championship aspirations at the Lenox Athletic Club on Tuesday night. Negotiations have been under way for some time for a match between Smith and Johnny Hughes, one of the best boxers at his weight in England, and yesterday Billy Roche cabled an acceptance to Hughes' challenges to fight for the championship. The National Athletic Club of London has already offered a purse for a 20-round battle and Roche accepted. Hughes, who is more than anxious for a battle with the American boxer, is the 140-pound champion of Great Britain, and as Smith claims that title for America the winner will unquestionably be the champion of the world at the weight.

CANADIAN SKATERS LOST.

Results of Uncle Sam's National Championships at Poughkeepsie.

Poughkeepsie, Jan. 27.—Unless their representatives skate faster than they did yesterday or to-day, Canada can lay claim to none of the national championships this year. The situation is a great relief to the Yankee skaters and their legion of followers, who looked on with long faces last winter, when McCulloch, who has since turned professional, skated away with all the national honors.

Three championships, the 500 metres, 1500 metres and 5000 metres, have been decided, the first two mentioned going to Newburg, N. Y., through its reprsentative, Teddy Thomas, and the 5000 metres to the New York Athletic Club, represented by McClave. Now there is only one more national championship to be skated to-morrow, the 10,000 metres, and they are to-night picking the Newburg boy to add this honor to his other victories. When it is considered that Thomas has just recovered from a severe siege of sickness and has had only a week's training, his work is remarkably good.

While Canada has so far failed to win a championship, one of her representatives, A. E. Pilkie, of the Montreal Amateur Athletic Association gave two pretty performances to-day, winning the two mile handicap in a hot contest with 12 other skaters, and also capturing the one mile pursuit race. Summaries of to-day's events:

Final of 1500 metre national championship—E A Thomas, Newburg, 1; George Sudheimer, Hamline, Minn., 2; W H Merritt, St. John, N. B., 3. Time 3.06 2-5.

Five hundred metre, national championship—Charles McClave, New York A. C., 1; James Drury, Montreal, 2; F R Sager, West Point, 3. Time 1.23.

Two mile handicap—A E Pilkie, Montreal, (scratch), 1; Fred Hoffman, Cohoes, (150 yards), 2; F R Sager, West Point, (scratch), 3. Time 6.38 4-5.

One mile pursuit race, two heats, winner of fastest heat wins the race—First heat—Charles McClave, New York A. C., defeated W H Merritt, St. John, N. B. Time 3.18 2-5. Second heat—A E Pilkie, Montreal, defeated P D Gibb, Newburg. Time 3.13 2-5.

A New Book on Bag Punching.

We have just received from the publishers, The Harold A. Wilson Co., Toronto, the latest work on bag punching by Jules Frank, champion bag puncher of America, fully illustrated with engravings, showing correct attitudes. This exercise, in which is constituted all the promulgated benefits of field sports, aquatics and boxing without incurring any of their dangerous features, is the simple calisthenics of punching the bag. This pastime consists of hitting an inflated leather bag, about the size of an Association football, with naked fists or with gloves manufactured for the purpose. To such a pitch of popularity has this game now reached that it has become a recognized fad among professional boxers, and the indulgence of the exercise, too, among people in general who want an appliance for home training is gaining general favor and making rapid advances. This little book will be mailed to any address on receipt of the price, 10c.
