Horses Arrive at Fort Erie.

Buffalo, June 22.—The big stable of William Hendrie of Hamilton, which includes Martimas and Butter Scotch, arrived at Fort Erie in charge of Trainer Whyte yesterday. All the horses stood the overnight journey from Montreal well and everyone of them looks to be in excellent condition. Mr. Whyte expressed himself as delighted with the track across the river and he predicted that the track records for all kinds of distances will be broken during the approaching meeting. Track Superintendent Baldwin is entitled to much credit for the excellent condition of the track.

"The track at Montreal is slow on account of the deep sand and when the horses get here they will feel like a barefooted boy in the spring," said Trainer Whyte. "I would not be surprised to see the track record of 1.40 for a mile, which by the way is also the Canadian record, broken the first day when the Canadian Derby will be run."

When asked what he thought about the chances of Martimas in the big stake, Mr. Whyte said: "Well, if they beat Martimas they will know they have been to the races. If Taral rides Mr. Hendrie's horse, there'll be nothing to it."

Credential also arrived.

Coach Ald. Hanlan has created quite a stir in Ottawa aquatic circles since his arrival at the Capital. Ned told the Ottawa Club as soon as the club races were over, twelve men, supposed to be the best available, should be named by the club committee as candidates for a junior four and junior double for this year's regatta. The twelve would be tried for a couple of weeks by Hanlan, and then the best half dozen picked out of the representative crews, and thoroughly trained. The committee agreed that this was a practical way of getting the best possible crews.

ARGOS MAKE A TRIAL.

The Four Do the Henley Course in 7.57—New Eight-Oared Shell All Right.

Henley, England, June 22.—The members of the Argonaut Rowing Club of Toronto, who were passengers on the White Star line steamer Teutonic, arrived here to-day after traveling all night long. In spite of this they tried their new four-oared shell.

The crew found the boat unsatisfactory, but covered the full course. The men say they average ten pounds too heavy. The time was seven minutes and 57 seconds. The boat carried them well, but it is thought it was tried under unfavorable conditions.

A telegram special says: They were all well on the voyage, except Goldman, who suffered from an attack of seasickness, but he is now all right. Wright, Muntz and the Thompson brothers, as soon as they landed, left for London, and on leaving the Teutonic were enthusiastically cheered. Rev. Dr. Armstrong Black met the Argonauts at the railway station, and wished them success. Dr. Black sails for Canada to assume the pastorate of St. Andrews Church, Toronto, on Aug. 24.

The Argonauts eight are satisfied with their boat.

The four is rigged too far aft and will have to be changed.

Goldman and Bright are rowing well and have a good shell. The crew has a large following of Americans.

Combination Won at Ridley.

St. Catharines, June 21.—The Rosedale cricket team of Toronto played the Bishop Ridley College here to-day and defeated them, Rosedale winning on the first innings by 83 runs, not having time to bat again. The Ridley fielding was rather poor. Burrows gave five chances for catches before he was finally put out.

The Yachting Program.

The 22-foot knockabout class of the Queen City Yacht Club will race on Saturday afternoon. The start will be made at 2.45 o'clock and the course will be around the Island. The race will be a keen one, Mr. W. R. McGill's new sloop Petrel and Mr. J. A. Browne's cutter Winona, which was rebuilt during the winter, being the principal contestants expected.

The Royal Canadian Yacht Club's 25-foot and skiff classes will have a race Saturday afternoon.

Davidson Beat Cooper.

Guelph, June 22.—The matched race between Harley Davidson of Toronto and E. Cooper of Brantford, for a purse of $50, took place last evening on the Petrie oval. Those that were present, numbering several hundred, witnessed a race won strictly on its merits, though not over-exciting by any means. Davidson, by a spurt on the last lap, won the first heat by a yard. Time 2.14. The second heat was easier for Davidson. Time 2.28¼.

Almost a Mile a Minute.

New York, June 22.—Charles Murphy rode a mile on a bicycle behind a locomotive on the Long Island Railroad this afternoon in 1.05, the fastest time ever made on a wheel. Every preparation had been made by the railroad officials for the trial of speed, the roadbed was as smooth as polished boards could make it for a distance of two miles, on an absolute level; the fastest engine was sent out as pacemaker, with the single car built up in the rear, so as to afford shelter to the rider. Murphy's attempt was to ride a mile a minute, and though he failed, he rode faster than anyone else had been able to ride before.

ISLANDERS AGAIN ON TOP.

Alloway Held Murray's Men Down to Three Hits and Toronto Scored a Shut Out.

MONTREAL AND ROCHESTER LOST.

All the Games Were Won and Lost by One Run, Except at Providence.

The Islanders are again where they belong—at the top of the league. Alloway was in superb fettle yesterday at Providence, and pitched Toronto to an easy victory, while Worcester and Hartford did the rest. Apart from the game at Providence the wins were all by the smallest possible margins, with 11 innings at Hartford. The record:

Alloway's Wonderful Work.

Providence, June 22.—Toronto made Providence look like counterfeit money today. The Grays were never in the game because they did nothing effective with the bat. Errors were bunched in the fourth inning in a way that was ludicrous. Alloway only allowed one single to the 6th, when, with two out, Nyce and Davis singled, and Hannivan barred the Grays from scoring by a fine one handed catch of a ball going over his head.

The Eastern League.

At Springfield: By bunching six singles, with an error and a wild pitch in the seventh inning, the Ponies secured four runs, and enough to win on. The home team was badly crippled by the illness of Third Baseman Myers, who is threatened with blood poisoning, as the result of the spiking Smith of Rochester gave him in Monday's game. Score:

At Hartford: Three hits in the eleventh inning gave Hartford the winning run over Rochester. Both teams played star ball, nearly all of the errors being excusable. Rochester bunched their hits in the eighth, three singles and a double netting three runs. This tied the score, and kept the crowd guessing as to the outcome until the eleventh, when the locals won out. Attendance 800. Score:

Park Nine Replace Globes.

The Executive of the Toronto Baseball League held a meeting last night for the purpose of selecting a team to fill the vacancy caused by the Globe team's withdrawal. Applications from several teams drawal. Applications from several teams were read. A vote being taken, the Park Nine of Parkdale were selected. The Parks are a fast team, and no doubt will put up a fierce argument with the Night Owls in their initial game at 2 p.m. on old U.C.C. grounds.

The Erne-Lavigne Fight.

Buffalo, June 22.—The officials of the Hawthorne A.C. and the managers of Kid Lavigne and Frank Erne, who are to battle for the lightweight championship of the world on the night of July 3, have, up to date, failed to agree on a referee for the contest. Jack Sheehan of Boston, who is the official referee of the club, was first suggested, but for some reason the club's choice was not acceptable to Manager Kennedy. Then the name of George Siler of Chicago was proposed by the club, but Erne's manager would not agree to him. Many other well-known referees were suggested, but all were turned down. When Manager Wilson was seen to-night he said that he had left the choice of a referee to Managers Billy Lavigne and Kennedy, and that any referee with a clean record and ring experience would be acceptable to the club.

Kid Lavigne wired to-day that he would not leave for Buffalo until Saturday. He will remain with Dan Creedon, his trainer, until after the latter's fight with Joe Walcott before the Lenox Club on Friday night. "In regard to myself, I am feeling first-rate," writes the Kid to his brother Billy. "I have trained hard and Creedon has been a big help to me. I will go into the ring in as good shape as I have ever been in my life. I think Creedon will win from Walcott, and when Erne and I meet you will see the same thing happen."

Manager Wilson reports the demand for seats big. Big crowds from New York, Chicago and other cities will be at the ring side.

The Boxing Tournament.

Lovers of the sport will find what looks like the best number of boxing bouts given in Toronto in some time at the Bijou Theatre, West Queen-street, on Saturday night. The Sanchez-Baker contest, 15 rounds, is attracting considerable interest, and Baker, the Buffalo undefeated 130-pounder, will be backed liberally by a number of his admirers, who have telegraphed for seats. Walter Kelly, the well-known sporting editor of The Buffalo Courierfi regards Baker as a coming man and likely to beat Sanchez. Although the Cuban has always made a good showing, he will have his hands full with Baker, and the contest should prove a very fast and interesting one. Sanchez is in good condition. Morris Collins, who is to meet Pat Kilty at 10 rounds, arrived yesterday from Rochester, where he has been training
