FINANCIAL PROBLEM OF AID SHELTER IS CONFRONTING SOCIETY

Funds Needed to Maintain Local Home.

At the regular meeting of the Children's Aid Society on Monday afternoon the report was made by Inspector Joseph Sanders that some fifteen children have been placed in good foster homes during the past month. The shelter is crowded as it has been since early in the war, forty children being the average number cared for. Owing to the high cost of living, and the continued large demands of the work, the problem of financing is always urgent and frequently difficult. It is stated that the 365 Club fund which rendered splendid service in tiding the work over last year, has not been coming in to any extent of late, and this source of revenue, through membership in the 365 Club, is being missed. The sum of $10 entitles to membership in the club, and entitles the holder to "one day's share in the shelter."

The work of rebuilding and refitting the old wing is nearing completion, and in this connection the problem of furnishings has arisen. It was suggested recently by a board member that some of the public-spirited citizens might be glad to endow cots.

SUFFERED TERRIBLY WITH HER HEART
Would Wake Up Smothering

The terrible smothering and choking up sensations and sinking spells, the feelings of dizziness and faintness that come over those whose heart and nerves are deranged causes the greatest distress of both mind and body.

Milburn's Heart and Nerve Pills give prompt relief and effect a comple cure in cases of such severity.

Mrs. A. M. Powell, Norval Station, Ont., writes: "I cannot speak too highly of Milburn's Heart and Nerve Pills. suffered five years with my heart and nerves, but the last two years I have suffered terribly. If I went to bed I would wake up as if I were smothering. I did not get one night's sleep out of seven. I got so very weak that the doctor was called in, and he said it was my heart, and that I must take great care of myself. I saw your advertisement in your almanac for Milburn's Heart and Nerve Pills, and said I would try them. I have only taken two boxes of them and I feel a new woman. I will recommend them to anyone afflicted with heart trouble."

Milburn's Heart and Nerve Pills are 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Oriental Rum and Quinine

A preparation of merit—stimulates and restores circulation around the root of the hair—gives the hair a lustre that is both youthful and attractive.

Ladies, and gentlemen, will appreciate its benefits.

CITY BREVITIES

HELP RED CROSS—The B. Y. P. U. and members of the First Lobo Baptist Church have donated $44.46 to the Red Cross for Byron Sanatorium.

INFLUENCE OF DRESS.—"The Influence of Dress on Character" is the subject on which Rev. A. C. Bingham of the Egerton Street Baptist Church will address the regular meeting of the Chesley Avenue Mothers' Club on Thursday evening of this week.

WEEK OF PRAYER.—The Y. W. C. A. week of prayer, observed throughout the world, is being held this week. Special speakers are taking the services each day at 5 o'clock at Y. W. C. A., 187 King street. Wednesday, Rev. Canon Tucker; Thursday, Rev. W. M. Walker; Friday, Dr. Sage.

ERROR WAS MADE.—Owing to an error in the report of the case of Jones and Bodfield at Stratford in Tuesday's Advertiser, the latter name was printed as Bodenham. Pte. James Bodenham of the 4th Battalion, a former St. Marys resident, wishes it understood that he was not in any way connected with the case.

FIRST OF SERIES.—Rev. George W. Dewey, former pastor of the Empress Avenue Methodist Church, held the first of his revival services in the Wellington Street Methodist Church last evening. Taking as his subject "The Ho of the Holy Ghost," Mr. Dewey preached to a large congregation. Solos by Albert Greenlaw were much appreciated.

BANQUET THURSDAY.—A banquet will be given Thursday night at 8:30 at Wong's Cafe by a draft of the Forestry Construction Battalion, who are leaving shortly to go overseas, in honor of their commander, Lieut.-Col. W. W. Douglas. The chairman for the evening will be Pte. "Shorty" Holding. Several numbers will be given by the Forestry quartet, assisted by Pte. F. A. Lofvenglen.

AID PRISONERS' FUND.—The Wortley Road Mothers' Club held a concert last evening in the schoolroom, and a considerable sum of money was raised for the prisoners of war in Germany. There was a large attendance of the members and friends. Solos were given by Miss Rouson, Miss Terry and Mr. Chadwick; readings by Miss Metcalfe; instrumental numbers by Mr. and Miss Williamson, and national dances by four little girls.

ANNUAL RECITAL.—Announcement is made today that Thomas G. Mitchelltree, London's gifted pianist-composer, will give his annual recital on Tuesday evening next, November 20th, in Cronyn Hall. In addition to a couple of groups of his own compositions, Mr. Mitchelltree is playing compositions of the classic composers in the interpretation of which he excels, Bach, Mozart, Chopin and Schumann. The assisting artists will be Miss Dorinda Abbott, mezzo-contralto, and Grant Milligan, violinist. A genuine artistic treat is assured.

MONTHLY MEETING.—The Empress Avenue Mothers' Club held its monthly meeting in the kindergarten room of the school on Tuesday evening. An excellent program was provided. Those taking part were: Miss Rena Wade gave a reading; Miss Jarvis rendered a solo, which was well received. An instrumental solo by Miss Billington and a solo by Miss Boye were much appreciated. An added feature was selections by the ladies quartet of the Ridout Street Methodist Church. An address on the "Survey of Boy Life" was delivered by the Rev. Mr. Wright. The proceeds, which amounted to $7, will be devoted to the Christmas box fund for the boys in khaki.

ANOTHER KHAKI DANCE. — The khaki dance in the Masonic Temple last evening proved as usual a very happy event. Mrs. A. H. Clinger was convener of the dance. Music was provided by the Cortese Orchestra for the men in khaki, and the numbers of pretty girls who were much in demand for partners. While the rule made last year insisted that the khaki uniform would be the only passport for men, the button worn by returned men in "civies" is accepted as a substitute. A generous sprinkling of these men in civilian attire who have done their bit overseas, was conspicuous in last evening's entertainment.

EAST ELGIN LIBS. HOLD FINE RALLY

Candidates For Both Houses Address Gathering at Lyons.

[Special to The Advertiser.]

Lyons, Ont., Nov. 14.—A Liberal rally was held here last night, which for enthusiasm and numbers was one of the finest meetings of the kind ever held in this district. W. G. Charlton, the East Elgin Liberal nominee for the Dominion House; Sidney McDermid, the Legislature candidate, and Dr. Pickering delivered stirring addresses in support of Sir Wilfrid's policies.

ROWELL MAY BE GIVEN THE DURHAM NOMINATION

Orono, Ont., Nov. 13.—Durham Conservatives held a mass meeting this afternoon to confirm what had been done at the gathering in Port Hope on Monday, when committees from the Liberal and Conservative parties agreed to offer the nomination at the coming Federal election to Hon. Newton Rowell, president of the privy council.

LIBERTY BONDS' SALE IN STATES BELOW VICTORY'S

Figures From Similar-Sized Cities Across Line Not So Good.

LONDON OBJECTIVE HIGH

Exceeds All American Quotas, According to Data From U. S. A.

London's objective in the Victory Bond campaign and the response, even to date, not only compare most favorably with those of American cities of similar population during the recent Liberty Loan campaign across the line, but far exceed them.

Replies from American cities, secured through the news sub-committee of the London publicity committee branch of the general organization, show that London stands far above the American average.

The American cities were asked to report the total amount subscribed in the Liberty Loan campaign and the percentage of people subscribing. Some of the replies are:

Allenton, Pa.—$3,596,000; percentage not compiled.

Lancaster, Pa.—$5,185,000; percentage about 20 per cent, 10,130 having purchased the second Liberty Loan bonds.

Rockford, Ill.—$2,700,750, approximately 10 per cent.

L. H. Cooke, treasurer of the American Trust and Savings Bank, Springfield, Ohio, a city of the same size as London, wrote:

"Your letter addressed to the mayor of Springfield, with reference to our recent sale of Liberty Loan bonds, has been handed to me for answer.

"It is a pleasure to state that the amount proportioned to the city of Springfield was $1,822,100, but the city itself subscribed for $2,095,350.

"The population of Springfield is estimated to be about 60,000.

"We, however, had charge of the whole county for his campaign. The county's proportion, together with the city, being $1,605,000, but the total raised was $2,687,150.

"We think we have reason to be proud of what Clark County and the city of Springfield have done, and we will be only too pleased to answer any questions that you may wish to ask as to how we brought this result about."

With only two days of the Victory Loan campaign in the city reported on Tuesday night, the Springfield-Clark County record was beaten by nearly $200,000 by London alone.

Clark County's population is given as 65,423, yet the opportionment was $482,900, or only one-quarter of the $1,600,000 the organizers have fixed for the County of Middlesex, with a much smaller population.

Those who have seen the American figures and know the way the local campaign is going here, are more than gratified. The response of Americans was heralded to the world as a wonderful exhibition of patriotic contribution, but the Canadian Victory Loan, it is now assured, will be head and shoulders above its American cousin, the Liberty Loan.

Davenport, Iowa, together with Scott County, with respective populations 46,340 and 60,000, had an apportion of $5,000,000 assigned. This county and city campaign exceeded its quota more than three-quarters of a million. The total was $5,756,900. At the last minute of the campaign a syndicate of Davenport businessmen took $1,000,000 of the Liberty Bonds in a block. This last-minute contribution made up the deficit in the quota and left, as stated, more than three-quarters of a million to the good.

The population of Davenport and Scott are, as noted, approximately the same as Middlesex and London, and yet the quota assigned to the two municipalities was $1,600,000 (Middlesex County's share) less than the combined total for the local ones.

The following is the letter sent to the mayors of more than a score of American cities ranging in size from 41,809 to 73,302 by the chairman of the news subcommittee:

Dear,—For the purpose of stimulating interest in a bond issue here we wish to point to the good example of a number of American cities in connection with the recent Liberty Loan.

Will you be good enough to fill out the form below and return this letter in inclosed envelope, and accept my thanks.

Yours very truly,
A. A. MacINTOSH.

"VICTORY BONDS!"

Rise up, rise up, oh citizens strong,
Your country appeals to you.
Remember your loved ones at the front
Are ready to dare and do.
Oh, think of the hardships being endured
By those whom you are so fond,
Every dollar means help to them, so
Invest in a Victory Bond.

Now, blushing maidens, you can assist
And show up your spirit, loyal,
All that pin-money you've laid aside,
Lend to the cause with a smile,
For someone in France to you is true,
For someone your heart now longs,
Think of the help that will go to him
By purchasing Victory Bonds.

And you, young men, who cannot go there
To help in the actual fight,
Can stand for the cause, solid and strong,
Subscribing with all your might.
Your brethren in arms will thank you well
(For this is loyalty, too),
'Tis your country's need, your brothers call,
The bonds will carry them through.

To every man, be he young or old,
To every woman and maid,
Who answers the nation's latest call,
The service is well repaid.
Security's sure in Victory Bonds,
All Canada stands for you,
So open your hearts, invest your wealth,
To carry the crisis through.

Nov. 12, 1917. —Retlaw P. Ruprah, London, Ont.

WOMEN 'SLACKERS' IN DISTRICT SCORED IN DELEGATE'S ADDRESS AT ANNUAL CONVENTION OF WOMEN'S INSTITUTES

But Half Members Doing Work, Says One—Opening Session Draws Hundreds From Rural Communities to London Today.

Several hundred delegates, representing the Women's Institute branches of Western Ontario arrived in the city last evening or this morning for the first session of the fourth annual convention, which opened at 10:30 o'clock in the Y. M. C. A. auditorium, where all sessions are to be held.

The forenoon was devoted largely to the presentation of representative branch and district reports, these each and all telling a story of self-sacrificing effort on behalf of the Red Cross and other patriotic work, as well as the continuing and expansion of the work for which the institute was originally organized, namely, promoting the interests of home and community and the best service of home and country.

Women Slackers, Too.

With all the fine achievement reported, a statement which awakened a responsive chord in the experience of other delegates, judging from applause, was that of Mrs. Kirk, speaking for the West Huron district: "I don't know how it is in your branches and districts, but in ours it is about half the members who are doing the work. I am sorry to say we have women slackers who might be sewing and knitting for the soldiers when they are spending their time otherwise."

At the same time there was sufficient evidence that those who are working in West Huron are working well and with increasing zeal as the years of the war go by. The district institute branch in 1914-15 raised $1,000 for Red Cross and other patriotic purposes and "thought we were doing well." The next year it had $2,500 to its credit, and this past year has more than doubled the amount.

All Are Conserving.

Regarding food conservation, the statement was made: "Some signed the cards and some did not. But we are all conserving, we have to on account of the high prices."

In the report of the South Perth district, special mention was made of the patriotic service record of staff which with 41 members has done Red Cross work, etc., valued at $1,519.45.

The St. Marys branch, it was stated, is taking up the question of co-operative buying of fish.

Among features that were new or "different" in branch reports presented were the following:

Harwich Centre Branch.—Has a school visiting committee, composed of three ladies. Committee changed each month, visits the school each month, and has made suggestions in regard to making the school more sanitary and homelike.

Kingsmill.—A well-balanced year's work with something of interest for all members. First meeting of year taken by young girls; second by young mothers, and third by the grandmothers, the last excelling the others in their program.

Belmore.—Has added a new motto to its old one, "If you have a good thing, pass it along." Belmore passed a resolution recently asking the Government to prohibit the use of grain for breweries and distilleries at a time when appeals are being made for conservation of all food supplies. Special attention is given to interesting the young girls.

Bothwell.—Ninety members have taken a course in first aid and home nursing under the instruction of Dr. Annabelle McEwen of London.

Clifford.—Has a library to which $25 is spent each year. Leading magazines are subscribed for, and these are accessible to the members.

Rodney.—Has every member working, enrolled on one of the numerous committees, into which the branch is divided. Fifty members have taken the course in first aid and home nursing under the instruction of Dr. McEwen.

Can Make Farms Pay.

A feature of the first session which created much interest was a review of the first year's work of the London Women's Gardening Association, presented by the president, Miss Carling. At the close, Miss Carling voiced the hope that the work begun with result in many women and girls taking up intensive farming, such as poultry-raising, bee-keeping, fruit growing, market gardening, etc. She stated that an authority on the staff of the dominion department of agriculture had estimated for her benefit that three women working together at intensive farming on a small farm, say ten acres, could make it pay. She referred to the possibility of many girls who have acquired a taste for "work on the land" through community gardening, marrying returned soldiers who will eventually settle on the land, and the consequent value of the knowledge acquired through community and city lot gardening.

George A. Putnam, superintendent of the Ontario Provincial Women's Institute, named a nominating committee, as follows: Mrs. George Edwards, Komoka; Miss McIntosh, Parkhill; Mrs. Medd, Blenheim, and Dr. Backus, Aylmer.

Mrs. Neil Grant presided this forenoon, and at the afternoon session, which opened at 1:30 o'clock, Mrs. J. M. McCallum, Shakespeare, is the presiding officer.

Rev. R. G. Peever, B. D., conducted devotional exercises, after which Mrs. Donald McLean, president of the Women's Canadian Club, welcomed the delegates, Miss K. McIntosh, Parkhill, replying.

Features of this afternoon's meeting are the report of the provincial work by Mr. Putnam and an address by Dr. Hill, M. O. H., on "Communicable Diseases."

Tea and Reception.

A program of much interest has been arranged for the reception, and tea at Smallman & Ingram's dining-room, to be tendered at 4:30 o'clock by the city of London and Women's Canadian Club.

The session this evening in the Y. M. C. A. auditorium at 8 o'clock will be open to the public. Addresses are to be given by Dr. Anna Backus, Aylmer, and Sir George Gibbons, and music will be furnished by E. Webster, baritone, and the Elgar Ladies' Quartet.

A trip has been arranged for the delegates for Thursday afternoon to the Byron Sanatorium for Tuberculous Soldiers, the institute branches from each county represented having contributed to the furnishing of the new building.

SPARKS FROM VICTORY LOAN METEORIC COURSE IN LONDON

"I have some money in trust for my boy and I want to turn it into Victory Bonds," said one father last night at headquarters. He is only one father of many who is ensuring the future of his son by buying Victory Bonds.

Hats off to T. B. Parkinson and his team for yesterday's high mark. They sure have the right idea. Mr. Parkinson has wiped out his insurance sign opposite the Dominion Savings Building and substituted the following: "For Country and Home. Buy Victory Bonds." Maybe it helped.

Two women walked into headquarters yesterday, one intending to buy a bond. After filling out her application, she suggested that her friend buy a bond. "It's an ideal way to save," declared the first woman, and is surely is.

Convertible bonds from the last loan do not count as far as London's present objective is concerned. Of the London Life's large subscription $300,000 is for conversion, while $500,000 is new Victory Loan money.

Buy a baby bond for baby.

When buying bonds for babies the applicant must apply only for these in trust where the bond is to be registered. If the intending subscriber will read the application form over carefully before filling in the information called for, he cannot possibly go astray.

Movie fans are well up on Victory Bond information. The fans are treated to four-minute speeches each evening, as well as the Victory film. John Cottam has been speaking at the Patricia, while E. R. Dennis has been boosting bonds at the Grand. There will be speeches at the Majestic later on in the week.

Sir George Gibbons will address the Women's Institute convention tonight at the Auditorium on the advisability of buying Victory Bonds. Rev. W. R. McIntosh spoke to the women on the same subject this afternoon in Smallman's tearoom.

At the rate the salesmen are securing applications for bonds there will be more people in London wearing Victory Loan buttons at the end of the week than those without.

The total amount subscribed for in Ontario is $16,000,000. London has subscribed about 20 per cent of this amount. Not so dusty. But London will do better before the campaign closes.

London's amount would be larger but for the fact that some of the applications have not been filled correctly. However, this is being rectified.

A woman called at headquarters yesterday afternoon and explained that although she had an invalid son of 34 years of age and a son fighting at the front, she deemed it her duty to buy a bond, and she did.

Your $50-bond looks just as good to the Government as a capitalists's for $10,000. The Government wants YOU to invest.

Between 600 and 700 Londoners have already bought bonds. This beats the total of all previous numbers of subscribers in this city for war loans.

Are you superstitious? Here's a young lady that is; but she's going to get her bond anyway. "I won't buy today, it's the 13th. Tomorrow I won't be home. I wouldn't dare buy one on Friday. Come Saturday and I'll double the amount.

J. J. Foote of headquarters asks that all purchasers of bonds wear the buttons that are given with every application. The owner of a $500 bond gets no larger a button than the man that buys a $50 one.

The women and children are certainly out to help the country. One salesman reports that out of his seventeen applications Wednesday, fourteen were from women and children.

County headquarters expect a large number of applications in today's mail. A large number of Monday's rural applications have yet to reach headquarters.

It may take a lot of money to run a large family, but eight members, the entire crew, of one household all applied for a bond.

VICTORY LOAN U-BOAT ON WAY TO MONTREAL

Montreal, Nov. 14.—The German submarine, which is being brought from New York to this city in connection with the Victory Loan campaign is expected to arrive at this port today. She is coming in three sections on huge

UNABLE TO VOTE, BUT FORCED INTO SERVICE

Vancouver, B. C., Nov. 14.—Of six or seven hundred Hindus here, nearly one hundred are in class A under the military service act. A deputation from them told Registrar Lennie, while declaring the loyalty of the Hindus, claimed exemption, as they had been denied the right to vote or to bring their wives and children into the country. The registrar told them he could not alter the law.

COWLEY FOR LAURIER.

Macleod, Alta., Nov. 14.—D. G. McIvor of Cowley, was nominated Laurier Liberal candidate of MacLeod riding at a convention held here Monday night.

UNIONIST FOR MACKENZIE.

Yorkton, Sask., Nov. 14.—John F. Reid of Orcadia, was unanimously nominated as Unionist candidate for MacKenzie constituency at a convention held at Canora Monday. Mr. Reid is a member of the executive of the United Grain Growers, Limited.

INDIAN SOLDIER OF 70TH REPORTED WOUNDED FOR FOURTH TIME IN WAR

Advertiser Illustrations

PTE. ROY SCHUYLER.

CASUALTY LIST OF CITY AGAIN OMINOUSLY LONG

London Boys Overseas Hard Hit in Recent "Pushes" by Haig.

LIEUT. MURRAY WOUNDED

Popular Former Officer of London's Own Listed as Having Been Hit.

Not for some time has there been such a number of casualties reported in London and district as during the past few days. The constant driving tactics of the British forces are undoubtedly responsible for the ever-growing list of these Londoners, who have been either wounded, died of wounds or killed in action.

Lieut. Murray Hit.

After having been in France since April last, Lieut. Joseph Murray, son of James P. Murray, of the postoffice inspector's staff, this city, has been wounded, a message to this effect having been received by his parents on Tuesday.

Lieut. Murray received his wound at Passchendaele village on November 6, during the attack which resulted in the capture of the village by the first division of Canadians. He left London with the 142nd Battalion, and went to France in April last. On June 1 he was made scout officer of the 1st Battalion, and went through the engagements at Vimy Ridge, Fresnoy, and Farbus, and later accompanied his unit when it went to Belgium with the other Canadians in October.

A brother, Lieut. Thomas Murray, returned to London only a few weeks ago, after serving a year and a half in France as second in command of the 11th Canadian Machine Gun Company.

Second Time in List.

Word was received from Ottawa by Mrs. J. Anderson, 284 Simcoe street, that her son, "Jack" Anderson, had been admitted to No. 4 Field Ambulance Hospital suffering from a gunshot wound in the left leg. This is the second time he has been wounded, the first time being on July 10, when he was shot in the arm and leg. He had only been back to the trenches a few days when he suffered the second wound. He was 21 years old on October 21. Prior to enlisting with the 142nd Battalion, he was employed at Mitchell's cooperage.

Reported Missing.

A telegram was received by Joseph O'Hara, 696 Waterloo street, that his son, Pte. Joseph Gerald O'Hara, had been reported missing since October 26. Pte. O'Hara enlisted with the 110th (Perth) Battalion, and has been in France for the last eight months. He was 21 years of age, and before enlisting was employed by the G. T. R.

Presumed Dead.

Word has been received in the city that Pte. Edwin Staples, who left London with the 142nd Battalion, is for official purposes presumed to be dead. Pte. Staples was originally reported missing at Vimy Ridge, and because no subsequent word regarding his whereabouts could be obtained the war office informed his father, E. P. Staples, who is now living in England, that the young soldier is probably dead.

Friends of Pte. Staples received word from the young man's father today, informing them of his death.

Mr. Staples asked the recipient of the letter to convey the news of his son's death to the many London friends of the young man.

Seriously Ill, Too.

Mrs. Mary Hamilton, 263 Horton street, has received an official notice that her son is wounded in the thigh and is seriously ill. He left London with the 70th Battalion.

Pte. Brown.

Wounded for Fourth Time.

For the fourth time Pte. Roy Schuyler, one of four Indian brothers who enlisted with the Canadian forces, has been reported as wounded. An official message was received by his mother at 566 William street, that he had been admitted to No. 24 General Hospital, Etaples, on November 1 suffering from gunshot wounds in the left shoulder and legs.

Pte. Schuyler was the only Indian soldier in the 70th Battalion. He had only been back in the trenches three days, after a two weeks' leave in Paris, when he was struck for the fourth time. The other three wounds received were not serious ones.

Pte. John Schuyler, who enlisted with the 135th with another brother, Pte. Eugene, since returned to England from the trenches as being too young, has been killed in action. Pte. Edward Schuyler enlisted with the 114th and is still in the trenches.

Two brothers-in-law, Sergt. Alex. Nicholas, who went over with the 135th and Pte. Ben Reynolds of the 70th, are still in France.

Dies of Wounds.

Robert Temple, 145 Waterloo street, has been officially notified that his son, Gunner Robert Hope Temple, died of wounds in the second casualty clearing hospital on November 7 from multiple gunshot wounds.

Gunner Temple.

Gunner Temple was a tinsmith at McClary's before he enlisted with the 53rd Battery, and went overseas with a draft a year and a half ago. He was born in London 22 years ago, dying just two days before his twenty-second birthday.

In addition to his parents, he is survived by one brother, Peter, of Silverwood, Michigan, and three sisters, Mrs. Frank Burridge of this city, and Misses Eva and Ethel at home.

Lieut. John Talbot Prisoner.

R. D. McDonald of 471 Waterloo street, was officially notified last evening that his son, Gunner Harold E. McDonald, is in the hospital at Letreport, France, with gunshot wounds in the shoulder and face. He is 21 years old, and prior to enlisting with the 63rd Battery was on the staff of the Merchants Bank.

Gunner McDonald Wounded.

Word was received yesterday by John Talbot of the North River Road that Lieut. Fred Talbot, formerly reported of missing, is in a German prison camp.

Lieut. Talbot enlisted here with the 7th Mounted Rifles, with which he went overseas. He later took an officer's course in England, and qualified. He recently joined the Aviation Corps. Before enlisting he was employed by the Canadian Smallwares.

Sister Not Notified.

Although his sister, Mrs. Robert L. Tuckey of Hyde Park, has never been officially notified, Lance-Sergt. D. S. MacArthur, 153,650, has been reported in the press casualty list as died of wounds.

An appeal to the director of record, Ottawa for information brought the reply that he had died at No. 3 Australian Casualty Clearing Station on October 26, of penetrating gunshot wounds.

The dead soldier enlisted in Winnipeg, although he was a Lobo old boy. He had been wounded on the Somme before. At this time Mrs. Robert L. Tuckey was notified of his casualty.

Mrs. Bond, 469 Hamilton road, has been notified that Pte. R. H. Brown was wounded on October 20 with gunshot wounds, his left leg being fractured. Pte. Brown went overseas with the 70th Battalion and has been on active service in France for more than a year.

"SPELL" IN GOSPEL IS EMPHASIZED TOO MUCH, HE DECLARES

Evangelist Thompson Says Many Forget the "Go."

LITTLE WORDS IMPORTANT

Gospel Centres Round Them, Though Big Words Cause Wrangling.

"Some people forget all about the 'go' in 'gospel.' They emphasize the last part of the word, and religion is more of 'spell' to them."

"The Bible that is not put into practice is like a cookbook that never bakes a cake."

"The Bible tells you where the treasure is, but it expects you to do the digging."

"The same symbol that stands for the word 'I' stands for the figure one. Some people are better represented by an O. Yet when a one gets in front of six naughts it makes a million."

The above are excerpts from Gordon V. Thompson's talk on "Big Little Words" at the Colborne Street Methodist Church last night. Theologians had wrangled over such words as predestination, baptism, condemnation, and had wasted much scholarship in discussing their meaning and limitations, he said. Oftentimes there was more thought in little words that were so quickly passed over.

The evangelist spoke on the three words, "I," "hath" and "do," and showed how the gospel was centred around these three little words. The word "I" stood for all kinds of people, though it meant more when Jesus used it than when used by any other person, even Caesar or Napoleon. The word "hath" meant that salvation was a present fact, not something to be accomplished in the future. The word "do" was the secret of happiness and success in the Christian life. Religion not put into everyday life was worthless.

Tonight the evangelist gives his address on the "Unpardonable Sin." The meetings are open to everybody, and many attend who are not regularly connected with Colborne Street Church. Five cottage prayer meetings were held this afternoon in homes in the vicinity of Colborne Street Church.

VOICE OF THE PEOPLE

A Reply to Mr. Jarmain.

To the Editor of The Advertiser:

It may be of interest to your readers to know that C. E. Jarmain is bookkeeper for E. R. Dennis, who for many years has been active in the Conservative organization. Mr. Jarmain suggested in a letter to your paper last night that George S. Gibbons and Lieut.-Col. Coles should retire to permit the election of Major Cronyn by acclamation. The public may draw its own conclusions, with this this to assist them: Mr. Jarmain seemed at pains to make plain that he resided on Erie avenue, although no doubt the letter was written in "business" hours. Perhaps you can tell if the letter was written on Mr. Dennis' paper and whose stenographer wrote it for Mr. Jarmain.

This was not the first time acclamation has been suggested; but on the first occasion it was done at the proper time, before the candidates were all in the field, and some of the money which Mr. Jarmain would put into Victory Loan bonds already spent by the various organizations. It was then urged that Mr. Gibbons should be allowed to have the seat. Now, as to Victory Bonds. As a Labor man I am of the opinion that the Labor-Liberal candidate and Major Coles would not be able to buy any great amount out of their campaign expenses. Who then is going to spend all this money?

Yours truly,
L. FLANAGAN,
666 Colborne street,
London.

London, Nov. 14, 1917.

INCREASE SHOWN IN INFECTIOUS CASES DURING PAST WEEK

Colder Weather Adds to Number in London.

With the coming of colder weather an increase in the number of cases of infectious diseases is reported. For the week ending November 10 26 cases were reported, two of chickenpox, four of diphtheria, five of septic sore throat, seven of measles, one of scarlet fever, two of tuberculosis, and five of whooping cough. That brings the number to 58 at the end of the week. Of these seven were chickenpox, seven diphtheria, eight septic sore throat, seventeen measles, one scarlet fever, one typhoid fever, sixteen whooping cough, and one cerebro-spinal meningitis. Twelve cases were treated in the isolation hospital the rest at home. There were 32 houses under quarantine.

An Easy Way to Get Fat and Increase Weight

The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with greasy foods; rubbing on useless "flesh creams," or following some foolish physical culture stunt, while the real cause of thinness goes untouched. You cannot get fat until your digestive tract fully assimilates the flesh-making material in the food you eat.

Thanks to a remarkable new discovery in scientific nutrition, it is now possible to combine into simple and highly concentrated form the exact food elements needed by the digestive organs and to convert them into rich, fat-laden blood. This master stroke of modern food chemistry is called Saltogyn, and has been termed the greatest of flesh builders. Saltogyn not only feeds the stomach with a tremendous amount of fat-making food material in highly concentrated form but in addition enables the stomach to literally soak up the fattening elements of your daily food and pass them into the blood, where they are carried to every starved and broken-down tissue of your body. You can readily picture the results when this amazing transformation has taken place and you notice how your cheeks fill out, hollows about your neck, shoulders and bust disappear and you take on from ten to twenty pounds of solid healthy flesh. Saltogyn is a food and contains no drugs of any kind, is absolutely harmless, inexpensive and efficient. Standard Drug Company and leading druggists everywhere have it and will refund your money if you are not satisfied with the results it gives as per the guarantee found in every package.

CAUTION.—While Saltogyn has given excellent results in the treatment of nervous indigestion, it should not be taken longer than five days at a time by those who are not willing to gain at least ten pounds in weight.—Advt.
