British Grain Trade.

LONDON, June 30.—The Mark Lane Express, in its weekly review of the British grain trade, says: The weather has been exceedingly favorable for earing wheat, especially in the south-west. Oats promise well. Barley is less regular, having fared badly in places. May English wheat is firm, owing to a scarcity of samples. The sales of English wheat for the past week amounted to 49,944 quarters at 32s 8d, against 44,229 quarters at 32s 9d for the corresponding week last year. Flour was inactive, sometimes declining. At Liverpool there was a decline of 3d to 6d per sack on American. Punjaub advices are that the last yield of wheat is 2,000,000 quarters below the previous yield. Oats and corn have been steady. To-day business was more animated. Reports of the scarcity of good English wheat caused an advance of 6d to 1s. Foreign wheat was in request and prices were firm; white advanced 6d. Flour was steady. Barley was somewhat neglected. Corn is stiffening. Oats were 3d to 6d cheaper. Beans and peas were steady.

LOCAL MARKETS.

Reported by A. M. Hamilton & Son.

LONDON, Wednesday, July 2.

WEEKLY REVIEW.

An unsettled trade characterized the past week, in grain particularly; the supply was light and the demand moderately good. Buyers seemed to look for easier prices, but the offerings were not sufficiently large to allow any room for reducing values. Prices were all out of proportion compared with other markets.

Oats closed a shade off at $1 10 to $1 12.

Wheat steady at 90c to $1 10 per bushel and 100 pounds respectively.

Peas showed little strength; the inquiry and supply were both small and prices easy at 93c to 95c.

Barley and corn are nominal.

Beans—One sale of unpicked was made at $1. No prime picked came forward; the price would run $1 25 to $1 35.

Provisions were steady at about same values as last week, with very little change in any line.

The receipts of wool were good and prices firm at 20c to 22c for usual good quality.

The last transaction led to the arrest of Fenner as the guilty one. He was committed for trial.

A large crowd assembled in Tecumseh Park last evening to "take in" the triple attraction announced to come off there. The park was brilliantly illuminated, and all enjoyed themselves, the evening's programme forming a fitting finale for the grand demonstration of the morning. The Seventh Band rendered an impromptu programme of catchy airs with a few more weighty selections thrown in as a balance, while a chorus of school children under Mr. Barton filled the park with the sweet melody of their fresh and youthful voices. The H. Y. M. S. The evening was all that could be wished for as the number in attendance testified. The music supplied by the XL Harmonics Band and Mr. W. Corbin, flute soloist, was very much appreciated. Ice cream, strawberries and fruit were in abundance, but all disappeared in a short time as also did a tarantula, which Mr. Ernest Fewings had the pleasure of feeling on his hands. The young men cannot express in words their appreciation of services rendered by the Ladies' Aid of Talbot Street Church.

GRAVENHURST, Ont., July 2.—Wm. Brown, an insane person, strayed from De Blaquiere's mills at Leg Lake early Monday morning. Yesterday morning he entered a field owned by Thomas Robinson, a farmer situated in the township of Morrison, four miles from this place. It was raining at the time. Brown
