ANOTHER VICTORY FOR McGILL.

McGill and Varsity played yesterday under favorable conditions, the crease being in better shape than previously. Many spectators were present and enjoyed a splendid game. Three varsity men played well for double figures, four McGill men reaching double figures, all playing in good form. The fielding was good. McLachlan made a magnificent catch off Greening at long on. Hainsworth bowled well, taking six wickets for 13 runs. A splendid game will be witnessed at varsity to-day, McGill meeting an all-Toronto team.

GOLDEN WAY WON THE CUP STEEPLECHASE AT HAMILTON

Three Firsts for Favorites—New Track Record by Et Tu Brute.

A card of four $300 purses and the Walker Cup Steeplechase, $550, made up the Friday program at Hamilton. The feature was won easily by F. H. Daley's Golden Way, cleverly ridden by Gee, who schooled the jumper all spring. He showed in front soon after the start and without a mistake increased his lead to 20 lengths at the finish. Prince David made a play going to the last field jump, but the leader responded gamely. Provost was third, galloping two lengths in front of Arquebus. The play was on the second and third horses, Provost starting favorite. Three first choices were the winners. The opening event was easy for Bazil. Olerosa a head of Hockey Rink. They finished as they were played.

Chatelaine didn't run up to her former races and finished out of the money in the second race. Euclaire led all round and galloped home to land the wise money. The Globe second and Fanny Blazes third.

Easy Street at odds-on just stayed long enough for the verdict over Little Boy in the third, Cherry Blossom alone in third place.

The last was a close fight for the first three, Panella getting it in a drive, Dynasty securing the place from Alpaca that found the distance a little long. The jumpy track made the going troublesome.

Considerable sympathy for Jimmy Walsh, set down for his ride Thursday on Miss Morgan, was expressed by horsemen at the track, who believe that the jockey got all there was in the mare. Asked if he would recommend the revocation of the 60 days' penalty, Mr. Dyment said that he might consider it, tho he blames Walsh for his filly's defeat. She could have won by lengths and he rode contrary to orders, is Mr. Dyment's summary of the incident.

Royal Canadian Yacht Club.

The new R.C.Y.C. wharf is now completed and the club launch Hiawatha is making hourly trips. So soon as the weather becomes settled she will take up the usual time-table.

The island club house is now open and ready for guests, having been thoroly equipped for the comfort of members. It is expected that this season will be a banner one at the island, as the chef is a very experienced man, and is sure to give satisfaction.

The club chambers are now ready and are inviting in every way for any member who wishes to make a change for the summer.

On Saturday, 11th, the R.C.Y.C. has the cruising race, postponed from the 4th, the fleet being divided into two divisions, the first division 35-footers and over, the second all under 35. It is expected there will be a fine turnout for this race.

The fleet manoeuvres for Saturday have been postponed indefinitely.

Besides the cruising race, there will be 16-foot skiff and 12 and 14-foot dinghy races. We note a very deep interest being taken in these 12 and 14-foot dinghy races by the boys, which is exceedingly satisfactory to the "old boys" of the club, as it affords them great pleasure to watch the dexterity with which they handle their little craft.

M. R. Gooderham's 16-foot ballasted boat is now moored outside the club, alongside the Little Nell of the same class. Great interest is being taken in this class, as it is expected they will show great racing qualities.

There will be a series of dances at the island this season, the first commencing on June 20, and continuing every fortnight until Sept. 12.

Queen City Races To-Day.

The Queen City Yacht Club will this afternoon hold the initial race in the new 16-foot ballasted class of the T.S.S.A. There will only be two entries, George Gooderham's Little Nell and Ross Gooderham's new Hamilton Queen boat. Both are from the designs of prominent American naval experts and the race will be keenly watched by L.S.S.A. men, who are anxious to see the new class perform. Col. Lee of the National Yacht and Skiff Club will start a race for mackinaws at 2.30 over their lake course.

Island Amateur Aquatic Association

The Island Amateur Aquatic Association will hold their annual meeting this month. The association now commences its seventeenth year. The weekly dances will begin in July, and will be held on Fridays evenings as before. The weekly sports will be held on Wednesday evenings, and the annual regatta will take place in August. The opening "at home" of the season will likely be held about the first week in July. The primary objects of the I.A.A.A. is, and has been, the encouragement and promotion of aquatic sports, but closely allied to this is a social side, and the weekly dances have contributed quite a little in the past years to make the Island life more pleasant and enjoyable. The association has also a charitable object, and its members have every year been contributors to the Lakeside Home Institution, which seeks to alleviate the sufferings of little children. The date of the annual meeting and weekly dances will be announced very shortly.

Association Football.

The Central Y.M.C.A. beat the Crawfords last night at Stanley Barracks in the final league game, by 2 goals to 1, to win the Central Y.M.C.A. team: Goal, Armstrong; backs, Brent, Green; halves, Browning, Weller, Hunnisett; forwards, Mitchell, Bulmer, Hewitson, McLeod, Taylor.

All Saints' juniors will practise in Sunlight Park this afternoon at 4 o'clock. A full turnout is requested.

The final game in the M.Y.M.A. on the Broadview grounds last night resulted in a victory for the Euclids over Sherbourne-street by 1 to 0. The winners lined up as follows: Goal, Jessiman; backs, White, Spence; halves, Little, White, Roe
