Poetry.

THE HAPPY DAYS!

The happy—happy days of old,
Ah! whither have they flown?
Our mirth and merry-heartedness,
Are they for ever gone?
The song, the laugh, the cheerful dance,
The village green upon?

The good old open English heart,
The manly heart, and free,
Where love of king and country dwelt,
The filial piety;
And many, many firm old ties
Of kindred charity?

Where are they all?—the joy and peace
Our early year have known?—
There's trouble in the lowly cot,
There's trouble on the throne:
Our heart is sick of hearing still
The sound of grief and moan.

The earth is like a drunken man,
Who staggers to and fro:
No rest, no place of rest, where'er
The weary foot may go:
But all is like a scroll, inscribed
With characters of woe.

Suspicion dwells, where love alone,
A brother's love, should be:
And Judgment foul usurps the place
Of Christian Charity,
Unkind, unfeeling, envious
Of worth and high degree.

No marvel that around we hear
The universal cry,
"Who now can show us any good:
Who'll show us any joy?
Who'll give us back the days of old,
The happy days gone by?"

Ah! ask them not, expect them not,
From anything around,
Gaze not upon the weary earth;
Hope springs not from the ground!
'Tis from above that every good
And perfect gift is found.

O! beautiful, *still* beautiful
The feet of those who bring
Glad tidings to Jerusalem,
And say "Behold thy King!"—
O! faint and weary Christendom,
Why art thou languishing?

Look up, and see! The Lord of Hosts
He is thy Saviour still;
Waiting with blessings in his hand,
The weary soul to fill,—
Peace to the men of peace he speaks;
And unto all good-will!

We look for peace:—and *He* too waits
The *men of peace* to find,—
Where are the hearts to comprehend
His own most gracious mind?
Where are the feet to carry forth
His love to all mankind?

Oh why should hearts that ought to love
Be held in loveless thrall!
Why burst we not the chains of death,
Obedient, at his call?
Why judge we any more, when He
Has said, judge not at all!

Yes, not at all! He judgeth not;
His judgment is not set:
Before the Father's throne for us
He intercedeth yet;
Accusing none condemning none,
Accounting no man's debt.

So let it ever be with us,
Rejoicing still to share
His ministry of grace, and one
Another's burden bear;
Still overcoming wrong by love,
And everything by prayer,

Bear with the poor—they've little joy;
Their faults with pity view;
Bear with the rich—be sure that wealth
Has trials not a few:
Bear with the rulers, tho' oppressed—
They have their burdens too.

Ah! none can tell how oft, unseen
The royal mourner kneels,
And unto God—the poor man's God—
His hidden grief reveals;
Who only knows what sorrows oft
A purple robe conceals.

Then let us live in *love*; and wait
To see these clouds unfold:—
Still near us may the eye of faith
The door of hope behold:
He lives—who was the strength of all
The happy days of old!

* "He rent his clothes and passed by upon the wall, and the people looked and behold, he had sackcloth within, upon his flesh."—2 Kings vi. 30

HOLLOWAY'S OINTMENT.

EXTRAORDINARY CURE OF A CASE

ABANDONED BY

Guy's, the Metropolitan, King's College, and Charing Cross Hospitals.

SUMMARY OF AFFIDAVIT.

Wm. BROOKE, Messenger, of 2, Union street, South wark, London, maketh oath and saith, that he (this deponent) was afflicted with FIFTEEN RUNNING ULCERS on his left arm, and ulcerated sores and wounds on both legs, for which deponent was admitted an out-door patient at the Metropolitan Hospital, in April 1841, where he continued for nearly four weeks. Unable to receive a cure here, the deponent sought relief at the three following Hospitals:—King's College Hospital, in May, for five weeks; at Guy's Hospital in July, for six weeks; and at Charing Cross Hospital, at the end of August, for some weeks more; which deponent left, being in a far worse condition than when he had quitted Guy's, where Sir BARNSBY COOPER, and other medical officers of the establishment, had told deponent *that the only chance of saving his life was to LOSE HIS ARM!* The deponent thereupon called upon Dr. Bright, chief physician, of Guy's, who, on viewing deponent's condition, kindly and liberally said, "*I am utterly at a loss what to do for you! but here is half a sovereign; go to Mr. HOLLOWAY, and try what effect his Pills and Ointment will have, as I have frequently witnessed the wonderful effects they have in desperate cases. You can let me see you again.*" This unprejudiced advice was followed by the deponent, and a *perfect cure* effected in three weeks, by the use alone of HOLLOWAY'S PILLS and OINTMENT, after four Hospitals had failed!!! When Dr. Bright was shown by the deponent, the result of his advice and charity, he said, "I am both astounded and delighted, for I thought that if I ever saw you again alive, it would be without your arm. I can only compare this cure to a charm!!!"

Sworn at the Mansion house of the city of London, this 8th day of March, 1842. } WM. BROOKE.
Before me, JOHN PIRIE, Mayor

IN ALL DISEASES of the Skin, Bad Legs, Old Wounds, and Ulcers, Bad Breasts, Sore Nipples, Stony and Ulcerated Cancers, Tumours, Swellings, Gout, Rheumatism, and Lumbago, likewise in cases of Piles, the Pills, in all the above cases, ought to be used with the Ointment; as by this means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bites of Musquitoes, Sand-flies, Chiego-foot, Yawns and Coco-bay.

Burns, Scalds, Chilblains, Chapped Hands and Lips also Bunions and Soft Corns, will be immediately cured by the use of the Ointment.

THE PILLS are not only the finest remedy known when used with the Ointment, but, as a General Medicine there is nothing equal to them. In Nervous Affections they will be found of the greatest service. These Pills are, without exception, the finest purifier of the Blood ever discovered, and ought to be used by all!!!

Dr. W. F. Evans's Pain Killer.

No medicine has been discovered that is so happily adopted to the internally as drops to be taken and yet perform such wonder when applied externally, as a wash, bath, or by friction.

"THIS PAIN KILLER" may be used with a success that will astonish the beholder, in such cases as the following:—Distressing Dysentry, Pain in the side and stomach, Corns, Cuts and Bruises Cholera, Infantum, Bronchites, Healing sores on man or beast.

Children Teething, Raising Blood, Hoarseness, Quinsey in a few hours, Chilblains and frosted feet, Spasms, prevent a Blister from Burns, broken Breasts, Measles, Cramps, hurts, scratches or torn Flesh, bites or stings.

In very foul stomachs it may cause vomiting.—So much the better, the stomach will be cleansed and the next dose will settle the sickness.

CERTIFICATES to fill a volume might be published, showing the wonderful effects of the "Pain Killer" but they are too common, and used for articles of no merit. We insert but a few but they are to be depended upon:—

This will certify that I have used the "Pain Killer in my family for headache, toothache, rheumatism, dysentry, &c. and believe it to be a first rate medicine.

Chloroform Tooth ache Drops.

It is well known that "CHLOROFORM" has superseded (in a great measure) the use of ETHER as an allayer of pain and is now used by the best Surgeons and Dentists in preference. A Celebrated Chemist, (and one of the first manufacturers of Chloroform) has discovered that "Chloroform" with other simple preparations, will instantly cure the TOOTHACHE. After testing it in many cases has never failed to give instnt relief; there is no possible danger in using it, as it will not injure the sound teeth a particle. All that is necessary in using these drops is to saturate well a bit of cotton or lint, and place it in the cavity of the tooth Relief will be immediate.

TRIUMPHANT SUCCESS OF

Buchan's Hungarian Balsam of Life,

THE GREAT ENGLISH REMEDY FOR

Colds, Coughs, Asthma, and Consumption.

THE most celebrated and infallible remedy for Colds, Coughs, Asthma, and every form of Pulmonary Consumption, is the HUNGARIAN BALSAM OF LIFE, discovered by that eminent medical chemist, Dr. Buchan, of London, England, and extensively known as the "Great Eastern Remedy."

It has been tested for upwards of seven years in Great Britain and on the continent of Europe, where it is universally considered the great, and only remedy for this awful malady, and now introduced to the public under the immediate superintendence of the inventor. Within three years it has been distributed from Maine to Florida, and from Canada to Wisconsin, and its effects are every where alike ASTONISHING AND TRIUMPHANT.

As a preventive medicine, and an antidote to the consumptive tendencies of the climate, it is invaluable. As a remedy for severe and obstinate coughs Inflammation of the Lungs, croup, &c., it is unrivaled. But the Proprietors are so confident of the merit of this great remedy, in the worst forms to consumption, that he prefers to have it used by the DYING INVALID, rather than by persons afflicted with some simple and less dangerous disorder of the throat and lungs:—this may seem strong language, but it is the result of experience in thousands of cases, sustained by the most intelligent and unimpeachable testimony. It is not pronounced an infallible remedy in all cases, but it is THE MOST INFALLIBLE remedy known to the civilized world. It is the best preventive of hereditary consumption—it is the best defender against the influences of climate—it is the best remedy for incipient consumption—and it is the great and only remedy for that fearful *softening of the lungs—inflammation of the membrane, and tuberculous decay*, which are the last effects of that dreadful scourge, and which are erroneously supposed to be beyond the reach of medical aid:—the agent or proprietors of other and farther beyond the reach of hope.

Such is not the case with the Hungarian Balsam It is always salutary in its effects—never injurious It is not an opiate—it is not a tonic—it is not a mere expectorant. It is not intended to lull the invalid into a fatal security. It is a great remedy, a grand healing and curative compound; the great and only remedy which medical science and skill has yet produced for the treatment of this hitherto unconquerable malady. It is in fact the *best remedy in the world!*

[From the John Bull, newspaper, London.]

There is certainly some mysterious and occult virtue in the famous "Hungarian Balsam of Life which the medical faculty are unable to discover or Dr. Buchan would not be permitted for so many years to enjoy the magnificent monopoly of the treatment and cure of Consumption in Great Britain. No satisfactory analysis of this famous compound has ever, to our knowledge, been offered to the public.
