LOCK THE DOOR IN TIME!
Some people make great haste to lock the door when the steed's stolen.
That's the kind of wisdom that lands men in the work-house.
That's the kind of wisdom which is so wonderfully prescient when everybody already knows all about it.
Some people only wake up to the value of health when it is already undermined.
Then they will listen to you. Then they will take any kind or quantity of medicine you prescribe.
Check the first beginnings and you have no serious element to deal with.
How many serious, how many fatal illnesses have had their origin in a neglected cold?
Harvard Bronchial Syrup
Is the most effectual remedy for Colds, Coughs, and Sore Throats ever offered to the public. It is so pleasant to take that the children like it. It is so searching in its effects that the most obstinate colds yield to it. Tried in thousands of cases both by old and young, it has never failed.
Harvard Bronchial Syrup has been prepared with an intelligent regard to the exact necessities of the affections which it is intended to heal. Most of the prominent men in Canada have gratefully testified, from personal or family experience, that it realizes every claim put forward. Try it and you will gladly offer your testimony in its favor.

Probable Early Settlement of the Behring Sea Trouble.

WASHINGTON, March 11.—The Behring Sea negotiations have taken a favorable turn, and it is reported that the Governments of Great Britain and the United States have at length reached a basis upon which to settle their difficulties.

LONDON, March 11.—The Standard, commenting on the Behring Sea papers, says: "Both nations will rejoice to know that the differences have narrowed until they have reached a shape at which both sides can agree to arbitrate."

The Times says: "It is difficult to imagine that Mr. Blaine can persist in keeping the quarrel open after Lord Salisbury has accepted the bulk of his own proposed terms for a conference, or can make it a grievance. The terms declined have been shown to be manifestly unjust to England. The result of the Canadian election following the popular reaction against the new tariff law in the United States may induce him to reflect that more success is to be gained by fair and amicable dealing than by high-handed actions and tall talk.

Successful Test of a New Gun.

LONDON, March 11.—The test at Shoeburyness of the Salingski pneumatic gun built for the Victoria Government was a pronounced success. Four thousand yards range projectiles were thrown into a rectangle two and one half yards long and one and one half yards wide.

Some Foolish People

allow a cough to run until it gets beyond the reach of medicine. They often say: "Oh, it will wear away," but in most cases it wears them away. Could they be induced to try the successful medicine called Kemp's Balsam, which is sold on a positive guarantee to cure, they would immediately see the excellent effect after taking the first dose. Price 50 cents and $1. Trial size free. At all druggists. ywt

An Eye-Opener for Connoisseurs and Others on Imported Cigars.

As it well known to all tobacco dealers that the Vuelta Abajo district is conceded to be the finest on the Island of Cuba, and that no tobacco is equal in quality or commands as high a price on the market, we wish to inform the connoisseurs of imported Havana cigars that seven-eights of the imported cigars brought into the county are not of Vuelta Abajo tobacco. In order to convince the public that we are sincere in what we state, we will pay to the charitable institutions of this city the sum of $1,000 if our statement can be disproved. We will also forfeit for the same purpose a like sum if our La Cadena brand of clear Havana cigars is not manufactured exclusively of Vuelta Abajo tobacco. S. DAVIS & SONS, Montreal. 86 tf
