**Ancient Halifax**
**Never More Interesting**

Those who have not visited Halifax for several years should make plans now to see it during Exhibition week, September 12th to 20th.

No finer sight can be imagined than its magnificent harbor, and the great inland bay, Bedford Basin, crowded with hundreds of ships from all parts of the world. Everywhere can be seen all manner of craft for the shortage of ships due to U-boat ravages has brought out all types of craft. One sees great Ocean Liners that before the war called only at New York and Liverpool. One sees small, wizened, dirty little tramp ships; one sees schooners, barques, brigantines, full-rigged ships; one sees long, funny-shaped oil tankers; one sees Dutch, American, Norwegian, Swedish, French, British, Canadian, Danish ships, the neutral craft bearing their names and the names of the country to which they belong painted in huge letters on their sides. And nearby one sees Britain's Bull Dogs, great fighting ships guarding all, or preparing to sail once more for the open Sea to protect the sea lanes and keep food, munitions, and men going in a steady stream to Great Britain and her allies.

It would take a Kipling to do justice to the Halifax of today. Anyone who loves to see history in the making who longs to come in closer touch with the mighty forces that are moulding the world will take opportunity of visiting Halifax for it is indeed one of the great strategic centres of the Empire today. A splendid time in which to visit the city and see in addition to all these things, a city alive with additional thousands on a holiday will be the Provincial Exhibition week at Halifax, September 12th to September 20th.

The Exhibition will be busier, bigger, better and brighter than ever. Eight days of fast horse racing. Surpassing Exhibits from the Provinces. Big Automobile Show. Largest Live Stock exhibit.

Special Rates on All Railroads.

Nothing Helped Him Until He Took "FRUIT-A-TIVES."

ALBERT VARNER.

Buckingham, Que., May 3rd, 1915.

For seven years, I suffered terribly from Severe Headaches and Indigestion. I had belching gas from the stomach, bitter stuff would come up into my mouth after eating while at times I had nausea and vomiting, and had chronic Constipation. I went to several doctors and wrote to a specialist in Boston but without benefit. I tried many remedies but nothing did me good. Finally, a friend advised "Fruit-a-tives." I took this grand fruit medicine and it made me well. I am grateful to "Fruit-a-tives" and to everyone who has miserable health with Constipation and Indigestion and Bad Stomach, I say take "Fruit-a-tives" and you get well."
