Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Billious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhœa, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

A STORY OF DOOM! (almost.)

CANTO I.

The coffin-maker bent low at his work,
And, coughing, cast his eyes upon his bench,
A spasm came, which gave his frame a jerk,
And shook his head about with fearful wrench:
The blood skipped from his ears and sought the ground:
The Undertaker deemed his lungs unsound.

CANTO II.

It was a dull and dismal afternoon,
The ice had melted in the Skating Rink,
And lovers sighed to walk beneath the moon,
And topers paused at Bars to get a drink:
The coffin-maker hummed an air, then stood,
And drove a nail deep in the coffin-wood.

CANTO III.

Another spasm came, then down he fell,
And sought the pitch-pine floor, quite ill at ease
And listened to the knell of deep-mouthed bell,
His gold hair fluttering madly in the breeze;
But *Ham's Invigorator* cured the pain,
And *Ayer's Vigor* brought in the hair again.

CANTO IV.

These two great Cures he at the Chemist's bought,
The Pharmaceutist's, King street, twenty-four,
Where Drugs and Medicines are often sought
By iron-mongers when life is nearly o'er:
And coffin-makers, when they're coughin' loud
Take *Tracheal* Drops, and thus postpone the shroud.
