NOTE.—Great difficulty is always experienced in forming this table, because of the immensity of the territory, and also for want of uniformity in methods of collecting the statistics. It is not customary, for example, to report the baptisms throughout Great Britain and its dependencies; while chapel sittings, or church accommodations, are not enumerated in America, though collated in England. For America, Great Britain, Sweden, Germany, and a few other countries, as well as our mission fields, the figures are for 1891; the remainder for 1890. Acknowledgment is due the editor of the "Baptist Hand-Book" of Great Britain, the Rev. Samuel Harris Booth, D.D., for aid rendered in this table. The "non-reporting churches" included under Great Britain are from Dr. Booth's estimate, and include those churches which have withdrawn from the "Baptist Union" of England.

The above is taken from the American Baptist Year Book for 1892; with the exception of the figures representing the churches under our own Convention.
