ELLISON'S Daugerreotype Rooms,

BARLOW'S BUILDING,

Corner of King Street and Market Square

LIKENESSES TAKEN IN THE LATEST IMPROVED STYLE.

THE Proprietor would most respectfully call the attention of the Ladies and Gentlemen of this City to his Rooms, which have been tastefully fitted up, and he would remind the public that if they desire to procure a perfect PICTURE, it would be to their advantage to patronise his Establishment, as he flatters himself that he can produce Likenesses equal, if not superior to any Artist in North America.

Having served a regular apprenticeship at the Profession, (not having to abandon a former business, as some who are now practising the Art have done) and also having at a great expense obtained the latest improvements in Daugerreotyping, as well as the newest and most improved Apparatus, he is willing to challenge for $100 or $250, any Daugerreotypist in this City or America, to produce a picture, equal in tone, beauty, finish and appearance to that taken in his Establishment. The challenge to be decided by two of the most experienced Daugerreotype Artists in the United States.
