SENIOR LACROSSE MEETING.

Postponed Until Next Week—District Committee Meets Wednesday.

The Senior C.L.A. clubs held a meeting in the Iroquois last night with J. C. Miller in the chair and Secretary-Treasurer Hall in attendance.

The following clubs were represented: Toronto H. Beatty and F. Thompson; Tecumsehs, Charlie Querrie and J. K. Munro; Chippewas, Frank Slattery and Fred Hambly; St. Catharines, Joe Timmons and J. St. Kitts' Condolence.

St. Catharines, April 19.—(Special.)—The Athletic Lacrosse Club has forwarded the following resolution of condolence to the brother of James J. Forrester, the deceased member of last year's champions:

"The management of the Athletic Lacrosse Club, St. Catharines, on behalf of themselves, the club and thousands of admirers in the Garden City and neighboring towns, desire to convey some slight expression of the large measure of regret expressed at the sad demise of their young friend. It is not for our selfish feeling at the loss of a valued player that we speak, but that one so faithful and true should be cut down at the beginning of a promising life. Tho not a St. Catharines-born youth, he was honest and loyal to his charge, and without flattery we can bear testimony to the fact that his conduct was not only a high and noble example to the athletes, but to the future citizens. We must consider this bereavement as one of the mysterious ways of an All-wise Providence. To this same source of all comfort we would commend you in this your present hour of sadness, which may be lightened by a trust that when the final score is announced he will be numbered with the eternal champions. (Signed) John Dawson, president; Jos. F. Timmins, secretary.

TORONTOS PLAYING BALL DEFEAT Y.M.C.A. 15-1

Riggs and McCafferty Reported Yesterday—Hurlburt and Maroney Released.

The Torontos wound up their spring exhibition games with local nines at Diamond Park yesterday, defeating Y.M.C.A. 15 to 1. That they are improving is evident to those who have seen them work out each day. Riggs, the outfielder, secured from Philadelphia Americans, was in the game yesterday and made good, making two nice catches and two hits. His first time at bat he placed a beauty right behind first base. He is very fast and will be a great addition to the team. Manager Barrow yesterday signed Thoney, the outfielder, who was with Rochester two years ago, but was drafted by New York Americans and sold to Indianapolis last year. He is a very aggressive player and will play left field, Jack White going to right. This makes the outfield complete.

Y.M.C.A. got their only run in the second, when Downing walked, Connors sacrificed, A. Cadman struck out, and Downing scored on Mack's hit to right field. Toronto scored five runs in the first on six hits, including three two-basers, by White, Ronan and Tamsett. They scored two in the second on a hit by White Ronan's two bagger and Frick's single. In the third Hurlburt got a two-baser, Ronan was walked and both scored on Riggs' hit to centre. There was nothing doing in the fourth, but in the fifth Owens led off with a hit, stole second and came home on White's single. In the sixth Frick led off with a single, stole second, Tamsett scoring him on a hit to left. Tamsett stole second, got to third on catcher's error and came home on Owens' fly to centre field. White, in the seventh, led off with a single, Ronan sacrificed, Riggs walked, Frick bunted, forcing Riggs out at second. Meek's three-bagger bringing home White and Frick, Meek scoring on Tamsett's single. Tamsett stole second, but was caught at third. This ended the scoring, making it 15—1 in favor of Torontos.

McGovern had a finger split in the eighth and was forced to quit, Jack Toft taking his place.

Manager Barrow released Speck Hurlburt to Wilkesbarre of the New York State League, and Maroney, the southpaw, will likely go to the same place, or Virginia League.

To-day they will put in a practice at Diamond Park and leave to-night for Albany, where they will play exhibition games.

Pitcher McCafferty reported yesterday. Detroit people think well of him.

At the Toronto Bowling Academy last night in a two-man tournament match, J. Meek, the big catcher of the Toronto ball team, rolled six games with a flat average of 204, making a new record for the Toronto Bowling Club's alleys. His scores were 192, 198, 233, 181, 204, 222; total 1225, pins. His partner, J. Haines, rolled 931, which is a creditable showing for a class B man. Following are the tools:

Meek	192	193	233	181	222	204—	1225

Basketball.

To-night will close the basketball season at All Saints' gymnasium. There will be two games; the first will bring together Wellesley school old boys and the fast All Saints' Juniors. The second game, which is the main event of the evening, will be between the Niagara Falls ladies' team and All Saints' ladies. As the Falls won the first game, All Saints will try hard to win this one. The ladies' class will also give an exhibition of wand drilling.

Parkdale Cricket Club.

A meeting of the Parkdale Cricket Club will be held to-night at 8 o'clock in the Gladstone House, corner Queen-street and Gladstone-avenue, to complete organization for the season. All members of the old Parkdale, St. Mark's and St. Stephen's Clubs are urgently requested to attend and any cricketers wishing to join will be welcomed. Prospects are exceedingly bright for the season. The secretary has still a few dates open and would be glad to hear from any clubs desiring games. Address W. Bottomley, 834 West King-street.

FIGHTING THE C.P.R.

Calgary, April 19.—(Special.)—Calgary clearing house opened its doors yesterday morning and $303,000 was the total amount of the first day's clearings. Ten city banks compose the clearing house. The amount of the first day's clearance is considered extremely satisfactory.

Local excitement in Calgary just now is in the fight between the C.P.R. and the city over an attempt of the railway company to close a street crossing. Indignation meetings have been held and the citizens have twice removed the obstacles which the company placed across the streets and which consisted of coils of wire and heavy fence posts. This morning the company replaced the fences, which will probably be again removed during the night. The board of trade sat yesterday and recommended the city council to carry the matter to the railway commission.

Caught With the Goods.

Jessie Thompson, who, thru her cleverness and sleight of hand agility, has made a reputation for herself as a pickpocket, was caught yesterday in one of the big stores. The purse missing was found in her muff.
