DELHI WAS DISQUALIFIED AT 1 TO 7 WON BY FOULING

Witch Hazel Placed First and Hot Shot Second in Feature Race at Belmont.

New York, May 11.—Delhi, at the prohibitive price of 1 to 7, finished first in the third race at Belmont Park to-day, but was disqualified for fouling Witch Hazel. Witch Hazel was placed first and Hot Shot second.

Out of 11 horses carded to start, eight were scratched, leaving three to face the starter, with Delhi an odds-on favorite. Delhi took the lead at the start and appeared to be winning easily when Witch Hazel closed with a rush in the stretch. When Shaw drew his whip, Delhi swerved over on Witch Hazel, interfering with him.

BISONS DROPPED SECOND BY CURRIE'S CLEVER WORK

O'Brien's Hitting a Feature—Newark, Montreal and Jersey City Winners.

Currie pitched phenomenal ball on Thursday and Buffalo dropped another to the coming champions. Up to the end of the seventh but one single was all that the Buffalo Club artists had to their credit. Meanwhile Toronto were busy with their sticks and had the game won before the Bisons got really under way. Providence made many errors and few hits, while Jersey City bagged triple the number of hits and made only 1-3 the number of errors and thus won by 3 to 1. Montreal blanked Rochester 3 to 0, and Newark won a one run victory from Baltimore. The standing:

	Won.	Lost	P.C.
Buffalo	9	4	.693
Newark	9	6	.600
Toronto	7	5	.583
Baltimore	7	8	.467
Providence	7	8	.467
Jersey City	7	8	.467
Rochester	5	7	.417
Montreal	4	9	.307

Games to-day: Buffalo at Toronto; Providence at Jersey City.

Toronto 4, Buffalo 3.

The Torontos got going early and secured two runs in the first. White cracked the first ball pitched to left field and Harley was hit. Nattress was playing too deeply to get Rapp's long sacrifice hit, and Murray's long low drive over LaPorte's head sent home both White and Harley. Soffel followed with an equally good single, but Murray was caught at the plate trying to score, while Soffel was stealing second. Buffalo very nearly evened the score in the second after LaPorte and McManus were retired. Magoon neatly stopped Nattress' hard liner, but threw low to Rapp, Nattress getting second. Toft let one of Currie's low ones get by him and Nattress took third. Brown was passed. Magoon failed to get Milligan's drive and threw wildly to Rapp, Nattress coming home and Milligan going to third. Gettman struck out. In Toronto's second innings Gettman made a fine stop of Toft's hard hit ball. In the third Rapp drove the ball down the centre. This one Gettman couldn't stop, and Rapp made three bases. Rapp was caught at the plate by Nattress' throw of Murray's bounder. Toronto went out 1 2 3 in the fourth and fifth. In the fifth Toft was responsible for one of the best plays of the game; he caught Gettman's low foul fly over near the Toronto's bench. The sixth inning produced the best team play of the game. Murray worked four balls, Soffel did the same thing; then Magoon made an exceptionally neat bunt along the first base line, and advanced both Murray and Soffel. O'Brien, who replaced Carr at third, was responsible for the best three base hit of the game and there were four of them. He chopped the ball just inside the initial sack and it bounded clean behind the bleachers. Both Murray and Soffel scored. Toronto were now apparently safe in the lead, and with Currie sending them over in good style Buffalo's chances appeared slim up to the end of the eighth innings Currie allowed but two hits, and one of these were obtained in the eighth. Gettman after Rapp had fielded Milligan's low drive and got the first out, sent one past Harley for three bagnets, and scored on Hill's out. Delehanty was safe on Magoon's error and stole second. Murphy couldn't supply the needed hit, and fanned. Buffalo made strenuous efforts to tie in the ninth and very nearly did so. LaPorte came up first and got a three base drive over White's head. Magoon very nearly threw McManus' hit wide to Rapp, but the latter was just able to reach it and get the first out. But LaPorte got in and the crowd were on nettles, as another run would tie the score. Nattress flied out to Murray, but Brown singled. Milligan did his best but only succeeded in giving Murray another fly out.

Buffalo did not like losing the second straight to the Torontos, and did not take their defeat any too gracefully—finding considerable fault with the quality of balls used. Soffel played under difficulties, being somewhat lame owing to his collision with LaPorte on Wednesday. Umpire Egan was unable to umpire owing to the injury he received on Wednesday. A delay of some 10 minutes occurred before umpires were agreed on. Currie struck out 8 and passed only 1, while Milligan issued 3 passes and struck out 4.

FIND NINETY-FIVE BODIES

Continued From Page 1.

o'clock this morning, and by that time wounds were aggravated.

Dr. York of Hobart, who was active in relieving the suffering, says that 20 per cent. of the wounded will die.

At 10 o'clock to-night the number of known dead as the result of the tornado has reached 95. Arrangements have been made to convey all the injured who can be moved to hospitals at Oklahoma City and Lawton. A special train for both places will leave Snyder at 11.30.

Track of the Destroyer.

The tornado struck Synder from the southwest, traveling north until within about 100 yards from the tracks of the Oklahoma City and Western Railway. There it took a northeasterly course thru the business portion of the town. North of the track not a building was left standing. Coming as it did while most of the inhabitants of Snyder were asleep, but few had any warning of their danger.

Snyder is a town of about 2500 inhabitants, in Kiowa County, Oklahoma, in the Kiowa and Comanche Indian country, opened to white settlement in 1901.

How It Occurred.

The havoc wrought by the tornado is astonishing. Out of a town that housed 1000 persons, not more than a score of houses are intact, two-thirds of the buildings being totally wrecked. The storm formed south of Olustee, near the Texas line, and took a northeasterly course thru a well-settled region. At 8 o'clock it was observed by the people of Snyder, but the usual funnel-shaped formation was lacking, and the roar was plainly heard for some time before the storm broke many were of the opinion that it was a hailstorm. Within a few minutes the sky suddenly became dark and a terrific downpour of rain began lasting for several minutes. Then the rain stopped almost as suddenly as it had started.

For a few minutes an ominous calm followed, and then the tornado struck, tearing buildings to pieces as tho they were made of paper. Many persons who had thought to take advantage of the calm to seek refuge in cellars were caught in the streets and between buildings, where some were lifted high in the air and dashed to the ground as tho hurled from a catapult.

NOT QUITE A MASSACRE.

Deaths at Zhitomir Number 18—Troublous Sunday Expected.

Zhitomir, May 11.—Order has been entirely restored in Zhitomir, and encounters and excesses in the city and its environs have ceased. There were no troubles yesterday or to-day, and the Associated Press correspondent, who arrived here Wednesday night, finds indications of the reign of lawlessness and riot which converted Zhitomir Sunday night into a battleground of warring faiths and startled the world with fears of another Kishineff massacre, only in heavy patrols of soldiers in the streets, several scores of wounded in hospitals, broken windows and roughly patched doors of many shops, and a still excited state of feeling among the populace.

The situation during the riots was serious enough, the sensational reports of the massacre of hundreds of Jews were overdrawn. In all there have been eighteen deaths and sixty-five wounded have been cared for in hospitals.

According to reports, a renewal of disorders in this city is planned for Sunday, but the governor and other authorities profess their ability to handle any emergency.

HALES AND SEYMOUR HONORED.

Retiring Police Officers Receive Valuable Presents From Force.

After the police drill in the armories yesterday afternoon, Chief Grasett presented ex-Inspector Hales with a handsome gold watch. It was a parting gift to Mr. Hales from his old comrades. It was also the intention to hand to ex-Sergt. Seymour a purse of gold, but owing to illness Mr. Seymour could not be present, and his gift was sent to his house. In making the presentation, Chief Grasett expressed regret that the force should lose two such valuable officers, and spoke of their worth and the value they had been to the force.

Triumph for Mrs. Beck.

Montreal, May 11.—(Special.)—The crowd at the horse show this evening was the largest of the series. The governor-general, Sir Frederick Borden, Hon. Clifford Sifton and other notables being present. The feature of the evening was the triumph of Mrs. Adam Beck of London, who won the ladies' saddle contest against eight society ladies of this city. Mrs. Beck also won the harness tandem contest.

Fifteen were declared out of the King's Plate yesterday, leaving still a field of 22, which will likely be further reduced by scratches to 17 or 18. Seagram has still three left, against the same number belonging to the Dyment fraternity, as Stay Away is being trained with Will King and Maid of Barrie. Hendrie has still three and the rest are all single entries. Capercalzie is the Thorncliffe hand, the other three being yesterday withdrawn. He has a smaller jaw and is worth 7 to 1 or better. The following are the declarations made according to conditions on May 10:

Alexander C. Andrew's Ereleigh.
Hon. A. Beck's Chateaubriand.
L. G. Bennett's Collision.
Robert Davies' Scotch Cap, Fair and Fay, and Penny Whistle.
D. Evans' Conspiracy.
James Hurley's Tyrstone.
James Meagher's Valaquette.
J. O'Neill's Wallace G.
A. M. Orpen's Teston.
A. H. Roberts' Safe Haven.
Joseph E. Seagram's Have a Care and Spade Guinea.
A. S. Smith's First Robber.

The odds against the stables are noted as follows:

7—10 Seagram Stable.
4—1 Dyment stable.
6—1 Hendrie stable.
10—1 Davies stable.
25—1 Osborne stable.

Trials Thru Field and onthe Flat.

There was quite a festival of jumping yesterday afternoon at the Woodbine. The field was kept clear all morning and as a result the leppers had splendid going, after the flat horses were thru. The trainers are congratulating Secretary Fraser on the fine steeplechase course.

Rising Sun and Lord Radnor schooled nicely.

Bob Alone showed the best form of the afternoon over the sticks.

George Mattocks, trainer for the Queen City Stable, has his horse in splendid condition. He sent Howard L. and Ohnet together over the jumps and later Woolgathever and Nesto, all doing their work very satisfactorily.

D. L. McCarthy's Rose King, full brother to Wire In and War Whoop, has been shipped from Oakville to M. Donovan.

E. McDonagh has purchased a half interest in the Buffalo horse, Fitz Rhodes, and with his partner, C. Carroll, watched the horse take useful work.

Inferno ran the Plate distance handily yesterday morning in 2.16, galloping the last quarter. The mile was run in 2.16—Half Seas Over was left away behind. Rhino looks easily the second best of the Seagram trio and the railbirds look to see him not far behind the favorite at the finish.
