| Nanthalius | 113 | | |

x—Apprentice allowance claimed.

Weather, raining; track, sloppy.

### ROUND THE KITTY

Thistles bowlers turned back the All Saints bowlers bidding for the Ardiel Cup, Tuesday night. Harper was beaten, 18—14, by Trick and Reisler, 20—21, by Lee Barrie's four.

The cup was won at the Lambeth tourney by the northenders.

Thistle members who desire to bowl against the Britishers are requested to put their names on the club board or communicate with the secretary.

The Thistles are holding a picked doubles tourney on Saturday next. Entries close on Friday night.

**EXETER DOUBLES.**

EXETER, Aug. 17.—The local bowling club will hold a Scotch doubles tournament on Aug. 31. The South Huron trophy and four sets of valuable prizes are offered by the club. Play will commence at 9 a.m. Entries will be accepted by Secretary R. N. Creech.

The weekly members' tourney of the St. Matthew's Club will be held this evening. Play will commence at 7:45 o'clock.

The Elmwoods doubles, which were to have been held last evening were postponed till Saturday afternoon.

CHATHAM, Aug. 17.—The three rinks of bowlers who will represent Chatham on the occasion of the visit of the British bowlers, were elected last night, when the votes were counted by the committee in charge of this work. In view of news from Essex to the effect that the Essex bowlers would not be represented, three Chatham rinks will compete in the tournament instead of two, as was formerly planned. Messrs. Saddington, Kolfage and Scott will act as skips of the Chatham bowlers.

## BRITISH CHALLENGER READY FOR SERVICE

Detroit, Aug. 18.—The Maple Leaf VII., British challenger for the Harmsworth international speed-boat trophy on September 3, is expected to be in running order tomorrow, Col. A. W. Tate, the pilot, anounced today, after the craft was launched in the Detroit River.

New hair growth

Wonderful new growths of hair are being reported by those using Kotalko, the Indian hair compound. In many cases it has induced a full hair crop where there was a large bald spot. Kotalko is obtainable in drug stores everywhere. Or send 10 cents, silver or stamps, for proof box to KOTAL COMPANY, LIMITED, 366-L, Adelaide St. W., Toronto.

## POP BOTTLES THROWN AT UMP. CAVANAUGH; ACES DEFEAT VEHICS

### Huron Pitcher Gets Himself Into Trouble At Bay City.

### SHRIVER WINS AGAIN

### Brantford Beats Calbertmen Six To Three.

BAY CITY, Aug. 17. — Only 29 Bay City batters faced McMillan in Wednesday's game, and Port Huron-Sarnia had little trouble in taking the last of the series, 5 to 0. McMillan pitched great ball, allowing but two hits, and was backed up by sensational fielding, three fast double plays helping him considerably. Olde started for Bay City and started the Hurons on their way to victory in the first inning with a wild heave to first that had it been good would have retired the side, another error and two hits scored three runs. Collins replaced Olde in the third and stopped further scoring, although he wild-pitched the runner home in the fourth.

Umpire Cavanaugh was in continual double with the fans, and in the ninth after a particularly bad decision he was greeted with a shower of pop bottles and stones. Pitcher Schwab of the Hurons picked up one of the bottles and threw it back in the bleachers, hitting a boy in the face. The crowd immediately swarmed upon the field, while Schwab made for the bench, but he was not rescued before he had been given several good knocks, one fan slugging him alongside the face with a pop bottle. The umpire also made for cover during the fracas, and it was not until some time later after a force of policemen had taken Schwab from the park followed by a crowd of angry fans that play was resumed.

The score by innings: R.H.E.

| | | | |
|---|---|---|---|
| Port Huron | 301 100 00 | 5 | 7 0 |
| Bay City | 000 000 00 | 0 | 2 3 |

Batteries—McMillan and Kelly; Olde, Collins and Reinhart.

Umpire—Cavanaugh.

**STILL AT IT.**

SAGINAW, Aug. 17. — Taking advantage of nine bases on balls, a wild pitch and three costly errors, Saginaw hit three Flint pitchers opportunely on Wednesday to win the final game of the series, 13 to 7. The Aces ran bases at will, with five stolen bases, Pike stealing home cleanly on Wirth. Wotell hit a homer over the right field fence in the second inning with Emmer on base.

The score by innings: R.H.E.

| | | | |
|---|---|---|---|
| Flint | 020 200 210 | 7 | 9 3 |
| Saginaw | 107 003 20x | 13 | 12 2 |

Batteries—Wirth, Preich, Dodge and Jordan; Shriver and McKee.

## Harding Asks If He Is Eligible For Newspapermen's Golf Play

WASHINGTON, Aug. 16.—President Harding not only accepted an invitation today to present the trophy at the Washington Correspondents' Golf Tournament here next week, but indicated that he might enter as a contestant. He asked that his qualifications as an active newspaperman be passed on by the eligibility committee. The tournament is scheduled for Aug. 25.

## GEORGES CARPENTIER MAY QUIT THE RING

**PARIS, Aug. 17. — Georges Carpentier has not decided whether he will fight Tom Gibbons, the St. Paul lightheavyweight. In fact, it is not certain whether he will remain in the ring at all.**

**The French heavyweight says it all depends upon the result of thorough examination by specialists, which he plans to undergo at the end of several weeks' vacation. He declares he is still worried by his swollen thumb, and also will have his heart examined.**

**Carpentier declares that if he finally retires he is prepared to take the end of his fighting career philosophically, having been a boxer for fifteen years.**

**BUSH OPTIONS EXPIRE TODAY.**

Detroit, Aug. 18.—With today the last on which options could be exercised for the services of Owen (Donie) Bush, for thirteen years a mainstay in the infield of the Detroit club, Tiger fans anticipated an early announcement as to the scene of the future activities of the midget shortstop. Two major league organizations, which it was said have put in bids for Bush, had until today to take advantage of their claims, and in the event of neither taking over the player, Bush will be entitled to his release under the ten-year service rule.

**WALKER HIT BY BALL.**

New York, Aug. 18.—Johnny Walker of the Philadelphia Athletics was seriously injured when struck in the head by a ball batted by a Cleveland player. The accident occurred exactly one year from the death of Ray Chapman, shortstop of the Clevelands, after being struck by a pitched ball.

The two major league home run leaders increased their totals. Ruth of the New York Americans made his 45th and Kelly of the New York Nationals his 20th.

Not a Cincinnati player reached first in the 5½ innings pitched by Pat Shea, a New York National youngster. Pitcher Scott and Catcher Gibson of the Boston Nationals made home runs, but the Braves lost to Chicago on Scott's wild throw.

## WOODSTOCK RINK FIRST AT NORWICH

### Thirty-Six Rinks Participated in Tournament.

NORWICH, Aug. 17.—A. H. Wilson's four from Woodstock won the Free Press cup at the annual bowling tourney of the local club today. Ezra Chrysler of Dthi won the West-Taylor-Bickle trophy. These were the premier events of the tourney. Thirty-six rinks competed.

Following are the results: Jas. McKnight, Norwich, with plus of five; A. H. Wilson, Woodstock, four wins with plus of twenty-six; E. B. Adams, Harrietsville, three wins with plus of ten; E. Thompson, Woodstock, two wins with plus of naught; C. Fry, Norwich, three wins with plus of fourteen; McKallam of Burford, two wins with minus of twelve; Byers, Delhi, two wins with minus of thirteen; D. H. Stephenson, Woodstock, two wins with plus of one; Ezra Chrysler, Delhi, four wins with plus of eighteen; Basted, Sweeburg, one win with minus of nine; Dr. Williamson, Woodstock, two wins with plus of eleven; C. Johnson, Burford, one win with minus of twenty-one; Dr. Moles, Norwich, three wins with plus of twelve;

**10:30 Draw.**

Dr. Fear, Aylmer, one win with minus of one; C. G. Hulet, Norwich, three wins with plus of sixteen; J. F. Ure, Woodstock, two wins, plus sixteen; Longstreet, Woodstock, minus thirteen; Trethewey, London, three wins, plus twelve; Robertson, Ayr, three wins, with plus of twelve; Wilcox, Waterford, one win with plus naught; Adam McKay, Woodstock, two wins, plus raught; L. H. Walters, Norwich, four wins, plus fifteen; R. Elliott, Norwich, two wins, minus two; S. MacDonald Tillsonburg, three wins, plus six; Kinsey, Norwich, one win, minus five; S. Kin, Woodstock, one win, minus one; Williamson, Simcoe, two wins, minus one; Smith, Milverton, one win, minus ten; MacKay, Ingersoll, no wins, minus twenty-seven; A. Hayner, Brantford, no wins, minus sixteen; Inkstaker, Paris, three wins, plus naught.

## Mlle. Lenglen Target of Poor Sportsmanship

A very poor sample of American sportsmanship was tendered Mlle. Lenglen by nearly 8,000 spectators in the few minutes following her dramatic collapse on the courts in her game against Molla Mallory. While the little foreign miss half staggered across to the referee's box to announce her default because she couldn't breathe, owing to the hacking cough from which she suffered, there were only unsympathetic murmurs from the crowd, composed of the best sporting element America boasts.

A New York dispatch states: While she was sitting collapsed on the chair, alone in the middle of the court, and while she walked waveringly to a secluded corner of the club house, where she sat alone with her mother, there were only murmurs, and open accusations that she had quit in ignominy.

Someone finally called a doctor. The crowd, principally women, looked on with morbid curiosity, while the physician gave her a hasty examination. No one lent a helping hand, no one offered a kind word. Little Lenglen had no friends there.

Revived sufficiently, the French girl went home, walking several blocks through lines and lines of automobiles. Her mother supported her on one side, and her fellow-countryman, A. R. De Jeannis, on the other.

The French champion who lost was not the dashing, vivacious Suzanne of Antwerp, Wimbledon and Paris. It was a physically unfit Suzanne, who in her own words, went out to play because she didn't wish to disappoint the big crowd of Americans.

## W. E. RANEY INVADES CONSERVATIVE RIDING

SPENCERVILLE, Ont., Aug. 17.—Hon. W. E. Raney, attorney-general in the Ontario cabinet, brought the doctrines of the United Farmers' Government into the home riding of the provincial Conservative leader today. His speech was mainly a reply to Hon. Howard Ferguson's criticisms, coupled with a severe attack on the timber policy of the past government and the method of securing protection for race courses, or what he called "betting houses."

Raney first defended the Government against charges of political patronage. He referred particularly to the appointment of Albert Hellyer, who resigned his seat to make way for the attorney-general, to the public service commission. This board, he pointed out, was composed of one Conservative, one Liberal, a Labor man, an expert in public service matters, with Mr. Hellyer as the farmer representative.

## DRURY IS OPPOSED TO DOLE SYSTEM

TORONTO, Aug. 17.—The "dole" system of meeting the unemployment situation stands in disfavor with all the interests represented at Premier Drury's advisory council today, and it is understood effort is being directed towards finding relief that will not involve distribution of charity.

**GAME POSTPONED.**

BLENHEIM, Aug. 17.—For about two hours rain fell here during the middle part of the day. In consequence the Thamesville-Blenheim ball game was postponed. These teams have another game scheduled in the County League series to be played at Thamesville on Friday afternoon.

## COMMISSIONER DENIES CHARGE

### Doubts Authenticity of Report From Ottawa Regarding Census.

BRANTFORD, Aug. 17.—Census Commissioner John S. Dowling for Brant came out with a strong denial today of the charge of Ald. Robertson that the census department had issued orders that Parkdale and Mt. Pleasant, annexed suburbs of the city, were not to be counted as part of the city and that this was responsible for the great discrepency between the assessors' figures and the new census figures. He stated that Ald. Robertson himself was an enumerator, and that he distinguished between the annexed district and the adjoining one, and that his reports were included in the city total sent to Ottawa. Mr. Dowling doubted that the report from Ottawa was authentic.

**Held on Fraud Charge.**

Lewis Sweden, in business here and in Toronto, has been arrested in Winnipeg at the request of the local police on a charge of fraud.

The Brantford and Oakland Toll toll road, has surrendered its charter, and the last link with the Cockshutt Toll Road, new part of the county roads system has been severed.

H. E. Gignac, prominent in community movements, is named in civic circles today as a successor to Thomas Road Company, which operated the Quinlan on the parks board. The mayor has the nomination.

**W. J. Hansford Dead.**

W. J. Hansford, for many years principal of the Mount Pleasant Public School, died at Callander, Ontario, it was made known here today.

The presentation of $500 to the new board, by John Harold, M.P., as a memento of the seven members of his mother's family who had served as Brant County teachers, featured the laying of the corner-stone of the new high school at Burford today. The school is a joint one for Brantford, Burford and Oakland Townships, and will relieve the pressure on the Brantford City Collegiate Institute. M. Macbride, M.P.P., and Mr. Harold were the chief speakers, and despite the rain there was a large gathering.

## KITCHENER CHIEF IS EXONERATED

### Trial Charges Are Thrown Out by Committee of Council.

[Special to The Advertiser.]

KITCHENER, Aug. 17. — Chief of Police O'Neill was today exonerated of all charges before the police commission in special session with a committee of the city council, which handed in six charges. The charges were of such a trivial nature and were so satisfactorily answered by Kitchener's chief that the committee of the council was unanimous in asking for their dismissal.

**Will Be Sent Back.**

A young man named Cassell was arraigned in police court today, charged with escaping from the Mimico Reformatory. He was sentenced eighteen months ago for burglarizing a local store. He escaped from Mimico one week after being sentenced, and went to the United States. He returned to his home in this city two days ago, and this morning at 2 o'clock was placed under arrest by P. C. Farrell. He will be sent back to Mimico.

**Little Hope for Poland.**

Barney Joseph, a local merchant, who has spent the last six months in Poland, has little hope for the future of that country, according to statements given out in an interview here today shortly after arriving at his home. He declared that from the Government down to the humblest citizen the country seems to be obsessed with the spirit of laziness and shiftlessness. Mr. Joseph is a native of Warsaw, and he declared his native city has greatly degenerated under the present Polish regime.

## WANT VOTE ON TRUCK PURCHASE

### Ratepayers Believe They Should Have Voice in Expenditures.

ST. THOMAS, Aug. 17.—Ratepayers opposing the immediate purchase of the motor truck for the fire department, at a probable cost of $12,000, are asking that before the deal is closed a plebiscite be taken of the property-owners. Not that such a vote would interfere with the expenditure of $13,500 allowed by special legislation last spring, but as a warning to both the council and the Legislature that in the expenditure of so large a sum the people should first be consulted.

A property-owner charges the council with going to the Legislature for permission to invest thousands of the people's money in fire-fighting machinery, which, if put to a vote, would be turned down by the ratepayers. There is an opposition of many property-owners to the purchase just now, of the truck or anything else, for that matter, where the expenditure of so much money is involved.

## FARMERS FIGHT HIGHER CHARGE FOR TELEPHONES

### Object To Increased Rates and Special Toll in Norfolk.

[Special to The Advertiser.]

SIMCOE, Aug. 17.—Meetings are being held in all parts of Norfolk County to protest against the action of the Ontario Railway and Municipal Board in raising the rates and establishing tolls of the Norfolk County Telephone Company with headquarters at Waterford. Meetings have been held at Tyrrell, Windham Centre, Boston, Houghton and almost every hamlet in the county, and at these meetings 700 subscribers, or one-third of the number served by the telephone company, have pledged themselves to take out their telephones unless the telephone company reduces the rates from $16.50 to $16, and places all rural lines in the county on a free basis as before.

**Object To Charge.**

It is admitted that the greatest kick is the charge of 5 cents for five minutes over lines which involve two or more exchanges. Scotland, an exchange in Brant County, but served by the Norfolk Telephone Company, held a meeting last night and unanimously decided to take out 84 telephones. The Foresters' Hall in Scotland was crowded with subscribers, who loudly cried for vengeance on the company.

"We helped this company along in its infancy, and now it tries to beat us," said one excited impromptu speaker.

A meeting of the subscribers was held in Oakland tonight, and judging from the temper of three of the subscribers, when talking over the long distance telephone to The Advertiser scribe, scenes at the Scotland meeting were repeated.

**Hands Are Tied.**

Asked for the telephone company's attitude in view of the decision of the subscribers, James E. Forbes, general manager of the telephone company, speaking from Waterford over the long distance phone, said the hands of the telephone company were tied.

"The Ontario Railway and Municipal Board made a decision, and we must abide by it under the municipal telephones act," he said. "We have tried to approach the farmers on this subject, but they have refused to allow us to speak at their meetings. I understand that they demand free tolls on all rural lines, which the railway board found was the cause for poor service, which the subscribers continually kicked about. Overloaded lines, resulting from free conversations, made good service impossible, but the subscribers seem to want free tolls and good service at the same time, which, of course, is impossible."

Mr. Forbes took the attitude that the telephone was a commodity, and that if the farmers did not want it they could do without it.

**Talks Independent.**

"If the farmer finds he can do without the telephone the telephone company can do without them," he said.

He pointed out that the larger a telephone company grows the larger maintenance cost per phone, owing to the multifarious interswitching of lines.

Both the subscribers and the company seem to be waiting further word from the Ontario Railway and Municipal Board. If the farmers persist in their determination to gain lower rates or take out the telephones and nothing more is heard from the railway board Ontario may witness the novel spectacle of a whole county joining hands to wreck the largest telephone company in Ontario, exclusive of the Bell Company. An appeal to the supreme court of Ontario is legal, but neither the farmers nor the company seem to have considered that.

## UNEMPLOYMENT IS SLIGHTLY REDUCED

OTTAWA, Aug. 17. — By Canadian Press.—A slight increase in employment during the two weeks ending July 16, as compared with the previous fortnight, is reported in the first issue of Employment, the bulletin of the employment service of Canada. Reports from 5,120 firms showed 627,205 employees, as against 620,006 in the previous two weeks.

Taking the week of January 17, 1920, as a base, and giving the value 100, the index number of employment for the period under review was 88.9. For the period ended July 2 it was 87.4, and for the corresponding period (July 17) of 1920 it was 109.1. There was a moderate improvement in manufacturing as a whole.

## HUGHES SEES BIG DEVELOPMENT COMING

LONDON, Aug. 17.—Canadian Press.—Speaking at a public gathering in his honor at Bradford, Premier Hughes of Australia, in making allusion to the words of a previous speaker regarding the overseas dominions remaining within the Empire, offered the following comment:

"Did it ever occur to you that this is not a one-sided thing, and that we now stand on a footing of absolute equality; and even now, while you speak of empire, do not forget that you good people of Bradford buy wool for your knitting mills wherever it best suits you. Let me tell you that in 20 years we shall be on your heels in textiles, and in 50 years we shall outstrip you."

## FORMER STRATFORD MAN KILLED IN AUTO SMASH

STRATFORD, Aug. 17.—News of the sudden death of Gerald O'Flaherty, son of Edward O'Flaherty, came as a shock to Stratford people. He was killed when an auto in which he was a passenger turned turtle on the Toronto-Hamilton highway.

He was 32 years old, and resided here up to three years ago, when he went to Toronto. Besides his parents two brothers and two sisters survive.

## DECLARES CRITICISM WAS NOT JUSTIFIED

### Reeve Crimmins Defends Action of House of Refuge Committee.

WINDSOR, Aug. 17.—Sandwich Council unjustly criticises the House of Refuge committee of the county council Reeve Ed. Crimmins, Amherstburg, a member of the committee, stated today when asked why the committee had refused to allow John Ham, an aged and infirm Sandwich resident, to go to the House of Refuge at Leamington.

"Under a bylaw passed in the county council several years ago, no invalid is allowed to enter the House of Refuge," Mr. Crimmins stated. "Naturally, Dr. Beasley would recommend that Mr. Ham be sent to the house in order to get the case off the hands of the town.

**Was Physically Unfit.**

"He was also examined by D. J. King of Leamington, the House of Refuge physician, who decided that he could not be accepted, as he is physically unfit to climb stairs and cannot lift his feet more than an inch above the ground. Sandwich Council knew the condition of the man, and should not have criticised the committee before looking up the regulations governing the House of Refuge.

"Mr. Ham is hardly able to dress himself, let alone walk up the stairs. All the beds are located on the third floor at the House of Refuge, and he would have to be carried up and down the stairs many times a day, if he were allowed to enter," Mr. Crimmins stated.

"The only time an invalid is kept at the House of Refuge is when he becomes an invalid after being admitted there," the Amherstburg reeve said.

**Suggests Consultation.**

"I, myself, told Mr. McKee, deputy reeve of Sandwich, after Dr. King had refused to allow Mr. Ham to enter the Leamington institution to have Dr. King, Dr. Beasley and another physician examine him and hold a consultation which might, perhaps, change Dr. King's decision. We hold no animosity toward the Sandwich Council, but I do think that their criticism was unjust when they did not look up the bylaw regarding the admission of people to the House of Refuge."

Asked what was generally done with invalids who cannot support themselves, Mr. Crimmins said that the usual procedure was to send them to a hospital at the expense of the municiplity in which they rseide.

## BOARD TO PASS ON WAGE CUTS

### Minister of Labor Grants Application of Brotherhoods.

TORONTO, Aug. 17.—The minister of labor has granted the application of the five big railway brotherhoods for the appointment of a board of conciliation to pass upon the wage cut recently put into force on the Canadian lines. Word to this effect was received by the brotherhood committee in Montreal and transmitted to Toronto. David Campbell of Winnipeg is the brotherhood's representative. The customary five days has been given the railway association to name its representative. If the association fails to do so the department of labor will name the man, and the two will appoint the chairman.

**WILL MEET AT GENEVA.**

PARIS, Aug. 17.—The sessions of the League of Nations Council for the consideration of the Upper Silesian question have been tentatively set for Aug. 27, by Viscount Ishii, president of the council. Geneva will be the seat of the sessions.

## SALARY TOO LOW SAYS PROF. GILL IN RESIGNING

### Director of Technical Education Is Going To British Columbia.

OTTAWA, Aug. 17. — (Canadian Press.)—Giving as his reasons that the remuneration is not commensurate with the duties and responsibilities of the position, and stating that considerable difference of opinion, has arisen between the Government and himself with respect to the policies to be followed in promoting technical education in Canada, Prof. L. W. Gill, director of technical education, attached to the department of labor, announced this evening that he had resigned from his position to accept that of directing head of the departments of electrical and mechanical engineering in the University of British Columbia. In his new office Dr. Gill will have the privilege of carrying on a private practice in engineering, and for the latter purpose he will open an office in Vancouver. Dr. Gill leaves Ottawa at the end of this month.

**Salary Is Too Low.**

In a written statement, Dr. Gill pointed out in regard to remuneration the salary paid the federal director is at present lower than that paid to several provincial directors, the difference in one case amounting to $1,600. "The status of the position," says Dr. Gill, "is thus fixed at a lower level than that of the provincial officials, yet the federal director, if he is to function as such, must confer and co-operate with them, and if he is 'to promote' technical education he must be qualified to give suggestions and advice to the officials referred to.

If the Federal Government does not give due recognition to its own official it can scarcely be expected that provincial governments will look upon the federal officials as being capable of giving advice to their own officials. In his dealings with the provinces the federal director is thus forced to work under a handicap, quite apart from the question of personal remuneration."

**Made No Mention.**

The statement from Dr. Gill points out that when he was appointed in November, 1919, no mention was made of a salary schedule. Shortly afterwards he learned that one had been fixed, the minimum of which was lower than the original salary paid. An appeal was made to the civil service commission and the case was considered by the board of appeal.

The board, however, ruled that it was "of the opinion that the salary at present attached to the position, namely, $3,900 to $4,800, is comparable with the compensation attached to other highly technical positions in the service, and should therefore stand."

**Blames the System.**

Dr. Gill states that he has no personal fault to find with the board nor with the commission, but he does find fault with the system "which enables the commission to reach such a decision." "Duties and responsibilities are of no account," the statement reads, "the button is pressed, the crank is turned and the decision rolls out."

Referring to the commission's difficulties, Dr. Gill in his statement says: "Recent events clearly indicate that this organization will fail to function on account of internal difficulties before it will collapse under attacks from without."

**LODGE FAVORS REDUCTION.**

WASHINGTON, Aug. 17.—Senator Lodge of Massachusetts, named by the president as one of the American delegates to the disarmament conference, declared in the Senate today that he would exert his best efforts for a reduction of armament, but that "there must be a general reduction by all nations."

SANTAL CAPSULES MIDY

Easy to Take-Quick to Relieve CATARRH of the BLADDER Safe, Successful

Each Capsule bears name MIDY

Beware of counterfeits

Be sure it's

SIFTO SALT

Pure—Free Running

You can say goodbye to that eternal table embarrassment —clogged up salt shakers— if you use

SIFTO SALT

It flows freely, always, to the last grain. Never cakes nor hardens, however damp the weather.
