Baseball Toronto 14-4 Providence 3-0 ✦ Cricket Winnipeg 79 for 6 Rosedale 78 all out ✦ Races Trotting Running

Note and Comment

Eddie Durnan believes he will get on a match with Barry at an early date, and feels confident of his ability to bring the world's sculling championship back to Toronto. The recent hurry-up cablegrams would indicate that the Englishman is in a quandary and would evidently prefer a match with the Canadian to another race with Dick Arnst, who is evidently pressing for a quick return engagement. Durnan's demands are quite within reason. His forfeit of $500 is up in London, which is to go as part of the American champion's stake of $2500. Durnan also insists on $750 expense money and half the steamboat money.

Winnipeg Wanderers scored only 79 for six wickets against the Rosedale bowling yesterday. They should do better today against St. Albans, and must also improve Monday and Tuesday to take the championship away from the Toronto C. C.

The Grays under Wild Bill Donovan are a unique collection of budding youngsters, former stars and freaks, all on the Providence farm. Gabby Street, who worked in the first game of yesterday's double-header gave tangible evidence why Washington let him go, and then the Highlanders. He keeps up a jabber thruout the game and chases around after the ball like a nutty corner lot phenom. In an endeavor to conceal an inability to throw all the way to second Gabby carries the ball part of the way down, but the runner's always there first. The Leafs stole six bases on him yesterday.

Charlie Street became famous in 1908 when he caught a ball dropped from the top of the Washington Monument, a distance of 550 feet. The trick had been frequently tried before in vain and Gabby became elated and swelled up over his first success with a high ball. In 1910 Catcher Sullivan of Chicago also performed the feat.

Manager Bill Donovan is in charge of the Granger crew. He wears a fighting face like Street. In fact, the lot started out like a fierce band of cannibals ready to make a light lunch of the Kelley boys, but it was a different story after the first innings.

Charlie Schmidt, the second catcher, had a busy time the first game warming up the pitchers. He is a good-natured Dutchman and enjoyed himself talking to the crowd. His work behind the bat in the second game was an improvement on that of his side partner. Is this not the Schmidt who thought he'd like to become a prize-fighter and retired after an unsuccessful inaugural?

The performance and demeanor of the Grays in opening their final series in Toronto would indicate that they are rightly entitled to the position they now occupy, and are likely to stay there till the finish of the season. Also the Rochester Hustlers must be moving slowly these days to drop two out of three to Wild Bill's crew.

In the course of his speech of welcome to the American athletes Mayor Gaynor of New York mentioned that they had proved they had "strong stomachs, strong hearts and strong courage." After the parade "Pat" McDonald and Simon Gillies were entertained informally by some of the newspaper men. Gillies proved that the mayor knew whereof he spoke by partaking of a drink which was dubbed the Olympic highball. It consisted of sloe gin, salt, mustard, horseradish, pepper and seltzer. Gillies not only quaffed the beverage, but announced that he was ready to drink another.

LACROSSE SEASON NEARLY OVER FINAL GAMES ON THE PROGRAM

Nationals Are at Scarboro Beach on Saturday and Torontos at the Island on Monday — The Amateur Card.

Three more lacrosse games are down for decision in the Big Four in Toronto this season—Nationals at Torontos, tomorrow, Torontos at Tecumsehs on Monday, and Nationals at Tecumsehs on Sept. 7, when the season also closes in Montreal with Torontos at the Irish-Canadians.

There continues to be an unprecedented demand for seats for the lacrosse game on Saturday at Scarboro Beach between the Torontos and the Nationals. It is evident that the lacrosse followers who are in Toronto for the Exhibition intend to see the great lacrosse game, which is no doubt a stronger attraction to them than the fair in all its glory. An order has been received from Montreal for a block of seats, and it is evident that the Nationals have not given up hope of winning the game, and thus beginning a rally that will keep them in the running and make a tie with the Torontos. As far as the blue shirts are concerned, they have their eyes turned westward, altho it has not been announced that they will be sent after the Minto Cup. They do not want any tie which might delay the season here, but are anxious to cinch the championship and pack their grips for Westminster. It ought to be a game worth talking about all winter that will be seen at the Beach on Saturday, with the two leading teams both in the pink of condition and fighting for the championship.

What will happen at the island on Labor Day? This game, which marks the final meeting of the Torontos and Tecumsehs, is sure to be as full of excitement as the former clash between these teams at the island. Every lacrosse fan in town realizes what those Indians would give to down the blue-shirted twelve on Monday afternoon, and that the game will be a hard checking encounter is the one best bet. The Indians are somewhat peeved that they did not pull out a victory over the Torontos on Saturday, and they are prepared to demonstrate their claims to a victory on Monday. Querrie is a little under the weather this week, but he will be in line for the holiday feature. The Indians will use the same team that gave the blue shirts such a run on Saturday, and which defeated the Irish-Canadians the week previous. The Torontos have been defeated by the Indians on Labor Day for the past four years, and the Tecumseh management claim that their club intends to keep up its record. Tickets are now on sale at 146 Yonge street.

Labor Day, Monday, Sept. 2, St. Catharines Seniors play Eatons at Brantford. E. Doyle will officiate as referee. Maitlands and Hanover in the juniors are playing off the championship. The first game at Hanover will be on Labor Day. Tom Nevings of Owen Sound will referee.

On Sept. 7 Hanover play Maitlands.

In the intermediate series the Owen Sound-Fergus return game will be played in Fergus next Wednesday night, and the winners will meet Niagara Falls for the championship.

In the C.L.A. juvenile series three Toronto teams are tied for their districts—Elms, Maitlands and Riverdale. Elms will play Maitlands at Broadview grounds on Saturday at 4 o'clock, and the winners will meet Riverdale on Sept. 7. The Toronto district winners will meet Preston, the western Ontario victors, for the championship.

At Weston tomorrow afternoon, commencing at 2 o'clock, Brampton will meet their old rivals in Weston, and according to reports are coming down with a special train load of supporters to cheer their coming champions to victory. Immediately after the lacrosse match a football game is to be played. Saturday will be a gala day in sports in Weston, and those who journey to see the two games for the one admission will be well repaid for their attendance. It is understood that Bert Brown has been appointed to handle the match.

The Athletics of St. Simon's will play the Excelsiors of Brampton in the junior series of the O.L.A. on the Don Flats, just opposite Riverdale Park, on Monday, Labor Day, afternoon at 3 o'clock. Brampton will bring down a special train of rooters for the occasion, as they are out to win both the senior and junior championships, the former being already on their scalping belt. Len Smith of the Young Torontos has been agreed upon as referee by the respective teams. Brampton must win to top the district, whereas if the Athletics win they will be tie with their opponents and a play-off will be necessary.

Royals Down Pests Came From Behind

MONTREAL, Aug. 29.—Montreal overtook a four run lead in the sixth to-day and won from Jersey City in the ninth in a free hitting game. Manser was effective to the sixth, holding the locals scoreless, while the visitors found Mattern for four runs in the fourth, fifth and sixth. McTigue succeeded Mattern, while Mason replaced Manser, who went to pieces in the sixth, and the local man had the better of the argument for the rest of the game. Score:

Hustlers Still At It McGinnity Wins First

ROCHESTER, N.Y., Aug. 29.—Baseball luck and one untimely error by Otey Johnson gave Newark their first game from Rochester today, 4 to 2. Joe McGinnity, as usual, pitched the opening game of the series and won it. The defeat, while Toronto was winning two, practically put the champions out of the pennant race. Scores:

LEAFS INCREASE THEIR LEAD TAKE TWO FROM THE GRAYS

Kelley Swatsmiths Pound Out 14 Runs in First Game and Rudolph Lets Grays Down With Three Hits in Second —Rochester Loses.

Wild Bill Donovan and his band of Grays arrived here yesterday after successful series in Rochester and Buffalo and were handed a very rude jolt by the Swatting Leafs. The Kelley Klan landed on them with a vengeance and corralled both of the double bill.

With Rochester losing their game to the Newark Indians, it was a grand day's work for the local club swingers. Three clam heavers couldn't stop the McCaffery heart breakers in the first session and the Leafs ran up a big score on the Grays. When the last man had been disposed of the score board read Toronto 14, Providence 3.

Dicky Rudolph scored his 23rd victory of the season in the second game and made it a good one by kalsomining the Grays, the tally being 4 to 0. Johnny Lush turned up a winner in the first game in easy fashion as the score will show.

Bill Bailey, after being hammered to all corners in the first game for 2 1-3 innings, came right back and twirled the second game. He was wild at the start, but settled down better as the game progressed and was a big improvement over his earlier appearance.

With Lush working like a worldbeater and the Providence pitchers just the opposite, it was cherry pie for Kelley's pill destroyers in the first battle.

Bailey began bad and the Leafs took advantage of everything. A triple, a walk, a single and a couple of errors got them three runs in the first. Toronto kept right after Bailey in the second innings and he couldn't stop the slamming. Two got on by virtue of free hitting and O'Hara sent them home with a slashing triple, his second of the game. Bradley's sacrifice fly scored another and the Leafs were content with this for their second innings.

Bemis' double scored McConnell in the third and Donovan gave Bailey the hook and chased in Traeger. The new man was not a bit better and the Leafs added another score before they retired.

The fourth innings was a regular carnival and the Leafs made it five more tallies. Traeger was wild and passes came thick and fast and to help things along the Grays started in to boot everything in sight.

Lafitte, star heaver of the Grays, went in the next innings and held things pretty safe, the Leafs only getting one more score.

Isaacs relieved Bradley when the game was won and Fitz went to left field.

With Bailey doing the comeback the second game was a much better exhibition and the Leafs scored a 4 to 0 shutout. Rudolph was in grand form and let down the Grays with three hits. He was the master thruout and they never came near scoring.

Bailey was off to a bad start. After Dalton scratched a hit and O'Hara had fanned, Shaw was walked. Jordan rolled out and Bradley was walked purposely to get McConnell. Bailey had lost all location of the pate and forced in two runs by walking the next two men.

Two doubles and a single gave the Leafs their other two runs in the third and this was the end of the scoring.

It was boy scout day and some two thousand of the young soldiers held sway in the bleachers as guests of the ball club. The scores:

Three Full Games Ahead of Rochester

Double Win Over Grays and Rochester's Defeat by Newark Give Toronto Good Lead.

It will soon be a procession.

Two more on the right side, and Rochester still on the stump.

The Leafs now have a lead of three full games.

Wild Bill Donovan was on the job, smile and all, even if we did beat him twice.

Mighty Tim Jordan failed to get a hit in two games.

The Rooters' Club are running an excursion to Rochester for the Labor Day games. A big crowd is sure to go over.

Dick Rudolph won his 23rd game of the season when he shut out the Grays, and once gave them three hits in the second fixture.

Charlie Isaacs, the local boy, got into the game again yesterday when he relieved Bradley in the latter part of the first game and handled himself well. He looks like a real find.

Little Fitz broke into the game with a triple when he subbed for O'Hara.

They are panning Jawn Ganzel for further orders in Rochester now that thrice champion Hustlers are in the rut.

The Grays presented a patched up team with two pitchers and an infielder doing duty in the outer gardens.

Lush won his easiest victory of the season when he worked the first game yesterday.

A single game will be played this afternoon and two on Saturday, and we are thru with the Clams.

After we get thru with Rochester on Labor Day the Leafs should be out with a real comfortable lead.

Eddie Holly is hitting them on the nose right now, but is sure in hard luck, somebody is always where he drives them.

Manager Kelley is satisfied that his Leafs will do. They are playing the most consistent ball in the league, and the pitchers are working right.
