ST. LOUIS, Sept. 17.—George Sisler twirled his second game of the season today and outpitched Walter Johnson, St. Louis winning from Washington 1 to 0. Washington had the bases full with none out in the third, but Sisler fanned Leonard and a fast double-play, executed by Lavan, Pratt and Borton, prevented a score.

CHICAGO, Sept. 17.—Boston went into second place today when they defeated Chicago 6 to 2. Ruth was in fine form and allowed the locals but five hits. Faber in the third inning walked Gardner and Scott and Thomas followed with a single, filling the bases. Ruth then hit a high bounder to Faber, Gardner scoring. Hooper then singled to centre, scoring Scott and Thomas. The crowd which witnessed the game numbered 40,000, the largest that ever witnessed a game in the south-side park.

The American League pennant race today finds the three leading teams in shifted positions once more. Detroit was still at the head of the percentage column, but Boston had displaced Chicago for second place.

SNELGROVE RINK WINS SALAD BOWLS

Makes Highest Score at the Rowing Club Saturday.

SKIP SHANNON SECOND

Another Tournament Will Be Held There This Evening.

W. J. Snelgrove's rink captured first prize and W. Shannon's rink second prize at the London Rowing and Bowling Club's Saturday afternoon tournament. Fourteen rinks took part in the play.

Probably a feature of the affair was the number of clergymen present, no less than four being distributed among different rinks. Bowling is quite a favorite sport with London ministers, and many of them are becoming crack bowlers.

Both winning rinks won all three games, but the Snelgrove four made the highest scores. Each member of this rink carried off a china salad bowl as his share of the spoils. The Shannon rink won china cups and saucers for its efforts.

The Rowing Club will hold a tournament this evening, to which all city bowlers and any others are cordially invited. The draw will be made at 7:30 sharp, and those desiring to play must either telephone their names in early or be at the greens at that time in order to be drawn.

CAMP BORDEN SOLDIERS WILL ENTER 9 RUGBY TEAMS

Stars of the Gridiron in Many Battalions Are Resurrecting Their Moleskins.

CAMP BORDEN, Sept. 17.—Rugby football promises to flourish in the camp this fall, and already heroes of many gridiron struggle are resurrecting their moleskins. A meeting held yesterday for securing data brought the information that nine teams would be entered in the intermediate series, with a good representation of the Western Ontario men. The men of the Western University who are now in camp may get together again, and there are a number of others from Woodstock, Guelph, Sarnia, Windsor and other points who will be back in the game. The 206th Hamilton Tigers and the 180th Sportsmen battalions have had practices already, and will compete in the senior series. A third team may be developed by amalgamating the forces of army medical corps, army dental corps and the army service corps, who could produce a very strong aggregation, with such men as Frank Knight, late of Varsity and Argonauts, with the "Dents," and "Pat" Patterson, the heavy brigade of the Argonaut line, with the service men.

FAMOUS SPORTSMEN IN TOLL OF SOMME

British Oarsmen, Cricketers, Swimmers and Rugby Players Give Lives.

London, Sept. 18.—The cream of British sportsmen continue to appear in the casualties returning from the advance on the western front, the latest casualty list containing the names of many well-known public men who have made their mark in every branch of sport.

Capt. J. Vivian Byrne-Johnson, who has been killed in action, was secretary of the Cambridge University Athletic Club and was a fine long-distance runner.

G. F. Marsden-Smedley, killed, was captain of both the cricket and football elevens at Harrow.

The death in action of Lieut. Frederick Godfrey ends the career of a conspicuous athlete on the football and cricket fields as well as on the track. He established new figures for the army in both the 100 yards sprint and long jump. He was the only member of the bearer party drawn from the Grenadier Guards which bore King Edward to his tomb, who was spared to go into action.

W. M. B. Nanson, who saw service in Gallipoli with the Manchester Regiment, has been missing since June, 1915. He was a famous rugby footballer, having represented England in the international games against South Africa, France and Wales.

Several prominent oarsmen are reported killed, among them Capt. T. H. Irving, Lieut. W. Stobart, and Lieut. W. B. Todd Naylor. All three competed in the last Henley regatta.

Capt. Irving, who rowed in the Selwyn College eight in the Thames challenge cup, was killed while searching for his brother, Lieut. W. R. Irving, who was wounded, and who rowed in the same eight.

James Flood and James Richardson, two well-known Heywood footballers, also have made the big sacrifice, while William Walker of Middleton, famous in the swimming world, has died of wounds.

Lieut. T. Harry Watson, one of the best-known amateur fast bowlers in Lancashire, also has fallen in action.
