Lovely Heart Locket and Chain Magnificent Wrist-Watch and Fine Ring Given to You

Girls—these fine articles of jewelry can be obtained without spending a single penny. We are prepared to give away absolutely free 500 of each. The lovely heart shaped locket is warranted gold filled, richly engraved and set with pearls, has spaces inside to hold two photos, and is on a fine 14-inch neck chain fitted with a strong safety clasp. The beautiful gold-filled ring is set with three fine brilliants that sparkle like diamonds, while the magnificent wrist watch is of the newest octagon shape, very small and dainty and a reliable time-keeper.

All these wonderful gifts are given just for introducing our delicious "Fairy Berries" the new Cream Candy-Coated Breathlets that everybody loves. They sweeten the breath and leave a clean and fragrant taste.

Just send your name and address girls and we will send you a full size sample package free and just 50 big handsome packages to sell among your friends at only 10c each. Open your sample package and ask your friends to try a Fairy Berry. They will certainly want more and will buy one or two packages at once. You will be surprised at the short time it will take to sell them all.

Then return our $3.00 and for your work we will at once send you, by mail prepaid, the lovely locket with fine chain and the sparkling ring, and the lovely wristwatch you can also secure without selling any more goods by just showing your fine prizes to your friends and getting only six of them to sell our goods and earn our fine prizes as you did.

You take no risk. If you do not sell all the goods we take them back and will pay you in cash commission or premiums for what you do sell. Write to-day to:

NATIONAL PRODUCTS, LIMITED

To Absorb Freckles And Other Blemishes

Every spring numerous inquiries are made by girls seeking some reliable recipe for removing freckles. Very favorable reports have been received from many who have used ordinary mercolized wax during the freckling season. The wax seems to possess unusual properties which completely absorb the freckles, with no harmful effect whatever. The complexion improves wonderfully, becoming as soft as a rose petal, and as delicately tinted. Get an ounce of ordinary mercolized wax at any druggist's, spread a thin layer of it over the entire face every night for a while, washing this off in the morning. For rough, spotty skin, sallowness, blackheads, pimples and all cutaneous blemishes, this treatment is superior to any other.—Advt.

"I feel grand! That Headache, Biliousness and Constipation is gone."

SHE "DIAMOND DYED" A SKIRT, BLOUSE AND A CHILD'S COAT

See old, faded garments turn new! Use "Diamond Dyes," guaranteed to give a new, rich, fadeless color to any fabric, whether it be wool, silk, linen, cotton or mixed goods—dresses, sweaters, stockings, gloves, waists, ribbons, feathers, draperies, coverings—everything!

The Direction Book with each package tells how to diamond dye over any color. You cannot make a mistake.

To match any material, have druggist show you "Diamond Dye" Color Card.

WHATEVER YOU DO, DON'T NEGLECT YOUR EYES, SAYS DR. LEWIS, WHO

Tells How to Strengthen Eyesight 50% in One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home.

Philadelphia, Pa.—Do you wear glasses? Are you a victim of eyestrain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. He says neglect causes more eye troubles and poor sight than any other one thing. Many whose eyes were failing say they had their eyes restored through the principle of this wonderful free prescription. One man says after trying it "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days, everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. It is the plan of many describing this prescription to recommend it to their friends and neighbors. Many druggists now recommend this prescription to their customers. It can be prepared by any druggist and is composed of ingredients well known to druggists. The ingredients are not secret. The druggist does not charge much for the ingredients contained in a small bottle. Many people are now using it who report wonderful results. Some of the ingredients are Bon-Opto, Euphrasia, Golden Seal, Hydrastis, etc. Many druggists are now dispensing the ingredients in this form because many druggists are now prescribing it. Many people who have weak eyes, eyes with cataracts, glaucoma, inflammation, blurred vision, floaters, specks, eyestrain, etc., after using the prescription as directed, report that they can now read the smallest print without any glasses, and that their eyes have been greatly improved in strength and clearness in one week's time in many instances. Many people who have used this prescription report that their eyes have been greatly improved in strength and clearness in one week's time in many instances. Many people who have used this prescription report that their eyes have been greatly improved in strength and clearness in one week's time in many instances. Many people who have used this prescription report that their eyes have been greatly improved in strength and clearness in one week's time in many instances or refund the money. It can be obtained from any good druggist, and is one of the very few preparations I feel should be kept on hand for regular use in almost every family." It is sold in this city by Standard Drug Stores and Strong's Drug Stores.

An EDDY Pail of Indurated Fibreware

—will outlast by far the old-fashioned wooden or metal kind.

Eddy's are made of wood pulp, moulded to shape in one single piece under tremendous hydraulic pressure—then baked to flint-hardness under terrific heat.

They have a glazed surface and are strong as steel, light as wood, easy to lift and carry, cannot leak, cannot become dented or battered.

Not just woodenware—but moulded, pressed, baked Fibreware

Mfrs. League Have Six Teams To Start Off With; More On Way

Jim Fitzgerald Is New President of League—Rules To Be Left To Executive Meeting Next Week.

The baseball meeting to reorganize the Manufacturers' League for the coming season, held at Brisco's Sporting Store last evening, was largely attended by a number of men from different factories of the city. Six teams have made their entries so far. Team representatives that were present last evening were: Civil Service, Mr. J. Lane; George White & Sons, Mr. J. Rockwood; Beatty Bros., Messrs. Hodgins, Cook and Connor; Grand Trunk, Messers Boyd and Mathers; London Bolt and Hinge Works, Mr. G. S. Somers; Public Utilities, Messrs. Blay and W. Lane.

The officers who were elected for the year are. Honorary president, Mayor Little; honorary vice-president, Ald. Moorhead; president, James Fitzgerald; vice-president, Norman Graham; secretary-treasurer, P. C. Duddick.

Owing to the fact that only six teams have entered thus far, the secretary is expecting more teams to enter before the end of next week. Much business was left till the officers meet next week. The officers of the league will act as the executive committee for the year, and all disputes and grievances will be left to them.

The dividing of the teams into the east end and downtown sections will be left till the next meeting. Much of the evening was spent in deciding whether the players should all be employed by the factory they play for or whether the teams could have the right to use any player they wished to. This was not decided upon, and was left to the officers at their next meeting. The postoffice entered their team under "Civil Service." This gives them the right to play any player employed at the customs house, whereas before they only had the right to play those employed at the postoffice.

BRANTFORD TO HAVE AIR MAP MADE OF CITY AND ENVIRONS

Colored Man Held On Murder Charge Proves Model Prisoner.

ATTACK SOCIAL EVIL

Public Bodies of City Ask For Aid by M. O. H.

Brantford, April 16.—Col. Barker, V.C., acting for the Canadian Aeroplane Company, is making arrangements to make a complete aerial map of the city of Brantford, and will shortly arrive here with an aero machine for the purpose. He will be assisted by Lieut. H. E. Maxwell. The venture is a new one.

The employment of county jail prisoners in outdoor civic work is strongly opposed here by the authorities. A conference on the matter was recently held with Governor Ogilvie of Hamilton, an dthe plan was declared to be impracticable. At most the local jail only maintains about ten prisoners from month to month.

Is Model Prisoner.

The question of the sanity of George Jones (colored), charged with murder, has not yet been taken up by the authorities. In the meantime Jones awaits the fall assize court, and conducts himself as a model prisoner.

Dr. Gordon Bates delivered two addresses here Thursday on the social evil. He spoke to the Rotarians at noon, and under the auspices of the Chamber of Commerce addressed a large gathering this evening at the Y. M. C. A. A campaign is being waged here by the health authorities against the social evil, and M. O. H. Hutton has asked for the assistance of public bodies.

To Petition for Road.

At the Brant county council meeting it was decided to petition the Hon. Mr. Briggs to designate as a provincial county road the roadway known as No. 5, which runs through St. George. This road connects north of Hamilton with the contemplated second highway running three miles back from the lake, and incidentally runs through the Briggs farm. This road was pointed out by the delegation that recently visited Toronto, and the minister told the members he would make it a provincial county road as soon as they asked for it.

Dehydrated Milk.

A company has been organized for the manufacture of dehydrated milk at Paris with a capital stock of $60,000. Headquarters will be in Brantford. The offices were formerly located at St. Thomas.

Justice Middleton will preside at the supreme court here on April 19. There are three civil cases on the docket.

Brantford vegetable growers have organized as follows: President, A. N. McNames; vice-president, John Norris; secretary, Gordon Macfarlane. The association will endeavor to have general market conditions improved in Brantford.

THOUSANDS OF CATTLE DESTROYED BECAUSE OF FEED SHORTAGE

CALGARY, April 16.—Seven thousand cattle have been destroyed in Alberta because of the shortage of feed. This includes the entire province. Conditions are now worse in the north, where there is some feed, but where farmers cannot get at it because of the deep snow.

MAY UNITE GOVT. TRANSLATION BRANCHES

Ottawa, April 16.—(Canadian Press)—On the motion of Sir George Foster, the House this afternoon decided to unite with the Senate in the appointment of a joint committee of both Houses to report on the desirability of uniting certain branches of the two houses, particularly the law branch, the law translation branch, and the debates translation branch.

Replying to J. H. Sinclair (Antigonish), Hon. A. L. Sifton said that since the armistice $6,775,705 had been realized from sale of surplus army stores. The stores were sold to the war-purchasing commission.

JAMES LIVINGSTONE DIES

Former M. P. For South Waterloo Succumbs To Heart-Failure.

KITCHENER, April 16.—The death took place in Baden yesterday of James Livingstone, ex-M.P. for South Waterloo. Deceased had not been well for years, but it was only in the last few days that his illness was serious. Heart affliction was the cause of his death. Mr. Livingstone was born in Scotland and came to this country as a boy. He was a pioneer in flax-growing in Canada; president of the Dominion Linseed Oil Company of Baden, and was interested in a number of Michigan financial institutions.

In 1878 he was the successful Liberal candidate for the Ontario house. In 1880 he resigned the seat and successfully carried the Dominion standard by defeating the late Senator Merner. He represented South Waterloo at Ottawa until 1900, when he resigned and retired. His wife predeceased him 16 years ago. He is survived by two sons and three daughters.

BUS SERVICE TO RONDEAU

Government Park Will Be Made Easy To Reach as Result.

Ridgetown, April 16.—A long-felt want is to be realized here next week, when two local men will inaugurate a motorbus service between Ridgetown and Government Park, Rondeau. Previously the only way to get to this famous summer resort and picnic grounds, with its 7,000 acres of virgin woods, was by any conveyance available.

BOSTON PLAYERS SUSPENDED.

Boston, April 17.—The indefinite suspension of Wally Schang and Oscar Vitt of the Boston Americans for failure to report was announced by the management of the club yesterday.

FUR DEALERS ARE AGAINST NEW PLAN OF SKIN ROYALTIES

Suggest Instead Revision of Fur Licenses.

Toronto, April 16.—Fur dealers are opposed to the new system of royalties on the skins of furbearing animals which the department of game and fisheries proposes to put into effect. At a meeting of the committee yesterday John Hallam, George Monteith, S. Brazier and W. R. Sweeny put up an argument against the proposal and suggested a revision of the fur licenses for increasing revenue from the fur industry. They were requested by the chairman of the committee, Hon. F. C. Biggs, to put their suggestions into a memorandum and submit it at the next meeting.

Licensing System.

The system of licensing would run as follows: Farmers, $5; community trapper, $5; traveling buyer from his own store, $200; traveling buyer from outside, $250; traveling buyers who were aliens, $500. He also proposed a much higher tax on the buyer from outside who was not a British subject. Mr. Biggs pointed out that as Quebec and Manitoba had the royalty system that Ontario should or otherwise there would be much fur-smuggling to Ontario to escape the royalty, and Ontario must play fair with her sister provinces.

Increase Bonus.

A resolution was passed to recommend to the provincial treasurer that the bonus on wolves be increased from $20 to $50, and that the pelts go to the Government as at present. It was pointed out that now the man killing a wolf gets more from selling the pelt than he did by reporting to the Government and getting the $20 bonus.

Representatives from the national railways and the C. P. R. protested against the season for deer being later. They wanted it in October. The committee, however, stuck to their season, only allowing five days of October, and the season decided for the country north of the French and Mattawa Rivers will be from October 25 to November 20.

ANGLICAN MISSION AT GALT DEDICATED BY BISHOP WILLIAMS

GALT, April 16.—St. David's Anglican Mission, at the corner of Pollock avenue and Chalmers street, which was recently opened, was tonight dedicated by the Rt. Rev. David Williams of London, Bishop of Huron. The building, which is of an attractive design and commodious, has a seating capacity of 250, which was taxed tonight. It cost $4,000 and was opened practically free of debt. In addition to the dedication service a special musical program was provided by the vestry choir of Trinity Church.

MOULDERS ASK INCREASE.

The local iron moulders have sent in their demands to the manufacturers for an eight-hour day and a wage scale of 80 cents an hour. An answer is asked by May 1.

One of the most succesful dances of the season was "the dance of the Allies," held tonight in the armories by the U. V. L., and attended by a big crowd, including hundreds from neighboring places.

DAYLIGHT SAVING TO BE DISCUSSED BY WOODSTOCK B. OF T.

Woodstock, April 16.—No move has been made here yet for a renewal this summer of daylight saving time. Some weeks ago the board of trade appointed a committee to take up the question, but as yet it has not reported. The majority of the citizens are in favor of daylight saving.

At present there is a movement on foot to close the stores and factories at 5 o'clock each afternoon. This proposal is meeting with opposition from the proprietors of a number of stores, which at present observe Wednesday afternoon as a holiday. The board of trade meets on Friday night, and the question of daylight saving will then be dealt with.

HAVE NO INFORMATION.

No information of an authentic nature has yet been heard of the whereabouts of Dennis Vallee and 18-year-old Clara Canfield, the Beachville couple who disappeared simultaneously last Tuesday morning. So far as is known the girl's parents have not heard from her, nor has the family of Vallee heard anything of his whereabouts.

HE HAS TRIED THEM AND GOT RESULTS

WHY A. J. MACLEOD PRAISES DODD'S KIDNEY PILLS.

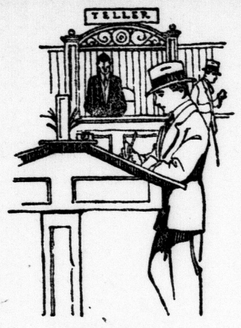
Nova Scotia Man Gives the Reason Why He Advises Sufferers from Kidney Trouble To Use Dodd's Kidney Pills.

River Dennis, N. S., April 16—(Special).—"Dodd's Kidney Pills helped me wonderfully. My back is better, and as I haven't taken any other medicine since starting to take them, they must have done me a lot of good."

In these words Alexander J. MacLeod, a well-known resident here, gives his reason why he praises Dodd's Kidney Pills and why he says, "I would advise anybody who has kidney trouble to give Dodd's Kidney Pills a trial."

The reason Dodd's Kidney Pills are popular all over Canada is that people have tried them and found them good. Dodd's Kidney Pills have been in use in Canada for more than thirty years. They have been used by thousands of people suffering from various forms of kidney trouble, such as rheumatism, dropsy, sore back, weakness, diabetes and Bright's disease.

Ask any one of these thousands to give you his opinion of Dodd's Kidney Pills. It is on the relief afforded sufferers from kidney trouble that Dodd's Kidney Pills have built their reputation as the sovereign remedy for sick kidneys.



The High Rate of Exchange

between Canada and the United States has greatly lowered the purchasing power of the Canadian dollar, already reduced to meagre value by the high cost of living.

A day of re-adjustment is sure to come. The Canadian dollar WILL REGAIN ITS VALUE.

Save your dollars today. Spend them when they recover 100 per cent purchasing value.

In the meantime your money, if deposited with The "Old Huron & Erie," will earn the good interest rate of

3½% per annum payable half-yearly.

DIFFERENCES OVER METROPOLITAN PARK SCHEME ADJUSTED

Ninth Rotarians To Hold Next Convention in Windsor.

Windsor, April 16.—Differences of opinion involved in the proposal for the establishment of a joint metropolitan parks system for the border cities have finally been adjusted, and the big undertaking today became assured when Mayor Donnelly and Reeve McKee of Sandwich agreed to a scheme, provided more than one park be established.

Grounds have already been secured for a big amusement and athletic field on the shores of Lake St. Clair, and the only opposition to the project came from Sandwich, which objected to financially assisting in a scheme under which the park would be located at such a distance from the town as to be practically useless to the people.

NINTH ROTARIANS.

The prospects are that the next annual convention of Ninth Rotary, Detroit, will be held in Windsor, according to word which reached the city tonight from Battle Creek, where this year's session is in progress today. Friends of the local Rotarians were informed by wire that the Border Cities Pipe Band, taken along by the border delegations, was the biggest feature of the gathering.

POLICE ADMIT THAT THEY ARE BAFFLED; RAPPORTTA MURDER STILL A MYSTERY

Windsor, April 16.—No arrests have yet been made by the border police in the Rapportta murder case. Morris Rapportta, a prominent Wyandotte street grocer, was shot to death in his store early one Saturday morning over a month ago, and although detectives followed several promising clues nothing definite has resulted.

The authorities practically admitted themselves baffled. The theory now advanced is that the crime was the outcome of a feud, and that members of the conflicting forces are maintaining secrecy who might enlighten the investigators as to the identity of the guilty men.

PILES

Do not suffer another day with Itching, Bleeding, or Protruding Piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and as certainly cure you. 60c a box; all dealers, or Edmanson, Bates & Co., Limited, Toronto.

"TIZ" FOR TIRED, PUFFED-UP FEET

Instant Relief for Sore, Aching, Tender, Calloused Feet and Corns.

You're footsick! Your feet feel tired, puffed up, chafed, aching, sweaty, and they need "Tiz."

"Tiz" makes feet remarkably fresh and sore-proof. "Tiz" takes the pain and burn right out of corns, callouses and bunions. "Tiz" is the grandest foot-gladdener the world has ever known.

Get a box of "Tiz" at any drug store and end foot torture for a whole year. Never have tired, aching, sweaty, smelly feet; your shoes will fit fine and you'll only wish you had tried "Tiz" sooner. Accept no substitute.

BIG EATERS GET KIDNEY TROUBLE

Take Salts at First Sign of Bladder Irritation or Backache.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

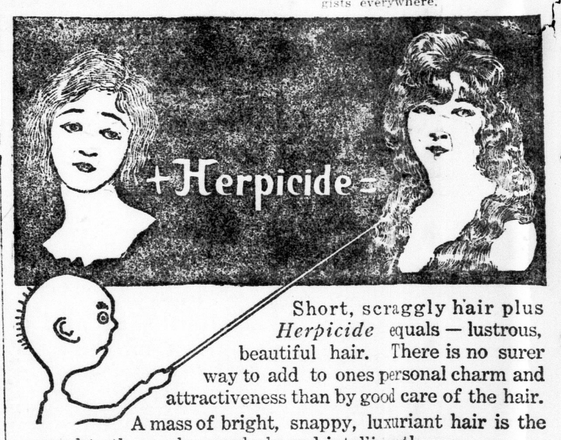
"The Bond of Sympathy Between One Woman and Another"

If you are discouraged with your condition, weak, tired, subject to headaches, backaches, bearing-down sensations, weakness of bladder, constipation, hot flushes, melancholy, tendency to cry over trifles, nervousness and loss of interest in things generally, I want to help you to better things.

My own was probably as deplorable a case as could be found, yet it quickly yielded to "Orange Lily" treatment, and today I am a well woman.

"Orange Lily" is a simple, natural, common-sense remedy that you apply yourself. To go to drinking harmful drugs for troubles such as ours, is like trying to cure a sprain with pills. The only right and effective treatment is a strictly local application, like "Orange Lily."

Because I am sure in advance of the wonderful results you will have, I want to send you ten days' treatment, FREE. Will you write me today, NOW, and let me help you? Inclose three stamps. Address: Mrs. Lydia W. Ladd, Windsor, Ont. Sold by leading druggists everywhere.



Short, scraggly hair plus *Herpicide* equals — lustrous, beautiful hair. There is no surer way to add to ones personal charm and attractiveness than by good care of the hair.

A mass of bright, snappy, luxuriant hair is the reward to those who regularly and intelligently use

Newbro's Herpicide

Herpicide keeps the scalp clean and free from dandruff; stimulates the hair roots and thus promotes a condition favorable to hair growth. You will be surprised and delighted after you have used *Herpicide* a few days.

The dainty exquisite odor of *Newbro's Herpicide* is appealing to every refined instinct.

We also recommend *Herpicide Soap.* It is very effective and pleasing shampoo. If *Herpicide Soap* cannot be purchased from your Dealer, send us his name and Twenty Five Cents for a cake.

Sold by Drug & Dep't. Stores.

Send 10 cents in stamps or coin for sample of Herpicide and booklet on Care of the Hair. Address: The Herpicide Co., Department 197-B, Detroit, U. S. A.

DOCTOR TELLS HOW TO DETECT HARMFUL EFFECTS OF TOBACCO

Try These SIMPLE TESTS

New York: Doctor Conner, formerly of Johns Hopkins Hospital, says: Many men who smoke, chew or sniff incessantly and who are seemingly healthy are suffering from progressive organic ailments. Thousands of them would never have been afflicted had it not been for the use of tobacco, and thousands would soon get well if they would only stop the use of tobacco. The chief habit-forming principle of tobacco is nicotine, a deadly poison, which, when absorbed by the system slowly affects the nerves, membranes, tissues and vital organs of the body. The harmful effect of tobacco varies and depends on circumstances. One will be afflicted with general debility, others with catarrh of the throat, indigestion, constipation, extreme nervousness, sleeplessness, loss of memory, lack of will power, mental confusion, etc. Others may suffer from heart disease, bronchial trouble, hardening of the arteries, tuberculosis, blindness or even cancer or the common affliction known as tobacco heart. If you use tobacco in any form you can easily detect the harmful effects by making the following simple tests. Read aloud one full page from a book. If, in the course of reading your voice becomes muffled, hoarse and indistinct, and you must frequently clear your throat, the chances are that your throat is affected by catarrh and it may be the beginning of more serious trouble. Next, in the morning before taking your usual smoke, walk up three flights of stairs at a regular pace, then stop. If you find that you are out of breath, your heart beat is forced, trembling or irregular, you may be a victim of functional or organic heart trouble. If you feel that you must smoke, chew or sniff to quiet your nerves you are a slave to the tobacco habit and are positively poisoning yourself with the deadly drug, nicotine. In either case you have just two alternatives—keep on with the self-poisoning process irrespective of the dangers and suffer the consequences, or give up the habit and escape the dangers. You can overcome the craving and stop the habit in a very short time by using the following inexpensive formula. Go to any drug store and ask for Nicotol tablets, take one tablet after each meal, and in a comparatively short time you will have no desire for tobacco, the craving will have left you. With the nicotine poison out of your system your general health will quickly improve.

Note—When asked about Nicotol tablets, one of our leading druggists said: "It is truly a wonderful remedy for the tobacco habit; away ahead of anything we have ever sold before. We are authorized by the manufacturers to refund the money to every dissatisfied customer. We would not permit the use of their name unless the remedy possessed unusual merit." Nicotol tablets are sold in this city under an iron-clad money back guarantee by all up-to-date druggists.
