To CIVIL ENGINEERS, Wharf Builders, &c.

PUBLIC NOTICE is hereby given, that under the authority of an Act of the present Session of Assembly, the Common Council of this City propose to construct in the Harbour of Saint John, near Reed's Point, extensive Piers, Wharves, Slips and Public Landings, for sea-going Steamers, to land Goods and Passengers at all times of Tide, involving an expenditure of about ten thousand pounds; and they hereby offer Premiums of £25 and £12 10s. respectively, for the *first* and *second best* complete Set of Designs, Working Plans and Specifications for the contemplated erections, of and or squared logs, to be deposited, under seal, the Common Clerks's Office, on or before the 1st of May next.
