GREAT ENGLISH REMEDY!!!—THE MOST VALUABLE SPRING AND SUMMER MEDICINE IN THE WORLD!!

HALSEY'S FOREST WINE!

Prepared by the Medical Faculty of England, and adapted to the most extreme delicacy of the female constitution.

MEDICINES containing Mixtures of Liquorice, like the Wines of Sarsaparilla, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different article, it requires but a few bottles to give it a consistency, and retains the excellent flavor and powerful medicinal properties of which the Wine of Sarsaparilla is composed. The Forest Wine combines the WILD CHERRY, DANDELION, YELLOW DOCK, and SARSAPARILLA, with other valuable Plants whose properties are well known to the Medical Faculty.

Its high concentration renders it one of the most economical medicines ever in use. Less than a single bottle completes the lingering Patient from weakness, debility, and sickness, to strong and vigorous health. Every one shows its good effects on the constitution, and improves the state of the health. The Forest Wine is recommended in the strongest terms, for all complaints of the Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula, and all Diseases arising from Bad Blood and Impure State of the System.

SAVED FROM DEATH!!!

Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N. J.

Dr. G. W. Halsey:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I had at the point of death with Dropsy, Piles, and Asthma. Physicians had given me over as past cure. My family had lost all hope of my recovery. While in this doubtful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine, and a box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hope of my recovery became lively to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your Medicines, and the present time, and I now enjoy as good health as ever I did in my life, although I am in the eighty-third year of age.

I am, respectfully, N. MATHEWS.

Newark, Dec. 18, 1847.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING!

New York, Jan. 9, 1848.

Dr. Halsey—Dear Sir:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years, and having adhered closely to the directions which accompany the Medicines, I have recovered my health, and with health all my former spirits are thought by me desirable. Previous to taking the Wine and Pills, I had resorted to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised preparations; and I must say, but what there are advertisements, I am frightened from taking your excellent Medicines, in consequence of the deception and fallacious statements many advertised remedies put forth, and I should not have thought of using your advertisement, but for the fact of its being recommended by others, should it be the means of dissuading many labouring under chronic diseases, from making trial and being cheated by some excellent vendible, I sincerely speaking, they have saved my life; I was in a wretched condition, but began to experience their good effects in a few days from the time I purchased the Medicines, to the great surprise of all my friends, I twig entirely cured, and had increased a pound pounds in weight, having taken one box of the Pills and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies!

Yours, JAMES WILSON.

Dr. David Marsh, celebrated Practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than any of the large bottles of Sarsaparilla. Messrs. Comstock & Co., the largest and most respectable Druggists in Syracuse, in a letter, says:—"From what they have heard and seen of Halsey's Forest Wine, it will be excellent and good Medicine, and will, undoubtedly, become the leading Medicine of the day." Dr. Mott, of New York, also subscribed to the virtues of Halsey's Forest Wine, by recommending it to many of his Patients.

Fifteen hundred Certificates from Physicians, Clergymen, and individuals of known respectability, have been given, testifying to the great cures made by Dr. Halsey's Forest Wine and Pills. Among them is the cure of Mr. John Syms, of 456 Pearl Street, New York, cured of Affection of the Liver and bad Cough, after having been given over by his Physicians, who announced his case incurable. Consumption. A child of Mr. William Bennett, Brooklyn, New York, who had been pronounced by eminent with Scrofula, of four years standing, cured in ten days with three bottles. Mary J. Brown, daughter of the Rev. James B. Brown, of Disease of the Heart and Incipient Consumption. Others of Jaundice, others of Piles, others of General Debility, others of Gravel, Female Complaints, &c. &c.

Sold by Wm. Lyman & Co., Montreal; W. Brent, Toronto; H. Gray, Hamilton; J. Pringle, Brockville; Dr. Weaver, Cobourg; J. Wagner, Port Hope; J. Bowman, Belleville; Agents for Montreal. Dr. Hunter, Agent for Quebec. Mr. Kennedy, Agent for Three Rivers. Sold at the Proprietor's, Kendall Depot, No. 2, Courtlandt Street, New York.

MINERAL WATERS
OF
POINT DU JOUR, PARISH OF L'ASSOMPTION.

THESE truly valuable WATERS are distinguished for the large quantity of Bromine and Iodine they contain, and are acknowledged superior to all other Medicinal Waters. They are of the most agreeable refreshment of the description that has yet appeared. They can be used cold to the greatest degree in the most oppressive heat of Summer, and that without altering or affecting injuriously the health of the person using them; upon the contrary, they are found to improve and strengthen. The large number of cures effected by the use of the above Waters, enable us to recommend them to the public as an excellent remedy in a very great number of cases. The names of a few only of the persons of celebrity, who have given their written recommendation of the Waters, are here given. These, however, show the happy results arising from their application:—

Rt. Rev de Rimpton,
Jos. M. Belanger, Ptr.,
P. C. A. Munro, M. D.,
Amable Simard, M. D.,
L. G. Cazenueve, M.D.,
E. H. Trudel, M. D.,
W. Nelson, M. D.,
R. L. Macdonell, M. D.,
G. B. Bibaud, M. D.,
A. Nelson, M. D.,
J. B. Meilleur, M. D.,
A. E. Regnier, M. D.,
A. Rollin, M. D.,
C. Sabourin, M. D.,
F. L. Gesind, M. D.,
F. H. Latour, M. D.,
T. Ed'Orsonnens, MD.
Dr. Dorion.

Persons who have not received the little volume containing these certificates at length, can obtain it at the Depots, where the Waters are Sold; by reading it, they will feel convinced that they have effected wonderful cures in various cases, and that they have been found superior to all others.

Rivière Des Prairies, March 1, 1850.

Sir,—Since you are desirous to ascertain the effect which the Waters of the Point du Jour Springs have produced on myself, I must inform you, that I have used them unceasingly, and have never found them so highly invigorate. I was at the time so affected by the consequences of a severe disease of the Digestive Organs that my Physicians judged it right to administer for a time all active remedies, even for the expulsion of Dyspepsia, and the obstinate Retention of the Bowels, under both of which I was suffering severely. He prescribed for my relief the Mineral Waters, and I made use of those of the Point du Jour, as being the nearest. I was at the time so weak, that it was with difficulty I kept my feet. However, at the expiration of three weeks, I was restored by using the Waters. These Waters are of a gaseous nature, containing a large quantity of saline particles, and agreeable in the taste—taken in a large dose they are strongly laxative, but their purgative properties are unattended with gripings,—those even who have been using them have not been weakened or enervated in their constitution in consequence; upon the contrary, by using them they find their appetite increased, and their digestion rendered more regular. After a dose of 3 or 4 four glasses, I found that they had the effect of increasing the urinary secretion of urine, and that these decreased in the same proportion that the alvine secretions increased. The action of the nervous and sanguinary systems were thereby moderated, and, instead of finding myself debilitated, I perceived myself tolerably disposed to pleasantry and sociability, which, in the same circumstances, I never felt before. Many persons, who, in the same circumstances, made use of the Waters by the recommendation of Dr. Cazenueve, experienced the same effects. To conclude, I can, in conscience, in conformity with the Anhysis made by F. R. Hunt, Esq., that Physicians might employ it successfully in the same diseases for which the Plantagenet Waters are so judiciously recommended.

Yours, respectfully,
AMABLE SIMARD, M. D.

St. Joseph's Convent, May 14, 1850.

Sir,—I observe with pleasure that the Mineral Waters, at their source at Point du Jour, Parish of the Assomption, (L'Assomption,) are acquiring the celebrity they deserve. For myself, and many others, perhaps, one of the first situated to them in the newspapers, in the year 1846, I can testify, that since then I have had occasion to try various Mineral Waters, nevertheless I have never doubted that the preference must be given to those of Point du Jour—having myself had much experience.

J. M. Bellanger, Priest.

Agents for Montreal:—Dr. Picault, 36, Notre Dame Street, corner of Bonsecours Street; Benjamin Workman, Apothecary, corner of St. Paul Street, Custom House Square; O. LaLiberte, corner of St. Catherine and Visitation Streets.

The Proprietors have their Depot established at No. 6, Jacques Cartier Place, next door to the Hotel of Serafino Giraldi, Esq. The distance for conveying the Waters to the Depot is so trifling, that we are enabled to have a constant supply fresh, and are consequently in possession of a better market than any other person. Prices, 7½d. per gallon, and 2s. the dozen, (in bottles.) Sick persons, unable to pay for it, can have some gratis, by producing a certificate from their Physician, since we are unwilling that any should be deprived of these healing and wonderful Waters, prepared by Providence for his creatures, which are apparently designed for the alleviation and cure of many protracted and dangerous diseases.

IMPORTANT TESTIMONIALS.

Copy of a letter from "COLONEL HAWKER, (the well known Author on "GUNS & SHOOTING,") Longparish House, near Whitchurch, Hants, October 31st, 1846.

Sir,—I cannot resist informing you of the extraordinary effect that I have experienced by taking only a few of your LOZENGES. I had a cough for several weeks, that denied all that had been prescribed for me; and yet I got completely rid of it by taking about half a small box of your Lozenges, which I find are the only ones that relieve the cough without deranging the stomach or digestive organs.

I am, Sir, your humble servant,
P. HAWKER.

ANOTHER INSTANCE OF THE GOOD EFFECTS OF KEATING'S COUGH LOZENGES, UPWARDS OF TWENTY-ONE YEARS' STANDING.

My Dear Sir,—I have great pleasure in informing you that my wife has received great benefit from the use of Keating's Cough Lozenges, you remember her a short time since. Previous to this she nearly had been troubled with a severe cough, and was confined to her bed; but medical men have without number cured her of her complaint, and expending any relief; however, Keating's Lozenges have done wonders.

With respects, believe me, your's faithfully,
THOS. MAYOR.

RESTORATION OF VOICE BY KEATING'S COUGH LOZENGES.

Glasgow, 15th January, 1847.

Sir,—I have great pleasure in informing you of the great good your excellent COUGH LOZENGES have done me. In December, 1845, I caught a severe cold from riding two or three miles, one very wet night, which settled in my lungs, and quite took away my voice, so that I could not speak above a whisper for more than one full December last. I tried all kinds of medicine, but they were of no avail. I was then advised to try your Lozenges, which I did, and in a few days my voice was as good as ever. I can, with a good conscience, recommend them to all public speakers as the best cure for hoarseness.

I am, Sir, your's gratefully,
JAMES MARTIN.
