REVOLUTIONARIES WIN POWER IN PORTUGAL

Old Government is Forced Out, Being Succeeded by Provisional Cabinet.

Madrid, Dec. 8.—A revolution has broken out in Lisbon, the capital of Portugal, according to a despatch received here by way of Oporto and Tuy. Outbreaks also are said to have occurred at Oporto.

A despatch forwarded here from the frontier says the demonstration at Lisbon was hostile to the government, while at Oporto the troubles were provoked by the high cost of necessaries, bakeries and other shops being pillaged. In Oporto 78 arrests were made and 60 persons were treated in hospitals. One woman and one man were killed. The governor ordered the closing of all public places. The town is now said to be quiet.

Government Upset.

Madrid, Dec. 8.—A telegram received here from Oporto says that the revolution in Portugal has ended with the success of the revolutionaries, and that the government has resigned.

Dr. Affonzo Costa, former premier and minister of finance, has formed a provisional government, including Dr. Sidonio Paez, formerly Portuguese minister to Germany. It is reported that all is quiet in Lisbon and Oporto.
