Wherever it has been introduced it has taken the place of everything of its kind, although only a few months old. The saving of time to dress-makers is remarkable. Twelve of these stays can be attached in two minutes, requiring no thread, needles or sewing machine to sew them on. Instructions for attaching goes with every gross. Samples furnished on application. If your Dry Goods or Fancy Goods dealer has not got them orders will be executed direct upon receipt of 30 cents per dozen, post paid.

FARMERS

YOU ARE

INTERESTED!

We have had our attention drawn to the Prospectus of a so-called Binder Twine and Cordage Co., which certain individuals are endeavoring to organize under false pretences. They appeal to the farmers to take stock to save themselves from monopoly, combinations, etc. This is most misleading, as we can positively state that no monopoly or combination on Binder Twine exists in the Dominion.

We have no interest whatever in deterring farmers from taking stock, but we would ask them to seek the fullest information before committing themselves. They can very easily obtain the present cost of raw materials, and we are willing to allow any farmer who is interested to make the most critical examination of our factories in Port Hope and Montreal, so that they can become thoroughly acquainted with the mode of manufacture, cost of machinery, appliances, etc.

Remember that Manilla and Sisal Hemps are two of the most speculative articles in the world to-day and the fluctuations that have taken place during the past eight months are phenomenal; therefore no farmer wishes to place his interests in the hands of inexperienced individuals.

We do not write the above from any jealous motive, but as we are undoubtedly on better terms with the agricultural classes than any other manufacturing concern, we feel that it is our duty to give a warning when the opportunity offers.
