Navy League—What—Another Campaign?

We think we hear your exclamation. You want to forget the war and all its aftermath. We are with you in your desire to forget—but we must not, in forgetfulness, bury the solemn obligations undertaken in the days of sacrifice.

Canadians have bounden duties to those who must bear a burden until the "graves are opened and the sea gives up its dead"—who must forever carry the memory of sons and husbands and fathers who went down to the sea in ships and never returned.

Navy League—What—Another Campaign?

Yes, another campaign. A campaign from which the Navy League does not flinch; but on the contrary is proud to bring before the people—because it is the people's trustee.

The obligation to provide for our merchant sailors' dependents was undertaken by the people during the war, and must be maintained by them, until the need for it is no more.

After this year, however, the League expects to cease asking for funds for the relief of the Canadian dependents of Merchant Sailors who were killed on active service. With the Trust Funds now in hand, together with the sum set aside in the Budget, to be raised by public subscription this week, it should be possible to establish an endowment, the income from which will be sufficient to provide these dependents with a pension equal to that granted to the dependents of Naval men killed on active service.

As many of these dependents are young children, the endowment must continue for a number of years, until the children become self-supporting.

Navy League—What—Another Campaign?

Yes, another campaign. Is it nothing to you? Maybe not; but there are wives and mothers and children praying anxiously this week, knowing that upon the results of the campaign must depend their sustenance for many years.

Navy League—What—Another Campaign?

Yes, another campaign. The people accepted this responsibility during the war. The people must live up to it now. Give generously when you are called upon.

novel, "The Untamed." A wonderful picture, made from a wonderful story, with the daredevil screen star Tom Mix in the role of Whistling Dan, is promised in the forthcoming offering at the Patricia Theater which begins next Monday, Tuesday and Wednesday.

"The Untamed' 'is a strange romance of three inseparable comrades, of the love that came to the man, and the union of the three companions in wreaking a fearful vengeance. The picture is said to be the most appealing Mix has made.

The usual high-class vaudeville and added screen films will be shown.

"The Law of the Yukon."

For the last half of the week "The Law of the Yukon," a thrilling story based on Robert W. Service's great poem, will be the feature.

Musical Festival Extraordinary, With 27 Artists, at the Patricia, November 8, 9 and 10.

The Canadian public is just in the mood to welcome the colossal array of talent produced in this Dominion and coming here in the three-day Canadian all-star festival, at the Patricia Theater on November 8, 9, 10. On the first day will be heard Harold Jarvis, who has probably sung before more people than any living artist and whose glorious voice is just as good as ever; Mabel Manley Pickard, the best-known Toronto soprano; Theresa Sheehan, America's foremost entertainer; Madge Williamson, one of the most gifted pianists in Canada, and the celebrated juvenile violinists, trained by Luigi Von Kunits, the famous teacher of the Academy of Music. These boys have been playing in the big musical festivals in the United States and have taken every city by storm. Nothing like them is to be found on this continent to-day.

On the second day the Classic Dancers, staged and directed by Miss Sternberg, of Toronto, will be the feature. They have triumphed in Massey Hall, Toronto, and Canadian cities are fortunate in seeing their artistic work. The vocal part of this day is in the hands of the National Quintet, an extraordinary singing organization. The Thiele Music Makers play saxophones, marimbaphone, cornet, etc. Miss Pear O'Neil, of Toronto, is the gifted entertainer. This program is beautifully costumed.

The Canadian Big Four handle the third day. Mr. Frank Oldfield is noted for his wonderful baritone voice, unexcelled on this continent. Mr. J. H. Cameron has long been Canada's best entertainer. Miss Maud Buschlen is undoubtedly the finest violinist in this country, and Mrs. Oldfield is a gifted soprano.

Eveywhere this festival is being greeted with full houses and this city will be no exception. Plan opens at Patricia box office on Wednesday, November 3.

Pretty Constance Binney at Loew's on Monday, Tuesday and Wednesday of Next Week.

Dancing can be the surcease of much sorrow if only people would realize it," says Constance Binney, who comes to Loew's on Monday. "But, unfortunately, it seems that the great mass of people believe they must be in the best spirits before they dance.

"If only they would—could—understand that through a real, honest-to-goodness dance, whether or not it is accompanied by music, they can win back a lot of their good spirits or can overcome the most serious case of depression. Take the instance of Penelope Penn, the heroine of '39 East.' No one realized better than she the fundamental meaning of the dance and the use to which it may be put.

"Penelope had left her family in her small town to come to New York to seek her fortune. She tried hard, but couldn't find employment and faced worse poverty than she had ever known. One night, when she was having a particularly bad case of home-sickness and the blues, she resolved determinedly to make herself cheerful.

"Jumping out of bed she began dancing to the accompaniment of her own whistling and she won her good spirits back.

A funny Alice Howell comic, Loew Pictorial and a bill of Loew's supreme vaudeville, headed by a miniature musical comedy, entitled "Facts and Frolics," with 10 people, complete the bill for the first three days.

Wallace Reid in "A Dancing Fool" at Loew's Next Thursday.

Bebe Daniels, the pretty motion picture player, who is Wallace Reid's leading woman, at Loew's Theater next Thursday in "The Dancin' Fool," made her debut in dramatics at the age of 10 weeks. Her mother and father were both actors and Bebe was carried on the stage in her mother's arms. At the age of 8, Miss Daniels abandoned theatricals to enter a convent.

Four years ago Miss Daniels received her diploma from the convent school and immediately satisfied a long-cherished ambition by breaking into motion pictures in which she has been a great success.

A funny Sunshine comic, Loew's Pictorial and Loew's supreme vaudeville complete the bill.

My boy! My boy!—the climax of mother love—from "Madame X," the greatest of all emotional pictures, showing at the Allen Monday, Tuesday and Wednesday.

Inflammatory Rheumatism Permanently Cured

New Brunswick Lady Gives Full Particulars of Her Recovery.

There are many types of rheumatism, but none worse than inflammatory.

It was this kind that almost killed Mrs. Edw. Warman, of Kent Jct., N.B.

Every known remedy she tried, different doctors gave their advice, but the disease increased.

Weak and despairing she was at her wits' end when the remarkable cure of Thos. Cullen was published. This gentleman was cured of rheumatism by "Ferrozone." Consequently Mrs. Warman used the same remedy. Here is her statement:

"For five years I have been rheumatic. I tried various forms of relief without success. The disease increased settled in my joints and muscles; these swelled, caused excruciating pain and kept me from sleeping. My limbs and arms stiffened, my shoulders were lame and prevented me from working. Week by week I was losing strength and despaired of finding a cure. It was a happy day I heard of Ferrozone. Every day I took Ferrozone I felt better; it eased the painful joints, gave me energy and a feeling of new life. Ferrozone cured my rheumatism, cured it so that not an ache has ever returned. Even damp weather no longer effects me."

Ferrozone has power to destroy Uric Acid, neutralize and enrich the blood, and therefore does cure the worst cases. Mrs. Warman's statement proves this.

By removing the cause of the disease and building up a reserve of energy Ferrozone is certain to cure. Sufferer, isn't it about time to stop experimenting? Ferrozone is a CURE, order today, 50c per box, or six for $2.50, sold by all dealers or direct from The Catarrhozone Co., Kingston, Ont.—Advt.

CUT THIS OUT

OLD ENGLISH RECIPE FOR CATARRH, CATARRHAL DEAFNESS AND HEAD NOISES.

If you know of someone who is troubled with Catarrhal Deafness, head noises or ordinary catarrh, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. In England scientists for a long time past have recognized that catarrh is a constitutional disease and necessarily requires constitutional treatment.

Sprays, inhalers and nose douches are liable to irritate the delicate air passages and force the disease into the middle ear, which frequently means total deafness, or else the disease may be driven down the air passages towards the lungs, which is equally as dangerous. The following formula, which is used extensively in the damp English climate is a constitutional treatment and should prove especially efficacious to sufferers here who live under more favorable climatic conditions.

Secure from your druggist 1 ounce of Parmint (double strength). Take this home and add to it ¼ pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. This will often bring quick relief from distressing head noises. Clogged nostrils should open, breathing become easy and hearing improve as the inflammation in the eustachian tubes is reduced. Parmint used in this way acts directly upon the blood and mucous surfaces of the system and has a tonic action that helps to obtain the desired results. The preparation is easy to make, costs little and is pleasant to take. Every person who has catarrh or head noises or is hard of hearing should give this treatment a trial.—Advt.

WARM WEATHER OF HALF CENTURY AGO RUINED THE WHEAT

CLANDEBOYE, Oct. 29.—A retired farmer living in the village remembers that 51 years ago a warm autumn like the present one extended well into December, and the fall wheat made such a heavy top growth before frost and snow checked it that large quantities were smothered out before spring. A number of fields at present have made a good deal too much growth to winter well.

WESTERN FAIR MEETING—A meeting of the Western Fair board, to receive a report on the finances of the last exhibition, will be held in the offices on November 13. Secretary Hunt stated yesterday that it will be possible to have the approximate statements ready by that date. There are some accounts that are still outstanding and these will not be included in the reports for that meeting, but it is expected that the report will be fairly complete.

LIKE VELVET PADS
That soften every step

How pleasant, to step on soft, grassy turf—after walking on harsh, stinging pavements. What a relief to tired feet—what comfort! It makes you wish that all sidewalks could be made of grass! They can be made to feel that way by this new method of cushioning your shoes.

Phillips' Military Soles and Heels, of elastic rubber, replace the jarring crash of leather soles and heels on paved streets—with a gentle, springy, cushion-like tread that takes the fatigue out of walking. They come in three pieces—the toe—the ball cushion, and the heel, with air spaces between the cushions. They are light and elastic. The cushions are corrugated—to prevent slipping on wet pavements.

By actual test a set of Phillips' Military Soles and Heels attached to a pair of shoes—gives three times more wear; besides preserving the appearance and shape of the shoes. They do not crack, cannot rip, and will not draw the feet.

To be obtained at most Shoe Stores and Repair Shops

The price is $1.85 a set for Men's size stout, $1.50 a set for Men's size light, and $1.00 a set for Ladies' size.

Full directions and everything to attach the soles and heels included in every box.
