REPORT OF THE BOARD OF OUT-DOOR RELIEF FOR THE WINTER OF 1889-90.

The Board respectfully submit to the subscribers of the Out-door Relief Fund the Annual Report of the proceedings during the past year, together with the accounts, showing the Receipts and Expenditure for the same period.

On the 12th December a large meeting was held, composed of City Clergymen, representatives of the following National Societies, viz., St. George's, German, Associated Charities Organization, and Committee of this House, with a view to organize for the winter's work.

After a full discussion, it was resolved that the operations be commenced and carried on as usual, and the following gentlemen were appointed a Committee to make an appeal to the public, through the Press, for donations to sustain the work, viz., Charles Alexander, E. E. Shelton, James Moore, William Reid, Hon. J. K. Ward, Joseph Richards, Alderman D. Wilson, German Representative, W. D. Stroud, representing Associated Charities.

The meetings of the Board for the distribution of relief commenced on Thursday the 21st day of December, 1889, and were continued weekly on the same day during the winter and spring, as shown by the statement annexed, casual relief was also given since the Board closed last year to 526 families during the summer.

As it appears by the statement the number relieved has been greatly in excess of that of last year, the reasons being the prevailing sickness during the winter, and number of Immigrants who had no employment or provision made for the inclement season.
