TRIALS AT THE TRACK.

Trainers at Woodbine Park have begun to break in on the two-minute notch, and yesterday morning many of the candidates for honors at the coming meeting clipped off several seconds. The best work was accomplished by Lord Nelson, who covered a mile in 1.52, well within himself. From 1.56 to 1.59 was recorded against a majority of the horses, and nearly all were given strong work.

It is said that the O.J.C. will give the owners of jumpers an opportunity to try conclusions over hurdles at the coming meeting. If so, a capital race is bound to result.

THE NATIONAL GAME.

Personnel of the Caps—Speculation on the Make-up at Ottawa.

Ottawa, April 28.—Speculation is now being indulged in as to the probable personnel of the Capital Lacrosse Club during the coming season. Leaving out Quinn and James, who now seem to be in doubt, the Executive have nine of last year's men available—Smith, G. Carson, Ketchum, Crown, H. Carson, Carleton, Devine, Murphy and Powers.

All these are available, but of course that doesn't mean that all will play, for perhaps an additional winter may leave some of the older hands with kinks in their joints, and they may not be up to old-time form. But in the Young Caps the seniors have all they will require of good fast men, including, for the defence, Shea, Sparrow and Griffith, and the two Murphys on the home end.

One thing is certain—things will be run this year on strictly business lines, and if James and Quinn don't want to play they won't be coaxed.

TORONTO LACROSSE LEAGUE ANNUAL

Forty or fifty delegates were present in the Strand Hotel last night, at the annual meeting of the Toronto Lacrosse League. The clubs represented were the Tecumsehs, Elms, Independents, Victors, Maitlands, West End Y.M.C.A., Victorias, Nelsons and Checkers. Application for membership was received from Toronto Junction, Mimico Stars and Weston. These applications were referred to the new Executive to act upon. Mr. John Lindsay, the retiring secretary, read an ably compiled and very satisfactory report, showing the league to be in a healthy condition in every respect. Officers were elected as follows: President, H. B. Clemes, Tecumsehs; vice-president, F. C. Waghorne, Elms; sec.-treas., W. F. Hastings. The council will be elected at an adjourned meeting, each club being entitled to a member. It was decided that the winning teams in both the senior and junior divisions of the league should be presented with medals at the end of the season. The president, vice-president, secretary-treasurer and past Presidents Thompson and Good were appointed a committee to codify and print the rules.

LACROSSE POINTS.

George Ewing, the well-known Toronto lacrosse, football and hockey player, will be with Wiarton this summer.

The Elms' second practice of the season takes place to-night, and every member is requested to turn out, at old U.C.C.

There will be a meeting of the Victor Lacrosse Club to-morrow (Thursday), at 7.45, at 145 Mutual-street. All wishing to join are invited to attend.

The Tecumsehs will likely have a big exhibition card for the Island, and may bring the Caps, Shamrocks and Cornwalls here before the season ends.

It is reported in Ottawa among lacrosse men that James has sent the Executive of the Capitals an ultimatum. He wants them to secure him a permanent position or he will not be with the team.

Tommy Crown of the Capitals, the best goalkeeper in Canada, was called to the city to the bedside of his father, who died on Saturday, and was buried yesterday. Tommy has the sympathy of his many friends in the sad bereavement.

British Columbia has adopted the baseball idea with lacrosse, and has appointed an official referee to take charge of all lacrosse matches played under the Provincial League. The appointee is an old Toronto man, Mr. Harry Seukler, who is now a practising barrister in Vancouver.

Deacon Gibson, the well-known point player of the Stratford Lacrosse Club, was in town yesterday. He was also accompanied by W. B. Heyworth and W. A. Gilmour, two other well-known Classic City sports. Stratford is going to have a strong twelve in the senior series of the C.L.A. this season.

Patterson of last year's Capitals, as was rumored early in the season, will be with Toronto. He is now in the Queen City getting down to shape. Patterson did not play lacrosse here last summer to suit the Capitals, and only appeared in one or two matches. No attempt was made to keep him when he was leaving the city.—Ottawa Journal.

The Detroit Lacrosse Club has been organized, with these officers: President, Fred Postal; hon. president, John Truman; vice-president, James Campbell; secretary, John A. Mude; treasurer, William H. Howell; Executive Committee, Norman McLeod, L. C. W. Rolls, George Bethune. The first practice game will take place at Bennett Park Monday evening next. The address of the secretary is 43 Plum-street.

STOUFFVILLE BICYCLE CLUB.

Stouffville, April 28.—The Stouffville wheelmen met this evening for the purpose of reorganizing. The following were appointed officers: Hon. president, W. B. Sanders; president, Dr. D. C. Smith; vice-president, M. M. Brent; captain, W. J. Alerrens; first lieutenant, Geo. Smith; second lieutenant, Lorne Somerville; bugler, Bert Bray; sec.-treas., Mr. Defoe; Committee of Management, Dr. Sangster, M. M. Brent, Robert Dewar, Hy. Sanders, W. J. Smith. The club has decided to join the C.W.A. and inaugurate weekly runs.

FAST TIME BY MURPHY.

Savannah, Ga., April 28.—At the spring meeting of the Savannah Cycle Club yesterday, C. M. Murphy of New York broke the world's record, held by J. S. Johnson, for 100 yards, with a standing start, in 9 1-5 sec. Johnson's record was 9 2-5 sec. In the half-mile exhibition, for which Harry C. Wheeler, F. J. Jenny of Utica, N.Y., and W. B. Young of New York entered, Jenny won by two feet in 1.19 4-5. Murphy broke the track record for half a mile, made three years ago by Zimmerman, in 59 1-5 sec. Zimmerman's record was 1.06 3-5. Murphy was paced the first quarter by Wheeler, and rode the second quarter unpaced.

THE NEW ENGLAND REGATTA.

Providence, R.I., April 28.—Efforts are being made to make the rowing regatta which is to be held in this city July 4 the biggest event of the kind ever held here. Already promises from rowing clubs in New York, Philadelphia, Boston, Pawtucket, the Island Rowing Club, and the Passaic Rowing Club, have been received. The event will be under the auspices of the N.E.A.R.A. The races will be for eights, fours, doubles and singles, and will be over a three-quarter-mile course, except that for eight-oared shells, which will be one and a half miles straight.

WITH THE HOUNDS.

Another Capital Run From Minn's Hotel to Rosedale Ravine—Club House Opening.

There was an unusually large turnout for a Tuesday meet of the Country and Hunt Club yesterday afternoon, notwithstanding the threatening weather. Minn's Hotel, Davisville, was the point to which the riders made their way, and shortly after 4 o'clock the master gave the word, and the hounds moved off. Following were present: President D'Alton McCarthy on the Count; the master, Mr. George Beardmore, on The Maligned, Mr. Wellesley Ricketts on Mettle, Mr. James Carruthers on Grey Friar, Dr. Grasett on Madge, Mrs. Grasett on Jerry, Mr. E. Cronan on Jack (a clever mount of the M.F.H.), Mr. R. O. McCulloch on Monte, Mrs. Arnoldi on Fairy Queen, Mr. L. Gibson on Lipsy, Mr. Fred Doane on Bonny Briar, Mr. Joe Doane on Amos A., Mr. Robt. Skinner on Battle Cry, Mr. Phillips on The Maid, Dr. F. A. Campbell on Melbourne, Mr. George Carruthers on Kiltie, Master Edgar Carruthers on Glen Fox, Mr. A. Loudon on Max, and Mr. W. Shields on Everett. Baronet, Lawrence and Waterloo were also out, ridden by professionals. The hounds were taken north of Davisville and cast off just east of Yonge-street. The scent lay eastward as far as Robert Davies' Thorncliffe Farm, thence south over the Don flats, crossing by Taylor's paper mills to the Rosedale ravine, where the run was brought to an end.

The run was a capital one and thoroughly enjoyed by the large gathering, thanks to the master for providing such an excellent afternoon's sport.

The new club house will be opened on Friday, and it is said that Mr. Wellesley Ricketts will be the new house secretary. A new huntsman has been engaged in the person of Nichols, a brother to the huntsman of the Montreal hounds.

CANADIAN FOX TERRIER CLUB SHOW

The Fox Terrier Club show opens to-morrow morning in the hall at the corner of Yonge and Shuter-streets, with the best collection of fox terriers that have ever graced any show bench. The best representatives from the United States and Canada will have arrived in the city by Thursday morning, and will be judged later on the same day by that well-known authority on this breed, Mr. T. S. Bellin of Albany, N.Y. The committee has spared no pains or expense to make this exhibition the best, both in regard to quantity and quality, and the public should show their appreciation by visiting this exhibition early and often.

ORTON'S WONDERFUL RUN.

U. of P.'s victory over Yale in the relay race was due solely to the wonderful run of George W. Orton, the Toronto flyer, in the last mile.

He was handicapped, says The Philadelphia Record, on the start of the last mile by a 50-yard lead, which J. Hinkley of Yale began with. Hinkley judged his pace well, and, though he ran a fast quarter, Orton overcame at least half the distance before it was completed. Orton pulled up steadily upon the second lap, and with a half-mile yet to run was but ten yards behind his opponent. Here the Pennsylvania runner appeared to take things easily, running behind the Yale man until within a few yards of the completion of the lap, where he passed him amid great applause. Orton steadily pulled away from his opponent, and won as he pleased by at least 50 yards. The time for the five miles was 24 minutes 5 4-5 seconds.

The times for the various distances throughout the race were extremely slow, except in Orton's mile. Jarvis completed his mile in 4 min. 53 1-5 sec.; Overn's mile was made in 4 min. 53 2-5 sec., and Mechling's in 4 min. 53 sec., which Lewis bettered by about 15 sec., roughly estimated. Orton's time was approximately 4.28. Hinkley had about 60 yards' start before Orton began. The time from Hinkley's start until the completion of the race was 4 min. 37 2-5 sec.

SPORTING NOTES.

It was found necessary to kill Kennel, the horse that fell at Bennings on Saturday. Kennel's shoulder was almost torn from his body in the fall, and there was no hope of his recovery. John McCafferty, his owner, who was up, is reported to be getting on very nicely and will soon be on his feet again.

H. M. Ripley, the well-known gentleman rider, is believed to be dying as a result of Banquet II. falling upon him at the first hurdle in the great Sandown hurdle race at Sandown Park last Saturday. Banquet II. is owned by Capt. Aiken, but was formerly the property of Michael F. Dwyer of New York.

Straight From Kilmarnock.

Mr. Score, on his recent visit to Scotland, purchased an exceedingly fine line of genuine Kilmarnock tweeds in the n west patterns, which they are selling in suits for $20 cash. This is, without doubt, most wonderful value for such goods, as they are really worth at least $28. Scores' reputation as high-class tailors is quite sufficient guarantee that anything they turn out is "good." Furthermore, their cutters and fitters are most painstaking. A call would be most convincing.

The Argyles would like to arrange games with some intermediate teams in the city. Address all communications to F. Hall, secretary, 56½ King-street east.

The KNICKERBOCKER ICE Co.
DEALERS IN AND SHIPPERS OF PURE

Lake Simcoe Ice.

TELEPHONES 576, 2448 and 2067. OFFICE: 165 Richmond-st. West. Docks: Foot of George-st.

We do no injustice whatever to any of the other ice dealers of this city when we state publicly that we have cut and shipped during the past winter more Lake Simcoe Ice than any other Ice Company doing business in this city.

The proof of this lies in the fact that we have paid the Railway Cos. more money in freight on Lake Simcoe Ice during the past winter than has been paid by all the other Ice Companies put together.

Ice is one of the necessities of the present age, and as a preservative of food it could not be replaced. Its use in the household means economy, but quality should be insisted on; therefore, get your supply from THE KNICKERBOCKER ICE CO., and you will be sure of obtaining the very best ice in the market.

Our drivers are civil, steady and attentive, most of them having been in our employment for years, and testimonials received certify to the satisfaction given.

Our Agents are now calling on old customers for renewal orders. Lest they overlook you in their rounds, kindly send post card to

Yours very truly,
WM. BURNS,
MANAGER.

AUCTION SALES.

MORTGAGE SALE

of that Valuable Freehold Property known as

LONG BRANCH SUMMER RESORT

Under and by virtue of the Power of Sale contained in a certain mortgage, which will be produced at the time of sale, there will be offered for sale by Public Auction, on Saturday, 23rd May, 1896, at 12 o'clock noon, at the Auction Rooms of Messrs. Dickson & Townsend, Manning Arcade, Toronto, the following property, namely:

That part of lot number nine in the broken concession of the Township of Etobicoke, as described in Registered Instrument No. 5518, containing ten acres, more or less, beautifully wooded, and having a frontage on Lake Ontario of about seven hundred feet, all of which front is graded and sodded, sloping towards the lake, and is well protected by stone-filled cribbing.

The wharf extends out into the lake about six hundred feet, and is substantially built on stone cribs.

This attractive summer resort, being about eight miles from Toronto, is easily reached by rail or boat. It is surrounded by about two hundred building lots, enclosed within a five-foot special reserve, and fenced, and upon which are already built about fifty beautifully designed summer cottage homes. The residents are contributing to the resort property for electric light, water, steamboat and other services, while still one hundred residential lots are available for building and future extension.

On the premises is erected a modern elegantly designed and well built hotel, with slate roof, containing twenty-three bedrooms, large dining room, office and kitchen, and all conveniences. It has a frontage of about one hundred feet by a depth of about seventy feet.

The hotel furniture and all other chattels used in connection therewith can be had at a valuation. The same is complete in every particular and in every way suitable to the convenience and comfort of the large number of guests who from year to year patronize this very popular summer resort.

The dancing pavilion, carousal, boathouse, photo gallery, etc., furnish all that could be desired for picnic parties.

There are on the premises electric light, dynamo, lamps and wire; steam force pipes for water supply, with complete park system of iron water mains; engine and machinery for the carousal; in short, every requisite for a well managed summer resort.

Terms: Ten per cent. at the time of sale, 30 per cent. within thirty days thereafter, and the balance, 60 per cent., to be secured by a first mortgage on the premises for three years, to bear interest at 6 per cent. per annum, payable half-yearly. The purchaser to have the option of paying cash.

A complete list of the chattels, particulars of engines, etc., and all other particulars and conditions of sale, may be had on application to Messrs. MACLAREN, MACDONALD, MERRITT & SHEPLEY, of 28 and 30 Toronto-street, Toronto, Vendor's Solicitors.
