St. Mikes play St. Peters tonight.

* * *

The boys at Sunshine Park are playing faster ball than they were last season, which may be accounted for by the great improvement in the diamond and the rounding off of the rough corners in the teamwork of the various nines themselves.

* * *

St. Martins seem to have the edge on the other outfits in fielding and running the bases. This is due to the fact that most of this team are veterans, while the other nines are comprised largely of youngsters with only one or two years' experience.

* * *

The St. Marys boys are hitting the ball harder and more frequently of late and show an obvious improvement over their style of play in the first series.

* * *

The Stratford nine is coming here Saturday to do battle with Jimmie Fitzmaurice's Knights of Columbus team. This should make an interesting affray as the Knights are going at top speed, and the Classic City crew have a number of varied scalps in their wigwam this year.

* * *

Remie Durand, the Assumption boy who early this season held the Port Huron Mint team to a no-run, one-hit game, will toe the slab for the Stratford crowd.

ADDS TO FAME AS FUN CENTER

Port Stanley Enjoying Most Successful Season in History of Resort.

Increases in International Popularity As Mecca For Summer Vacationists.

A wise philosopher once said: "A little fun now and then is relished by the best of men."

That old adage has proved itself true scores of times for years without number, and every community has its fun centre to which one can slip away over a week-end or a holiday and forget that such things as crowded thoroughfares and dusty streets ever existed.

As July draws to a close Port Stanley, which has already gained an envious reputation, not only in Ontario, but in certain sections of the United States, is enjoying the most successful season of its colorful career.

Tourists from all parts of the country are including Port Stanley on their list of stop-overs, and thousands of the city's weary and rest-seeking populace journey to the lakeside every week-end to enjoy for a few days the breezes of Lake Erie.

This year the resort has far better and more facilities to cater to its visitors than during any other year. Both private and public property has been greatly improved, and many new buildings and devices have been erected.

Draws Rich and Poor.

Port Stanley is not a rich man's watering-place, but everybody's playground, where rich and poor alike can share in all kinds of pleasures. There are beach movies, picnic grounds, baseball diamonds and playgrounds apparatus, which are absolutely free.

If one prefers to stay in the lake during an afternoon, one can rent a bathing suit and check one's clothes for a comparatively small sum at the London and Port Stanley bathhouse. And what joy there is to be found on the beach! The beach at Port Stanley is one of the finest stretches of sand in Canada. The floor of the lake slopes gradually outward, minimizing the danger of children getting into difficulties when in the water.

In addition to the 1,000-room bathhouse and all its facilities, and the diving boards and sliding boards in the lake, there are other conveniences for those who love the water. One can take boat trips on the lake in a small-sized steamer for a small sum, or one can hire a canoe or a rowboat. On sunny afternoons the harbor and the river are dotted with small craft.

Beach Shades Provided.

Adjoining the bathhouse, swings, sliding boards and other attractions have been provided for children. For mothers who sit on the beach and watch their tiny tots wading in the lake, umbrella-shaped shades have recently been placed on the beach.

At the Casino can be found all manner of conveniences and amusement places. Here one will find one of the finest dance floors in Canada, and one of the best orchestras on the Great Lakes or at any of the resorts along their shores.

Food can be obtained at reasonable prices at the lakeside. At the London and Port Stanley Railway cafeteria and many lunch counters along the board walk and on the hill the best of service is given.
