THE WEATHER.

The Rain Fall—Sunshine, and Temperature During July.

The storm last night, especially between the hours of ten and two, was a remarkable heavy one, and more than half an inch of rain fell during that time.

About 8.15 last evening a light shower began, and from that until 6 o'clock this morning continued with out cessation, the fall measuring. 71 inches. Thunder and lightning accompanied the rain for an hour or two.

Although the weather so far this month has not been promising, last month was very pleasant indeed, the weather prophet smiling kindly just when wanted. Following is a summary of our climate in July this year as compared with July of last year:—

JULY.	1888.	1889.
Highest tem'ture deg	77	deg. 76
Lowest " "	45	52
Tri-daily mean	58.8	60.2
Rain fall.	inches.	inches.
1st week	.400	.680
2nd week	.850	.660
3rd week	1.200	1.500
4th week	.690	.750
Total for month	3.230 in.	3.610 in.
Time of falling	67.45 hrs.	84.5 hrs.
Sunshine	228 hrs.	217 hrs.
Mean cloading	55 p c	64 p c
Fog	54 hrs.	125 hrs.
Wind movement	4.918 mls.	5.441 mls.
Aver more per hr.	6.6 mls.	7.23 mls.

It can thus be seen that while the rain fall during July 1889 has been slightly greater than during the same month of last year, and the fog somewhat thicker, the temperature has not been extreme. The weather has kept warmer and cooler at the same time. The number of hours of sunshine last month was less than of July 1888, and the average wind movement was greater.

Reports of the weather which is being experienced along the coast of Maine go to show that there has been more fog this year than for a long time heretofore.

Winds blowing in any of several directions may carry the fog banks, which lie off Newfoundland, directly on to the coast of Nova Scotia and Maine, while only a south westerly wind can bring the fog of the Bay of Fundy to St. John. Thus the excessive amount of fog experienced by Halifax is accounted for.

The Jesuit Estates.

The Evangelical Alliance met in special session yesterday afternoon to hear the report of the delegates to the anti-Jesuit convention in Toronto.

Rev. Mr. Fotheringham said the convention was attended by over 700 delegates, before they who had to show their certificates could share in the deliberations, and in the audience the very cream of the moral sentiment of Toronto was present. It was a meeting of patriots and Christains. Rev. Mr. Saer said he was inclined toward peace rather than agitation, but it had been distinctly asserted at the convention that this was not an attack upon the Roman Catholic church. A great army of learned men had met in Toronto. That province was stirred as never before, and it had been said that this was one of the most important questions that ever agitated this country. It had been forced upon the Protestants that they must meet it with firmness. The Jesuits who had been expelled by so many nationalities, had been incorporated here. They were not incorporated—could not be—in England, Scotland, or even Ireland. Yet they were incorporated in this Canada of ours. More than that, the society had been endowed. As Rev. Mr. McDonnell has said in Halifax, you might as well incorporate the Fenians, or a society for the propogation of small pox, for wherever they went discord and trouble followed. Again, this is the endowment of a church. And, lastly, we owe allegiance only to her sovereign majesty the Queen. We should not allow any interference on the part of the pope.

Rev. Mr. Bruce said it was a very significant fact that the Equal Rights association was attacked from both sides. Its platform was not attacked at all, but the reformers said, "It is intended to put Mowat out of office;" the conservatives said, "you are trying this scheme to oust Sir John." The speaker denied that there was any attack on the Roman Catholic church. It was a calm and deliberate demand for equal rights to all classes. He believed that the reason Hon. Alexander Mackenzie had risen from a sick bed to record his vote against Col. O'Brien's motion, and that so many more had voted on that side was that they believed the only point at issue was a question of provincial rights, such as had been raised over Algoma and the rivers and streams bill.

The following resolution was moved by Rev. Mr. Fotheringham, and adopted:

Resolved, That the St. John branch of the Dominion Evangelical Alliance heartily endorse the principles as expressed in the resolutions of the convention held in Toronto, June 11th and 12th, and expresses its full sympathy with their petition for the disallowance of the Jesuits estates act.

In his remarks near the close of the meeting, Rev. Mr. Fotheringham said: If is is decided that the B. N. A. act sanctions the Jesuit estates legislation, then the B. N. A. act needs looking after.

A meeting of the Evangelical Aliance will be held in the parlors of the Y. M. C. A. on Monday next at 5 o'clock.

The County Court.

In the case of Bell vs Legere in which The Canada Temperance Act was pleaded as defence, the jury rendered a verdict for the defendant.

Charles Doherty for plaintiff. Mr. Porier for defendant.

In re Jeremiah Kelly jr by Jeremiah Kelly senior his next friend vs John Berryman which was before the court all day yesterday, the jury, this morning returned a verdict for the plaintiff, of one hundred and fifty dollars.

This was an action against the well known doctor for damages for injuries caused by him in knocking down and driving over the child plaintiff, the wheels of the defendants carriage as alleged having gone over the child's head.

J. L. Carleton for the plaintiff. C. N. Skinner Q. C. for the defendant.

The case of John H. Baird and Charles H. Peters Jr. vs Alward N. Harned is now before the court and will probably occupy the remainder of the day.

M. McDonald for the plaintiff and John Kerr for defendant.

At the close of this case the court will probably adjourn.

Personal.

Mr. J. Teller of Denver, Col., is in town. This gentleman is a brother Ex-secretary Teller, now Senator for Colorado. Mr. Teller has been in Halifax and found it a very dull place. He was very much disappointed in it, but he was agreeably surprised at the appearance of St. John, which he thinks is a live town full of enterprise and go.

THE NATIONAL LEAGUE.

Chicago, is now within a step of Cleveland, having won from that club yesterday. Boston gave up the ghost to Washington, while honors between Pittsburg and Indianapolis in two games were equally divided. The New York-Philadelphia game was postponed on account of the rain.

At Chicago, Chicago 3, Cleveland 1. Batteries—Gumbert and Darling; Beatin and Sutcliffe.

At Washington, Washington 3, Boston 2. Batteries—Haddock and Daily; Clarkson and Bennett.

At Pittsburg, Indianapolis 7, Pittsburg 6. Batteries—Anderson and Myers; Sowders and Miller.

Second game, Pittsburg 10, Indianapolis 3. Batteries—Staley and Miller; Anderson and Myers.

ANOTHER VICTORY FOR THE SHAMROCKS.

At Houlton yesterday the Shamrocks again defeated the local team by a score of 8 to 6. Both batteries did great work and the fielding of the teams was excellent. The score by innings stood:

Shamrocks	2	0	1	0	1	0	1	3	8—8
Houltons	0	0	3	0	0	0	2	1	0—6

Base hits—Shamrocks 9, Houltons 5.

Errors—Shamrocks 7, Houltons 8

Batteries—Shamrocks, Sullivan and Donovan; Houltons, Plummer and Wise. Struck out, by Sullivan 15; by Plummer, 6.

THROWN OUT.

St John at Fredericton to-day.

Burns and Coll are the opposing battery.

The Thistles and Portlands at the Shamrocks grounds to-day.

James Christie will umpire both games.

The Augustas play in Halifax August 17.

Robinson left for Moncton this morning.

He left, he said, to pitch against the Socials in a game there to-morrow.

The Recorder, however, says that the Socials do not play at Moncton to-morrow, but that they have requested the Monctons to play at Halifax Saturday, and received no reply.

The Shamrocks of St. John are desirous of arranging a game with the Socials in Halifax next week.

The Monctons play at Halifax during Carnival week.

The John P. Lovell and Woven Hose teams play games near Boston on Saturday. The Lovells will arrive at Halifax Monday night, and the Woven Hose Tuesday.

A Bangor paper says there is great rivalry between the St. John A. A. Club and Fredericton B. B. Club.

The last game of baseball didn't look like it.

Webb, of the Presumpscots, has signed to pitch for the Moncton base ball team the remainder of the season. He will report to them the latter part of this week.

Some papers talk about there being a question about the best shortstop. That was settled long ago. John W. Glasscock of the Indianapolis club is admitted to be clearly entitled to the first place. His fielding alone would entitle him to supremacy; but take his batting, base running and coaching abilities into consideration, and he is way on top.—Boston Herald.

At Bangor Wednesday, the Bangor team was defeated by the Brooklines by a score of 2 to 0. Ruby, the pitcher of the home team, is credited with great work, in the box and at the bat, and seems to have made a very favorable impression as a coacher.

Bangor has lost a large percentage of its games, notwithstanding the strenuous efforts of Manager Toole. If a high standing were made possible by signing and releasing players, Manager Toole and his Salvation Army would get there every time.

Athletic.

HALIFAX ATHLETES.

The three mile walk on the W. A. A. C. Grounds Tuesday evening had four competitors. Frank Grierson won, walking in fine style; W. W. Walsh a good second; H. Oxley a good third. All four competitors should be heard from later in the season.—Recorder.

CHANGED THEIR MIND.

The secretary of the Maritime A. A. Association has been chosen from Halifax, not from St. John as was at first intended.

THEY COST BUT A TRIFLE.

The managing committee of the St. John A. A. club should see to it that proper jumping weights be procured before the annual and championship meets in the fall.

Practice at the grounds on this account has hitherto been impossible. A regular scale of jumping weights should be at once procured.

The Ring.

ASHTON AND JACKSON FIGHT OFF.

NEW YORK, July 31.— The six-round glove contest between Jack Ashton and Peter Jackson, the giant Australian negro, has been indefinitely postponed. Parson Davies, Jackson's manager, telegraphed Billy Madden to-night to let the affair go over for a time. The men will probably meet in September in a friendly set-to. Jackson has never sparred in the east.

Cricket.

AT ROTHESAY.

The Rothesay cricket team yesterday defeated the Stone Church boys by an inning and 15 runs, scoring 53 in their first, to 25 and 13 by the church boys.

AT HALIFAX.

The cricket match between the Torontos and a combined team of the Wanderers and the Garrison at Halifax resulted in a defeat for the Torontos by an inning and 84 runs.

In the first inning the Torontos made 110 and 71 in the second, to 229 made by the combined eleven.

MR. BARKER SAYS A WORD.

The Acadian Recorder prints the following correspondence in reference to the Toronto vs. Maritime Provinces match which was to have been played at St. John, but which will now be played at Halifax:

ST. JOHN, N. B., July 29.

W. A. Henry, Esq., Chairman W. A. A. C. Cricket Committee.—

Dear Sir:—Yours 27th. instant to hand this a. m., and I have placed the same before our committee. They instructed me to write Mr. Brown, manager of the Toronto cricket team, saying that he would leave it with him to decide whether his team would come here and play us a return match or remain with you and play an all Halifax twelve.

Our boys feel somewhat sore over the matter, but anything you may see in print in reference to the same does not come from our committee, I can assure you.

We expect to be in Halifax to play on August 14 and 15, and if all goes right we will send the strongest team over that ever represented St. John on the cricket field away from home.

If we sent representatives to the match in Halifax this week we could not send a team later, as our men would not go over twice.

Trusting once more, that you will not hold our committee responsible for the article in tonight's "Globe," and to whom I gave no information.

I am yours, &c.,
W. S. BARKER
Sec'y A. A. Club.

On Tuesday evening a valuable horse belonging to Dr. John Berryman kicked his left hind leg over the stall of his stable and it so badly that he had to be shot yesterday.

William Sullivan, the man reported in yesterday's issue as having jumped from the roof of the alms house building, died yesterday from the injuries he received.

The Portland library, closed during the past month, will be reopened to-morrow afternoon. The rooms have been thoroughly renovated and now present a handsome appearance.

Mr. W F B Paterson, lately employed in the job office of the Telegraph, has purchased the good will and plant of the Restigouche Pioneer, a weekly newspaper published in Campbellton.

It is stated that the Short Line survey will be completed in ten days when the work of location will be at once commenced. Vernon Smith says the line from Harvey to the Intercolonial will be 30 miles shorter than the present route.

MANCHESTER, ROBERTSON & ALLISON,

The temple of the sun at "Tadmor" in the wilderness has fallen; but the traveller slakes his thirst at Jacob's well, a striking illustration of the survival of the fittest. Just here it can be said that our IDEAL SOAP still pursues the even tenor of its way, while other brands which have had a short run have fallen into ruins, and the survival of the fittest is sure to succeed.
