FOR THE FALL RACE MEET.

Handicap Weights as Announced Have Given General Satisfaction.

CONDITIONS FOR FARMERS' RACE.

Military Cup Entries Close Sept. 15 —The Full Program Just Published.

The weights for the handicaps for the autumn race meeting, beginning Saturday, Sept. 23, and ending Saturday, Sept. 30, published yesterday, have given general satisfaction. There are some discussions about the weights of Mr. Jersey and Cobourg in the 2-year-old event, but it must be remembered that one is a maiden and Mr. Jersey has only won one race, and it is not thought he can carry weight. In the list for the Canadian Handicap, Kittle Regent, 99 lbs., was omitted. The committee, at the request of a number of gentlemen who have been good enough to subscribe towards the purse, have decided to add a farmers' race, to be held early in the week. The conditions of the farmers' race are as follows:

Farmers' race; purse, $250, of which $60 to second and $40 to third; entrance, free; for horses which have never started in an open race and which have been bona fide the property since the 1st of March, 1899, of farmers who own, cultivate and live on farms in the Townships of York, Scarboro, Markham, Vaughan or Etobicoke; to be ridden by owners or their sons; thoroughbreds, or horses which have ever been in a training stable, barred; weight, 154 lbs.; overweight allowed; 6 furlongs.

The entries for the Military Cup will close on Sept. 15, while the entries for the other events not yet closed will close during the meeting. The full program has just been issued, and the order of events is as follows:

Talent Up Against It.

Fort Erie, Sept. 8.—Ladies' Day at the track drew out a large crowd this afternooon . The talent had a hard time of it, only one favorite winning. Sautelle, 5 to 1, in the first race took the lead at the drop of the flag and was never headed. Done, the favorite, finished last. Daily Report, a hot favorite in the second race, ran fourth to Ice Drop, who came away when ready and won by a neck from Vohicer, the second choice. Passaic opened favorite for the third race at a mile and well she might, as she made a runaway of it, winning, pulled up, by four lengths from Alice Farley. Shrove Tuesday, a second choice, beat out May Jane, the favorite, in the fourth race. Manzanita, somewhat overlooked in the betting, won the fifth race in a close drive with Compensation. C. A. A. U. Championships.

The entry list for the C.A.A.U.'s championship meeting at Rosedale on Saturday next is daily growing larger. Each event promises to be well filled, and the public may rest assured that the contests will be of the highest order of merit. It is now probable that a new record will be established for the 100 yards, as Duffy of the East Boston A.A., Krasenzlem of the N.Y. A.C. and W. L. Stephens of the Halifax Wanderers, who respectively ran one-two-three in this event at the A.A.U. championships two weeks ago, will all be here.

Duffy, it is claimed, is the fastest man at the distance in the world, but Stephens, when in fit condition, which he was not when he competed in Boston, is believed to be his peer. The N.Y.A.C. representative is not to be overlooked; neither is Newman, the young Canadian who recently made a century in record time. So the race promises to be a memorable one. In the hammer-throwing contest, Flanagan will not have everything his own way, as in Boston. Hawkins of St. Mary's, a new star in the athletic firmament, he will have a competitor whom many look forward to as the coming champion. Alex. Grant, another Canadian boy, will be a competitor in the mile run. Knox and Gill of Orillia, who are entered in the pole-vaulting and high-jumping events, are two more Canadians from whom great things are expected. The entry list closes Tuesday next, with the secretary, O. Heron, 16 West King-street. The following will be the events (the entry fee to each is 50c.): 100 yards run, 220 yards run, 440 yards run, half-mile run, one mile run, 120 yards hurdle run, pole high leap, running high jump, throwing 56-lb. weight, running broad jump, putting the shot (16 lbs.), throwing the hammer (16 lbs.).

Sailing Skiff Race.

The last of a series of races held by the Local Skiff Regatta Committee, which is composed of the different clubs of the city, will be held to-day under the auspices of the Royal Toronto Sailing Skiff Club. The Argonaut Rowing Club have kindly consented to give the committee the use of their club house for this race, and any who desire to view the same will find ample accommodation at the Argonaut Rowing Club quarters at the foot of York-street. The race will start at 3 o'clock over the usual triangular course.

CORNWALL AND SHAMROCKS.

Toronto and Capitals Go Against Lacrosse Leaders To-Day —The Record.

Two games are scheduled for to-day in the Senior Lacrosse League, and both Shamrocks and Cornwall play. Cornwall meets Toronto at Rosedale and the Shamrocks have the Caps at Montreal. The result of these games may make a big difference in the race. If either of the leaders should lose it would practically mean the championship for the other, as there is only one point difference between them. The standing:

	Won.	Lost.	To play.
Shamrocks	8	2	2
Cornwall	7	2	3
Nationals	5	3	4
Toronto	6	3	2
Capitals	4	5	3
Sherbrooke	2	8	2
Quebec	2	10	0

Games to-day: Capitals v. Shamrocks at Montreal, Cornwall at Toronto.

Toronto Rod and Gun Club.

The usual weekly shoot of the above club will be held at Woodbine Park this afternoon, commencing at 2.30 o'clock. Owing to the approaching fall races on these grounds, this shoot will be the last of the summer series. A representative attendance is requested. On Monday, Sept. 11, at 8 o'clock the last executive meeting of the club year will be held, when considerable business pertaining to the election of officers and fixtures for the ensuing year will be discussed, therefore it is imperative that every member should be present at this meeting.

The game between the Young Torontos and Elm-Tecumsehs for the city championship, which was called for to-day, has been postponed.

Brooklyn Shut Out Boston This Time and Umpire Emslie Was Cheered.

The Islanders pulled themselves together yesterday and beat out Dooley's team, so they must drop a double-header to-day to get below the .500 mark. In the big league across the line, the games continue interesting, and, though the season extends through the month, Brooklyn can scarcely lose the pennant.

At Syracuse—Owing to errors, principally those of Steelman, the new pennant winners got a good lead early in the game. Then by Calhoun's unstained hitting and better pitching by Phanmiller, the score was tied. In the 8th Calhoun's triple, Griffin's single, Hargrove's double and Dundon's homer made four runs, and hits of O'Neil and Lynch made another.

Emslie Was Cheered.

Brooklyn, Sept. 8.—The Brooklyns played championship ball to-day and shut out the Bostons easily, not a man of the team reaching third base. Hughes was in winning form and received brilliant support, the infield doing exceptional work. Jennings was all over the lot, playing wonderful ball, both at the bat and at first. Nichols was batted in lively style, but faultless support kept down the runs. Emslie was cheered when he came on the field. He refused to make a decision on a play that the second umpire, Dwyer, failed to see, but nothing was said.
