WHITE CLOVER'S GOOD TRIAL

Hendrie Plater Runs the Distance in 2.20, the Best So Far for the Woodbine.

DYMENT HORSES AT THE TRACK.

Favorites Win Half the Monday Races at Morris Park—Summaries and Entries.

Several good trials were made yesterday morning on the Woodbine track.

Oakville Maid was sent a half in 56.

The Boyle platers are improving each day and taking to their work splendidly. Yesterday Manoeuvre and Bringloe were sent the full Plate distance in 2.22. The journey was nicely done.

Bill Stull's big horse Credential worked out a half nicely in 55.

Yesterday was the first day for working over the steeplechase course, and a number of trainers took advantage and sent their timber-toppers out for work. Among those that were put over the obstacles were: Wexford, Garter King, Jack Carey, Brown Girl, Belle of Elkton and Orpen's Livonian. The lot did their work satisfactorily.

Annetburn was credited with a mile and a half in 2.48.

The Hendrie horses were out for their usual work. Some were only galloped, while others were let down. The best work of the lot was done by White Clover. She was sent out with Miss Elwood, Martimas, Dance and Laverock. The older horses set the going, and the Plate distance was negotiated in 2.20, White Clover being well up at the finish. The mile was done in 1.51. This is the fastest time for the Plate distance so far this season. The filly did it with full weight up. Of the 2-year-old splash, Flicker and Maple Sugar ran a half in 54.

The Seagram horses will be worked at the Woodbine to-day.

Joseph Duggan's lot were given good work. Morni, after his trial on Saturday, was only breezed along.

The thoroughbreds owned by John and Nat Dyment are now stabled at the Woodbine. The list:

Jessamine Porter, by Courtown—Edith C.
Ice Drop, 3, by Favordale—Mag.
Caustic Balsam, 2, by Disturbance—Edith.
Flying Bess, 5, by Courtown—Annie D.
Maritana, 5, by Courtown—Annie D.
Lady Voltaire, 3, by Courtown—Annie D.
Magog, 3, by Courtown—Hyala.
Belcourt, 3, by Courtown—Annie D.
Silverlocks, 3, by Superior—Minnie Lightfoot.
Fred Perkins, by Perkins—Our Freddie.
Vint, 3, by Superior—Rosabelle.
John Dyment owns the three first named. The new arrivals were all given light exercise on the track during the day. Jockey Herbert McCann, a promising lad, formerly of Toronto, came down with the lot.

Ed Kelly, who rode Livonian two good races at Memphis, was at the Woodbine with his charge yesterday morning. Kelly is a promising boy, and will have several mounts here this spring.

Blue Grass Stakes for Grayless.

Louisville, May 7.—The Blue Grass Stakes, valued at $1500, for 3-year-olds, was the principal event to-day. The race proved a good one, half a length separating Grayless, the winner, from Love's Labor, who was half a length in front of Celeritas, the favorite. Wedderstrand was lucky in getting Grayless well placed, and when he was ready came on and won in a drive. It was a pretty struggle for the place, Love's Labor lasting long enough to stall off the whirlwind rush of Celeritas. The time, 1.21½, was excellent, considering the condition of the track, which was sticky. Only two of the six favorites landed in front.

First race, ½ mile—The Auditor, 108 (Littlefoot), 5 to 1 and 3 to 2, 1; Isobel, 110 (Wedderstrand), 6 to 5 and 1 to 3, 2; School for Scandal, 105 (Michaels), 6 to 1, 3. Time 50 seconds. Dr. Preston, His Eminence, Pacquella, Bob Baker and Royal Morel also ran.

Fifth race, 1 1-16 miles, selling—May Elibolin, 112 (Boland), 3 to 5 and out, 1; Beana, 103 (Crowhurst), 6 to 1 and even, 2; Nellorinsn, 98 (May), 15 to 1, 3. Time 1.50¾. Kilt, Little Billy and Garrabrant also ran.

Form in the Handicaps.

New York, May 6.—One of the most important debatable points raised in the Metropolitan aftermath is how far the form will hold true in the Brooklyn, Suburban and Brighton Handicaps.

In all these Imp is set to carry top weight and concede a pound to Ethelbert, the same basis on which they met last Saturday. Box, who split the pair at Morris Park, with 121 pounds up, received an allotment of 118 in the Brooklyn and 117 in the Suburban and Brighton. Voter is rated in all three as two pounds better than Box.

The program for this week at Westchester bristles with stake attractions. In addition to the Toboggan to-morrow, there is the Larchmont, a 7-furlong stake for maiden 3-year-olds. Wednesday's features are the Bouquet Stakes for 2-year-olds, and the St. Nicholas hurdle race. The specialties for Thursday are the Harlem, for 3-year-olds and upward, over the Withers mile, and the Crotona Handicap of 6 furlongs. Saturday's card will be signalized by the running of the popular Withers and Fashion Stakes and the New York steeplechase. All these events have filled well, and should furnish sport worthy of the high standard reached on opening day.

TORONTO TEAM ALL RIGHT.

Manager Barrow Asks the Fans at Home to Stand by His Men For Awhile.

WON FROM WORCESTER HANDILY.

Providence Beat Montreal, Stars Outscored Springfield, Rochester Routed Hartford.

Manager E. G. Barrow writes a timely letter to the Sporting Editor that reads nicely this morning along with the story of the splendid victory at Worcester. The Torontos were up against a variety of evils, and the wonder is that even two games have been won. Mr. Barrow shows that he has still faith in his team and local fans may look to a fast rise in the percentage table. Here is the letter written on Sunday at Worcester:

"Just a line to ask you not to go back on the team for a while yet. We have been up against it good and hard in everything. The weather spoiled our practice at Atlantic City and our opening at Springfield. Three of my pitchers have sore arms, and altho the season is early we have been treated very badly by the umpires. Egan didn't do a thing to us at Providence. The scores don't show it, but he started our bad innings every time by rank decisions against us. The fact that he has played on the Providence team for the past three years should have kept Powers from sending him here."

The results yesterday made a change at both ends. Montreal took a tumble from the top, while Hartford showed again at the bottom. Arthur Irwin's stars are beginning to shine in earnest, and here's that they may continue to scintillate brilliantly until we are compelled to dim their lustre ourselves. The record:

	Won.	Lost.	P.C.
Providence	7	3	.700
Rochester	7	3	.700
Montreal	5	3	.625
Worcester	5	4	.556
Syracuse	4	5	.440
Springfield	3	4	.426
Toronto	2	6	.250
Hartford	2	7	.222

Games to-day: Montreal at Providence, Toronto at Worcester, Rochester at Hartford, Syracuse at Springfield.

A Canadian Team Beaten.

Providence, May 7.—Providence defeated Montreal to-day in a 10-inning game. Pitcher Braun batted the ball over the fence for a home run, after having been struck out three times, winning his own game with the stick. It was a fighting game all the way, Catcher McAuley had a thumb dislocated and split open in the seventh inning.

The Forward Movement.

Worcester, May 7.—Toronto struck its gait to-day. Alloway pitched superb ball, and until the fifth inning no Worcester player reached first base. Cockman fielded well, and Roach was a power with the stick. Errors by Rickert, Sheehan and Kittredge in the first inning gave Toronto three runs, and that mark was never passed by Worcester. Around the Ring.

Eddie Connolly has signed articles of agreement to box Pete Quinlan at Chicago in a 6-round bout. The match will be held a week from to-night.

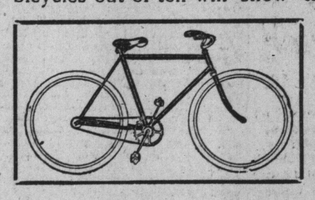
Tom O'Rourke has matched Jack Root of Chicago and Tommy Ryan of Syracuse to box at Coney Island, May 18, and Terry McGovern and Tommy White of Chicago for May 25.

Jack McCormick, the pugilist, has been matched to go 6 rounds with Ed Denfass before the Penn Art Club at Philadelphia on May 15. Jack Everhardt, the welterweight, is matched to go the same number of rounds with Matty Matthews at the same club on May 22.

Detailed accounts of the Matthews-Parker draw at Denver indicate that both men were aggressive thruout. In the 6th round Matthews brought a stiff right swing down on Parker's jaw, turning him around and felling him to the floor. Parker, however, arose quickly and went to shooting jabs and punches as if nothing out of the ordinary had occurred. Later Matty was straightened up by a stiff right-hand jab on the nose. He staggered a second, but balanced himself and went in for business almost instantly. Both men finished strong.

THE PLANET DROP-FORGED HEAD

A bicycle is just as strong and no stronger than the weakest part in it. Nine bicycles out of ten will show their first break in the frame where it connects with the head, because the head and connections are made of built-up tubing.



THE PLANET

is the one wheel out of ten, because it has a solid drop-forged head that it is impossible to break. It costs more than the built-up head, but is 1000 per cent. more satisfactory to rider and maker, and is one of the features that combine in making the Planet the most popular wheel sold in Toronto to-day. Call and see 1900 models, or send for catalogue.

TORONTO, HAMILTON OR OTTAWA?

Brockville Out of the Running for This Year's Canadian Association Regatta.

Brockville is out of the running for this year's Canadian Association regatta, and the event will go to Ottawa, Hamilton or Toronto. Secretary A. C. Macdonnell of the C.A.A.O. has already received written applications from these three rowing centres, and the selection will be made at the special meeting next Saturday.

Perhaps of more importance will be the notice of motion that will come up to amend the regatta rules of the association, so as to provide that hereafter no individual shall be allowed to compete in any senior event at the annual regattas of the association who has previously won the sail event twice, or been in a crew winning any such event twice, it being the true intent and meaning of this amendment that when a man has won the senior single sculls twice, or been in a winning senior four twice, he shall thereafter be debarred from further competition in either of such events. This amendment will also apply to senior pairs, senior doubles and senior eights.

The Man With the Auburn Hair.

"Talk about your girls with the auburn hair," said a Toronto gentleman, whose locks approach very close to the order of the thin, red line, "it is the man with the auburn hair that has his troubles. Not one tailor in ten can provide him with a suit that will look right. To-day, however, I struck an exception in Lauder, the tailor of the Yonge-street Arcade. He supplied me with a spring suit and a pair of $5 bicycle knickers that suited me exactly. They were right in every way, and at a price 50 per cent. better than many Toronto stores I've patronized."

Palmerston Cricket Club.

The Work You Save.

When you ride an E. & D. you get the benefit of riding bearings in which the pressure is not greater than the load.

In all bearings except the E. & D. four-point bearings the balls are subject to much more pressure than the weight of the rider, and the wheel runs hard.

The E. & D. wheel is the easiest-running wheel known. The bearings do it.

Locally-guaranteed National E. & D. bicycles are worth seeing. Call. We'll be glad to see you.

EX-AMATEUR BEAT THE PROS.

Kramer Won Half-Mile Race in Jersey—Bobby Thompson Second in His Heat.

New York, May 7.—Frank Kramer, the amateur cycle champion of 1898 and 1899, made his debut as a professional at the Vailsburg, N.J., board track to-day, and scored a victory in the half mile race against Freeman of Portland, Ore.; Mertens of St. Paul, Walthour of Atlanta, Bobby Thompson of Toronto, Fisher of Chicago and Jay Eaton.

When Kramer first faced the starter his chances were not considered worth more than a laugh by the veteran pros. Fisher won the first trial heat, with Freeman second. Kramer won the second cleverly, with Mertens at his heels. Eaton captured the next from Downing of Los Angeles, and Walthour won the fourth, with Thompson second.

Final—Frank Kramer, East Orange, N.J., 1; Freeman, Portland, Ore., 2; Jay Eaton, Elizabeth, N.J., 3; J. Fisher, Chicago, 4. Time 1.12 2-5.

LOOK WELL TO YOUR HORSES' FEET

For the Saying is: No Frog No Foot, No Foot No Horse.

Now, if you have a horse that is worth shoeing, have it shod well.

Remember, I don't keep a bargain day shop. I will have a fair price, and I want no cull work. I do none but the best work and I will warrant sound horses, without interfering, over-reaching.
