WANTED.—A great native LAD, about 16 years of age. Apply at this Office.

£100 REWARD.

WHEREAS some malicious person or persons have circulated a REPORT that SEVERAL HUNDRED CHESTS OF DAMAGED TEAS, *had in their possession*, and from the effects of salt water, poisonous in their nature, lately sold in the City, were purchased by me, I hereby offer a *REWARD of £100* to any person who will bring to conviction the author or authors, or circulators of such a report in false, malicious, unmanly and like, and intended to injure my reputation.

It is well known that I (self alone) have been the purchaser of the Teas and Coffees spoken of in Canada, that I have purchased the only establishment for the exclusive sale of Tea and Coffee in either the Upper or Lower Province, and, by my untiring exertions, have placed in the proud position which it now holds, overthrowing the immense amount of numerous opposition I had to encounter. It is also well known that I have never interfered with others; that I have never exposed the known fact of the utter impossibility of keeping Teas in a proper condition where lumpings, codfish, oil, soap, molasses, candles, snuff, tobacco, &c., &c., are kept; but when any good name is so cruelly and wantonly assailed, as in this case, I cannot overlook it, and have only to say, that should this calumnious slander be persisted in, the public may have a list of the names of the purchasers of the Damaged Teas, above referred to, which is now in my possession, as I again repeat, no man shall sport with my hard-earned reputation with impunity.

CRAMP AND PAIN KILLER.

THE MOST SUCCESSFUL REMEDY KNOWN For the cure of all Rheumatic Affections—Pain in the Stomach, Back, Side or Limbs—Stitches in the Back, Side or Limbs—Cramp in the Limbs or Stomach—Darting Pains, Bilious Cholic, Dysentery and Diarrhœa, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

THIS wonderful Medicine has effected many truly surprising cures in cases of the foregoing complaints, and we say no more than hundreds and thousands who have used it will assert, when we say there is no Medicine designed for that class of complaints, possessing more than a tythe of the power to relieve and cure of this.

We solicit particular attention to the fact that it does not contain a particle of *Opium* in any form. Neither does it contain *Camphor*.

It is free from any deleterious article, and cannot, in any supposable case, injure the patient.

It does not deaden the *Life Faculties*, nor produce the burning, drying, parching sensations, so much complained of in the use of other "Pain Killers."

It does not weaken the peristaltic motion of the bowels, producing *Costiveness*, and its attendant evils, but is producive of digestion, and of proper and healthy action in the stomach and intestine canal.

IN ALL RHEUMATIC AFFECTIONS,

Local Pains, &c., it has proved *surprisingly* successful, merely failing to *cure*, even in the most desperate and long standing cases. (See Certificate.) In those cases, the parts affected should be freely bathed, and then rubbed lightly, but briskly—not hard enough to hurt the patient, till an irritation is produced on the surface, and in severe cases the patient should take half a teaspoonful on sugar or molasses.

CRAMP IN THE STOMACH, OR BILIOUS CHOLIC,

We believe it will never fail to *speedily cure*. It should be a teaspoonful at a time, on sugar or molasses, or in any manner the patient can take it best, and the stomach and bowels freely bathed. And if in fifteen or twenty minutes the patient does not relie, repeat the dose.

DYSENTERY OR DIARRHŒA

Are speedily and easily *cured* by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA,

Which during the past season has swept off such fearful numbers, has been cured by it, we believe in every case, where it has been early and faithfully applied. In Bangor, where it proved singularly fatal, it was found to yield to this remedy, and CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the first Physicians, and by the Press, as the first, the surest remedy to be used.

As a dressing for Cuts, Wounds, Bruises, &c., it is without a rival. *As also in cases of Burns, Scalds, Frozen, &c.*—relieving the pain and *healing* without scar.

FOR TOOTHACHE

It is, nine times out of ten, a *CURE*. We believe it will *never fail*, unless the tooth is ulcerated. If the tooth is hollow, saturate a little lint and put it in the cavity. Hold some of it in the mouth. If the face is swollen bathe with it.

Bathing the head with it is generally a cure for the *Headache*.

We are constantly receiving certificates from every part of the country, many of which may be seen in newspapers, and in pamphlets, which may be obtained of any of our agents.

P. S.—It is the best *HORSE AND OX LINIMENT* in the world.

Please read the following statement from John Buckman, Esq., of Dixmont, Me.:—

DIXMONT, July 11, 1848.

Messrs. Curtis & Perkins,—For two years past I have been entirely possessed with the Rheumatism; both of my knees were swelled to twice their original size—a large bunch came out on my breast bone, appearing like a part of the bone thrown out. Another bone was thrown out of my wrist. In short, I endured the most excruciating pains for nearly three years, I obtained the best medical attendance the country afforded, and tried a great number of medicines and prescriptions, without the least benefit or alleviation, when I had the good fortune to procure a bottle of Cramp and Pain Killer, prepared by Messrs. Curtis & Perkins, of Bangor. Soon after taking it I found I could get some rest nights, and the pain became less violent. I have continued to take it and apply it externally, until I have used eight bottles. I took much larger quantities than was recommended.—The swelling has all gone down, both in my limbs and breast, and I am entirely relieved from pain. I have been able to do a good day's work at any time for the last three months, for any one of my age. No description of my case can outstrain of my age. No description of my case can outvey the vast amount of benefit I have received from this article. I believe it is the best article in the world for Rheumatism. I have also used it for cholic and pain in the stomach, and always found immediate relief.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,
FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones:

BOSTON, Feb. 18, 1847.

MR. WM. BOGLE—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and clears the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing; and thus the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the purest and most nourishing effects on the skin,—it soothes and allays irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, calculated either for the dressing case of the "nobs and ready" traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Sumner F. Barrett, Saratoga Street, East Boston:

EAST BOSTON, Feb. 6, 1847.

Mr. William Bogle,—Dear Sir: For several years past, my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference. After repeated failures of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion as a wash, for the purpose of restoring her lost hair, and I am happy to say that its effect has been to renew the hair to grow all over the part affected. She has used only two bottles, and that very irregularly; had she used it cleaner and more regular, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully, SUMNER F. BARRETT.

BOGLE'S HEBREAIONA,
FOR REFRESHING AND BEAUTIFYING THE COMPLEXION.

Eradicating Tans, Pimples, and other eruptions of the skin, and rendering it fair, delicate, and blooming. It is equally efficacious in protecting the skin from the hot suns of summer, and freezing blasts of winter, and is the most fragrant and delicious article to be found at the toilet of fashion.

All the above articles have stood the test of the strictest investigation, and are WARRANTED superior to anything yet invented.

SILKY AND GLOSSY HAIR.

From the New York Mirror.

☞ Of all preparations, either for preservation, for the hair, we in Boston, *Hyperion Fluid*. It is properly named Hyperion, for as that shining old Titan, who, lifted and enlightened, was nobody but the Sun, throw, at his rising, his radiant locks over the summits of the earth, so Bogle's original fluid produces a corresponding silky and glossy lustre to the most elaborate human hair. For dandruff, and all similar affections of the head, it is a sovereign remedy. With all this, it is an agreeable perfume, and otherwise a very useful article for the purpose of the toilet. Buy it and try it.

JOY TO THE BED-RIDDEN.
A VALUABLE DISCOVERY FOR
THE INSTANT CURE OF PAIN.

RADWAY'S READY RELIEF
Cures the worst diseases in Minutes and Hours, and stops the most cruel pangs of pain in Seconds.

SO quick and efficient is RADWAY'S READY RELIEF, in stopping pain and curing disease, that it has frequently raised the diseased and helpless invalid from a bed of sickness in a few hours. It has frequently cured the worst pains in—

Rheumatism	In four hours.
Neuralgia	In twenty minutes.
Tic Doloreux	In five minutes.
Toothache	In three seconds.
Nervous Headache	In fifteen minutes.
Sour Stomach	In five minutes.
Heart-Burn	In five minutes.
Bowel Complaints	In thirty-five minutes.
Cramps and Spasms	In twenty-five minutes.
Diarrhœa	In one hour.
Inflammation of the Bowels	In thirty minutes.
Local Inflammations	In ten minutes.
Influenza	In twelve hours.
Hoarseness	In ten hours.
Spinal Complaints, Swellings, Bruises, Sores, Wounds, &c.,	it will remove ten times quicker than any other remedy in use.

LET THOSE WHO SUFFER TRY IT!

It will prove itself in a few minutes. As soon as it is taken internally, or applied externally, its beneficial effects are seen. It is better than all other remedies.

HERE IS THE PROOF.

There is no other remedy that claims to subdue the cruel pangs of pain in seconds, minutes, or even hours. They require the patient to use them after these before a favorable change is promised. Not so with Radway's Ready Relief. Its effects are instantaneous; the first dose that is taken; or the first external application commences its great work of relief from pain.

BEAR IN MIND,

That Radway's Ready Relief will cure either of the above-mentioned Diseases in one-tenth the time it takes any other Remedy to give even Partial Relief.

TAKING COLD.

This sentence is constantly in the mouth of every person, in order to explain certain complaints. Those who use it often, we think, have but a faint idea of its precise meaning. We will offer an explanation, which we believe to be the opinion of a majority of the most learned physicians. A person, for instance, has been over exerting any particular set of muscles—of the throat, from vocalising—of the loins, by too much stooping or bending; or these or any other part of the body: these parts or muscles are, consequently, weakened and relaxed, and become a fair prey for any disease. The person who has been thus acting, accidentally or otherwise, exposes himself to the cold air, the perspiration immediately ceases, and the blood, which had been but just now circulating rapidly throughout the surface of the body, is repelled inwardly, and is sure to settle in those parts which have been previously wearied and relaxed. Here, then, we have an accumulation of blood, a congestion, which gives rise to all the pain and stiffness attendant upon such complaint. When this takes place in the throat, we have what is called Sore Throat; when in the loins, Lumbago or Stiff Back; when in the chest, Pleurisy. We also have it in the shoulder-blade, side, and other parts.

RADWAY'S READY RELIEF,
Taken Internally and applied Externally.

Its first action, when freely applied, is to blunt the acute sensibilities of the nerves, and almost instantly relieves the pain; its secondary action is to excite perspiration, and redden the parts over which it is applied, almost to a glow, thereby determining the blood from the injured parts to the surface. In these cases, the READY RELIEF should be applied freely, at the same time rubbing the parts with a piece of flannel, and it will be found in every case to give immediate and permanent relief.

N.B.—If convenient, a piece of flannel saturated with the RELIEF, and tied or pinned around the parts, does good service.

A BAD COUGH CURED IN TEN MINUTES.

Mr. Rigdon, of Brooklyn, the celebrated Church Singer and Organ-Player, on the night of the 10th of December was attacked with a severe fit of coughing—so that he coughed from 9 o'clock until 12 o'clock, P. M., without three minutes intermission. One of the Clerks of Radway & Co., who sleeps in the next room, got up and gave him a tea-spoonful of the Relief internally, and bathed his throat, neck, and chest; he also saturated a piece of flannel with the Relief, and had it over his chest. In a few seconds the coughing ceased, so he could expectorate freely, and raised with perfect ease a great quantity of phlegm. The Relief instantly soothed the irritation of the throat, and removed the inflammation from the lungs, and gave free action to them, produced a free and copious perspiration of the throat and chest; and in ten minutes he was entirely free from pain, and sunk into a sound and pleasant sleep. In the morning he was free from hoarseness and cough, and has not been troubled since. Let every individual who is troubled with a cough, sore throat, influenza, or hoarseness, pursue the same plan, and we will warrant them a speedy cure.

LAMENESS.

If you have a stiff joint, a wrenched limb, a swelled leg, a bruise, or any thing short of a broken bone, Radway's Ready Relief will cure you. The lame have been restored to the free use of their limbs by a few applications of the Relief. The cripple, who has limped from spot to spot upon his crutch, has been relieved of his painful afflictions, and enabled to stand erect, as God designed that Man should stand, by a few times using the Relief.

THE RHEUMATIC,

Who has been bed-ridden for years, shut out from the busy world, and lingered with pains upon a couch of sickness, deprived of the society of friends, and of the pleasures of life, has been *raised from a lingering death* by the soothing, healing, and pain-relieving influences of Radway's Ready Relief. In all cases of Rheumatism—even the worst cases—one trial of Radway's Ready Relief will prove its superiority over all other remedies in use.

BLEEDING AND BLIND PILES,

Are instantly eased, taking the Ready Relief internally—say a tea-spoonful of the Relief in a table-spoonful of Molasses, and make a Cream of the Relief, by adding to it Sweet Oil, and anoint the parts affected. If the sores are very bad, take a leaf of tobacco, dip it in warm water, then wet it with the Relief, and lay it on the sores, you will have immediate relief and a speedy cure.

AGE VERSUS YOUTH.

Radway's Ready Relief renews the vigor of youth in old age. The old man of seventy is invigorated by its strengthening and exhilerating effects; it stimulates the vital energies to life—the heavy and languid motion of the functions of the body is quickened to a healthy action—and the hitherto dull and morpish old man becomes active and vigorous in old age, and his life prolonged to the full number of his days.

FOR ALL PAINS,

Whether internal or external, take Radway's Relief, or apply it externally, it will relieve pain and cure disease quicker than any remedy in use.

RHEUMATISM CURED IN TWO HOURS.

Mr. Jones, of Clifton, Va., writes:—A lady in this place has been confined to her room for four months with Rheumatism; she purchased a bottle of Radway's Ready Relief—in two hours she was able to leave the room, and in the evening she walked out.

PLANTAGENET WATER.

SIR,—In compliance with your request, I communicated to me for my opinion upon the use of the PLANTAGENET WATER, I do not hesitate to state that, according to their analysis by Mr. T. S. Hunt, Chemist of the Geological Commission, and by reason of their tonic, alterative, diuretic, and purgative properties, which result from their constituent parts, they may be applied with advantage, according to the mode of application, in the treatment of rheumatism, gout, dyspepsia, affections of the liver, scrofula, dropsies, and in many other diseases, when employed in a proper manner. Such medicaments, in my opinion, are by far more preferable to so many others which crowd in upon us from all quarters—the composition, and consequently the properties, of which are unknown—and yet are unanimously recommended, without out discussion, for the cure of all diseases.

The testimony given in favor of these Waters for the cure of Cholera, deserves attention. This medicine seems to be used in accordance with the only highly recommendable in 1848 by Dr. Stevens, and which was the most productive of satisfactory results.

I have found both Waters well adapted, in the generality of cases, for accomplishing all the purposes of the ordinary saline aperient draughts, over which their tonic and alterative ingredients give them, for continued use, a considerable
