GODERICH FOUNDRY.—The North Easthope and Douglas ploughing match came off on 11th November, on the farm of Mr. Hamilton Dopson, Downie, near Stratford. The day was extremely unfavorable, yet the number of entries was large—forty-four in all. The large prizes given by the directors elevated this match to the dignity of a Provincial competition, and the ploughmen who took part were from all sections of this part of the country. The prize-takers were as follows:—First class—1, John Marquis, Goderich township; 2, Wm. Ball, North Easthope; 3, Douglas Fraser, North Easthope (Yeandle plough); 4, Robert Wilson, Stratford; 5, E. G. Courtice, Goderich township.

"CUTS."—The best thing we know of to heal a cut or wound is to bind up the injured part with a cloth saturated in Perry Davis Pain-Killer

WHAT THEY SAY OF IT. A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these is Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thomas Robinson, Farnham Centre, P. Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil and since then have had no attack of it. I would recommend it to all." J. H. Earl, Hotel Keeper West Shefford P. Q., writes "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in case of cuts, wounds, etc., and think it is equally as good for horse as man."—A. Maybee, Merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public, 'one of the best medicines they have ever used;' it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence." Joseph Rosan, Township of Percy, writes, "I was persuaded to try Dr. Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."

Beware of Imitations.—Ask for Dr Thomas' Eclectric Oil. See that the signature of S N Thomas is on the wrapper, and the names of Northrop & Lyman are blown in the bottles, and take no other.—Sold by all medicine dealers. Price 25 cts. NORTHROP & LYMAN, Toronto, Ont., Proprietors for the Dominion.

NOTE.—Eclectric—Selected and Eclectrized

AS SURELY AS EFFECT FOLLOWS CAUSE, so surely will disease eventually fasten itself upon a system deficient in vital energy, if tonic medication is not resorted to in time. The necessary tendency of a weak discharge of the functions of the body is to disorder its organs. Invigoration, prompt and thorough, is the only safe guard. No renovant of depleted physical energy, no restorative of lost flesh, nerve power and cheerfulness, has more clearly demonstrated its efficacy than Northop & Lyman's Quinine Wine. In this preparation, associated with the salutary medicines which forms its basis, is pure sherry wine and certain aromatic constituents, which impart an agreeable taste to the article, and gives additional emphasis to its effects. In cases of general debility and dyspepsia it is invaluable and the desired effect is, in the vast majority of cases, remarkably prompt as well as decisive. That good natural appetite, which gives a relish for the coarsest fare, is insured by the use of the Quinine Wine, which also confers brain soothing and body refreshing sleep. Fever and ague and bilious remittent fever, are diseases to the eradication of which it is specially adapted; but it should be used only in the intervals between the seizures. The far-reaching effects of a good tonic, in all complaints involving loss of physical energy, are well understood by physicians, and the comprehensive influence for good of this preparation upon the system goes far to bear out the professional belief in the value of invigorants as opponents of disease. Be sure to ask for the "Quinine Wine" prepared by Northop & Lyman, Toronto. Sold by all druggists.

A Card.

TO all who are suffering from the errors and indiscretions of youth nervous weakness, early decay, loss of manhood, &c., I will send a receipt that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. JOSEPH T. INMAN, *Station D, New York City.*

A LECTURE TO YOUNG MEN.

We have recently published a new edition of Dr. CULVERWELL'S CELEBRATED ESSAY on the RADICAL AND PERMANENT CURE (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to Marriage, etc., resulting from excesses.

☞ Price in sealed envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable essay, clearly demonstrates, from thirty years successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and RADICALLY.

☞ This lecture should be in the hands of every youth and every man in the land.

A REALLY GOOD ARTICLE

We would call the attention of all interested to anarticle of undoubted merit, and which we would advise all in want of to give a trial. We refer to "Darley's Condition Powders and Arabian Heave Remedy" now being extensively used by many of the largest horse dealers in the country; these men have discovered that it improves the condition of the horse by purifying the blood, and removes from the lungs and liver all that prevents their healthy action, its effects is soon apparent in the improved appearance of the animal, which is one great reason why horse dealers use it as they are thus enabled to get better prices and at the same time give their customers sound and healthy horses. Remember the name and see that the signature of Hurd & Co is on each package. Northop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

EPPS'S COCOA.—GRATEFUL AND COMFORTING.—"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft, by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette.* Sold only in packets labelled—JAMES EPPS & Co, Homœopathic Chemists London Eng.

A GOOD PLAN. Combining and operating money orders in one vast sum has every advantage of capital, with skilful management. Large profits divided pro rata on investments of $25 to $1,000. FELLOWS' COMPOUND SYRUP OF HYPO-PHOSPHITES

IS composed of ingredients identical with those which constitute Health, Blood, Muscle and Nerve and Brain Substance, whilst Life itself is directly dependent upon some of them.

By its union with the blood and its effect upon the muscles, re-establishing the one and feeding the other, it is capable of effecting the following results:—

It will displace or wash out tuberculous matter and thus cure Consumption.

By increasing Nervous and Muscular Vigor it will cure Dyspepsia, feeble or interrupted action of the Heart and Palpitation, Weakness of intellect caused by grief, worry, over tax or irregular habits, Bronchitis, Acute or Chronic Congestion of the Lungs, even in the most alarming stages.

Cures Asthma, Loss of Voice, Neuralgia, St. Vitus Dance, Epileptic Fits, Whooping Cough, Nervousness, and is a most wonderful adjunct to other remedies in sustaining life during the process of Diptheria.

An endless chain of good effects is formed by Fellows' Compound Syrup of Hypophosphites,

and we are safe in saying, from a long experience in its effects, its virtues are not equaled by any other combination, as the following will demonstrate—

IT IS ACCEPTABLE to palate and stomach.

SUFFICIENTLY POTENT to insure decided benefit, yet harmless, however long its use may be continued. This characteristic is possessed by no other remedy.

IT ASSISTS DIGESTION and assimilation.

IT VITALIZES THE BLOOD, supplying such ingredients as may be required.

IT RESTORES TONE to the nerves.

IT GIVES POWER of endurance and of concentration to the mind.

IT PROMOTES VIGOR in the organs which depend for health on the involuntary, muscular action, viz., the Liver, Lungs, Heart, Stomach and Genitals.

And unless afflicted with some disease involving absolute organic loss, it will sustain the system until it reaches the age allotted to man by a beneficent Creator.

No PERSON will be disappointed in the effect of FELLOWS' HYPOPHOSPHITES, who rigidly follows the directions.

FELLOWS' HYPOPHOSPHITES INCEPTION.

The experiments which perfected this preparation occupied many months, and were instituted with a view to curing that insidious disease,

TUBERCULAR CONSUMPTION,

and in order to supply the deficiencies in Hypophosphites already in use, for, although their name was correct as to theory, their preparations were, owing to their imperfect organization, found wanting in practice.

While they caused the formation of fat and generated heat, they did not improve the blood. The tonic effect upon the nerves and muscles was circumscribed, and, owing to their diluted state, involving large doses, they were also too expensive.

The desideratum sought by Mr. Fellows were:

A convenient, palatable remedy;

Unalterable by time;

Harmless, though used continually, yet might be discontinued at any time without any ill effect;

Which would induce an appetite;

Strengthen digestion;

Promote assimilation;

Create healthy blood;

Strengthen the nerves and muscles;

Enable the subject to successfully combat disease;

And sufficiently economical for all.

All this has been indisputably attained. The success of the work is complete; and Fellows' Hypophosphites stand foremost amongst the remedies for chronic organic diseases, possessing properties to which no other medicine has ever aspired.

ASTONISHING EFFECTS.

Fellows' Hypophosphites, on being introduced into the stomach, unite with the food, and immediately enters the circulation; and, being perfectly miscible with the blood, speedily pervades every part of the system. Its effects are first observed by a feeling of slightly increased vigor in limbs and strength, a general excitation of the organic functions, and exhilaration of the intellectual powers. Its specific influence is on the brain and nervous substance, increasing the activity of the absorbent and renovating the blood, thus causing the healthy nutritive formation so necessary in repairing the functions of the previously weakened organs.

Being thus a tonic of the nervous and circulatory system, it follows that, when there is a demand for extraordinary exertion, its use is invaluable, since it supplies the waste through the circulation, and sustains the general system.

At no period of life is watchful care over the function of the brain more required than during the acquisition of knowledge by the youth; assisting, preserving study requires a store of vigorous, nervous force, or the child may stick under the mental toil.

Such necessity may compel the student to strain his powers beyond the dictates of prudence, and the early promise of excellence may be blighted thereby.

To such we recommend Fellows' Hypophosphites; it will not only restore the mental vigor, but it will enable the toiling student to preserve his mental and nervous standard without detriment.

NOTE.—Be suspicious of persons who recommend any other article as "just as good" through bearing a similar name, and of those who offer the cheaper priced article.

NOTE.—I only the *independent, well posted* and unselfish physicians who can afford to prescribe this remedy. Experience has proved this. The highest class medical men in every large city, where it is known, recommend it.

Price $1 50 per bottle, $7.50 for six bottles.

To Manufacturers, Dealers and Customers.

My "Victor Soap" having obtained great popularity, unprincipled makers are trying to palm on the public an inferior article, by imitating the WRAPPER, and otherwise trying to deceive.

Notice is hereby given that my brand Victor Soap is duly registered, an action as the law may direct will be taken against either manufacturer or dealer, who may make or handle any other soaps bearing the same or similar names and designs.

THE GREATEST WONDER OF MODERN TIMES!

This Pills Purify the Blood, correct all disorders of the Liver, Stomach, Kidneys and Bowels, and are invaluable in all complaints to the female Females.

They constitute the only reliable remedy for Bad Legs, Old Wounds, Sores and Ulcers, of long standing. For Bronchitis Diphtheria, Coughs, Colds, Gout, Rheumatism, and all Skin Diseases it has no equal.

BEWARE OF AMERICAN COUNTERFEITS.

I now respectfully take leave to call the attention of the Public generally to the fact, that certain Houses in New York are sending to many parts of the globe SPURIOUS IMITATIONS of my Pills and Ointment. These frauds bear on their labels some address in New York.

I do not allow my Medicines to be sold in any part of the United States. I have no Agents there. My Medicines are only made by me, at 533, Oxford street, London, and the Books of directions affixed to the spurious make it a caution warning the Public against being deceived by counterfeits. Do not be misled by this audacious trick, *as they are the counterfeits they pretend to denounce!*

These counterfeits are purchased by unprincipled Vendors at one-half the price of my Pills and Ointment, and are sold to you as my genuine Medicines.

I must earnestly appeal to that sense of justice which I feel sure I may venture upon asking from all honorable men, to assist me, and the Public, as far as may lie in their power, in exposing this shameful Fraud.

Each Pot and Box of the Genuine Medicine, has a Sun British Government Stamp, with the words "Holloway's Pills and Ointment," Let no one, therefore, be deceived, the address, 533 Oxford street London, where alone they are Manufactured. Holloway's Patent Government Stamp on any other address is counterfeit.

The Trade Marks of these Medicines are registered in Ottawa. Hence any one throughout the British Possessions who may keep the American Counterfeits for sale, will be prosecuted.

Signed,
THOMAS HOLLOWAY.

Eight miles from town, among Hemlocks sound
Beside a rippling rill
Where careful lumbers most abound,
John Morrish built his mill.

He keeps a stock of logs piled high,
In All bids in haste to fill;
The best of lumber you can buy,
Where Morrish built his mill.

Just come along, don't be afraid
You'll not go off until
The lumber that you want I made
Where Morrish rushes his mill.

Ye Carpenters see what may be gained,
Contracting barn work bill,
Where lumber recently need be planed
That's saved at J. M's mill.

Lumbermen in Hemlock out,
Go search where timber will
I'm positive you'll not turn up
Than that at this slick mill.

Ye, farmers, now your crops protect
And fence your farm with skill,
And *afterwards* a barn erect
With lumber from my mill.
