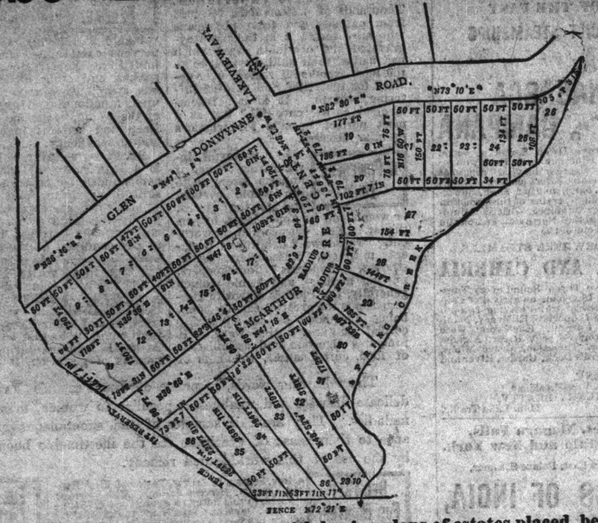
TRADE MARK. TRADE MARK.

West Toronto Junction.



The public have been favored of late with having plans of estates placed before them, but their attention is now most particularly called to the plan above. The block is situated in one of the most lovely spots near High Park Avenue and close to High Park in the whole of West Toronto Junction proper, and indeed of any place for miles round. This high and healthfully situated property commands an extensive view of the Lake, and the lots on the east side run down to a beautiful creek. The views from houses erected on the east side will have a beautiful view of the surrounding country which gives one the idea that they are living far away in mountain scenery. Another great feature regarding this estate is, that the facilities of getting into the city or to any part of the world are so great that it does away with the necessity of keeping a horse. There is also a first-class school, churches of all denominations, good stores, where everything needed can be obtained and as reasonable as you can purchase in the city. I am open to negotiate for the sale of the whole block or in lots under most favorable terms.

Early application is strongly advised, as the demand for lots at West Toronto Junction is increasing daily.

As an investment nothing can be safer or more desirable. Apply early to

EARLY CLOSING

Of Retail Shops and Stores.

Public Notice is hereby given that the Council of the Corporation of the City of Toronto have, in pursuance of the provisions of "The Ontario Shops Regulation Act, 1888," passed the following By-law:

NO. 2000.

A BYLAW *Requiring certain classes of shops within the City of Toronto to be closed within certain hours.*

[Passed May 7th, 1888.]

Whereas, by "The Ontario Shop Regulation Act, 1888," it is provided that if any application is received by or presented to a Local Council, as therein defined, praying for the passing of a Bylaw requiring the closing of any class or classes of shops situate within the Municipality, and the said Council is satisfied that such application is signed by not less than three-fourths in number of the occupiers of shops within the Municipality, and belonging to the class or each of the classes to which such application relates, the Council shall, within one month after the receipt or presentation of such application pass a Bylaw giving effect to the said application, and requiring all shops within the Municipality belonging to the class or classes specified in the application to be closed during the period of the year, and at the times and hours mentioned in that behalf in the application;

And whereas applications have on the twenty-third day of April, 1888, been presented unto this Council praying for the passing of such a Bylaw for the classes of shops hereinafter set out;

And whereas it has been ascertained that in the case of each of the said classes such application is signed by three-fourths in number of the occupiers of the shops within the City of Toronto belonging to said class respectively;

Therefore the Municipal Council of the Corporation of the City of Toronto enacts as follows:

I.

That from and after the 15th day of May, 1888, all retail grocery shops, dry goods shops (including gents' furnishings, merchant tailors, millinery and ready-made clothing shops), hardware shops (including house furnishing shops), boot and shoe shops, hat and fur shops and furniture shops shall be closed from the hour of seven o'clock p.m., of each lawful day, to the hour of five o'clock a.m., of the next lawful day, except upon Saturdays and the days immediately preceding public holidays, as defined by "The Interpretation Act of Ontario," on which days such shops may remain open until, and shall close at eleven o'clock p.m., and shall remain closed until five o'clock a.m. of the next lawful day.

II.

Any person guilty of an infraction of any of the provisions of this By-law shall upon conviction before the Mayor, Police Magistrate, or any Justice or Justices of the Peace for the City of Toronto, on the oath or affirmation of any credible witness, forfeit and pay at the discretion of said Mayor, Police Magistrate, Justice or Justices convicting a penalty not exceeding fifty dollars for each offence, exclusive of costs, and in default of payment thereof forthwith it shall and may be lawful for the Mayor, Police Magistrate or Justice convicting as aforesaid to issue a warrant under his hand and seal, or in case the said Mayor, Police Magistrate, Justice or Justices, or any two or more of them are acting together therein, then under the hand and seal of one of them to levy the said penalty and costs, or costs only by distress and sale of the offender's or offenders' goods and chattels, and in the case of no sufficient distress to satisfy the said penalty and costs, it shall and may be lawful for the Mayor, Police Magistrate, Justice or Justices convicting as aforesaid, to commit the offender or offenders to the Common Jail of the said City of Toronto, with or without hard labor, for any period not exceeding twenty-one days, unless the said penalty and costs be sooner paid.

I certify that I have examined this bill, and that is is correct.
