LOCAL BALL TEAM DEFEATS MIDDLETON 8 TO 5.

The local ball team defeated Middleton 8 to 5 here on Wednesday evening in a game which for the first six innings was rather one sided and all in the Bridgetown boys favor. They got away to a good start with three runs in the first innings and kept adding a bit through most of the other innings till it began to look like a shut out for the visitors. The latter made a rally in the seventh and secured a run. During the last part of the game darkness had nearly shut in and in the eighth the visitors walloped the ball out for four runs. There was a good deal of hitting and long flies to outfield. The Middleton boys had a pretty extensive list of errors to their credit and in fielding were not up to the usual mark.

CAMP MEETING NOTES

Good weather, large attendance, eloquent preaching, and inspiring music, is making the Camp Meeting at Berwick one of the most successful ever held. It has the unique distinction of being the first Camp Meeting held by the New United Church of Canada. Last Sunday was a great day in the Grove. Over 5000 people were present, and the very best of order prevailed. Dr. Chappell of Memphis, Tennessee, the special preacher has a marvellous gift of eloquence, and the Lotus Male Quartette of Boston, which sings at the afternoon and evening services, is one of the best ever heard in the Valley. Every member is an artist.

Next Sunday Dr. Chappell and Rev. Clarence MacKinnon, D. D., of Halifax, will be the preachers. Monday, August 10th, will be a red letter day. At 3 p.m. there will be a big Patriotic Rally, with addresses by Dr. MacKinnon and Rev. F. W. Patterson, D. D., President of Acadia Uuiversity, and music by the Lotus Male Quartette. At 7.30 the Quartette will give a concert which should be a rich feast to music lovers.

A Globe Trotter's Opinion.

"A cousin of mine, who is head of....., Limited, of Liverpool, England passed through here recently on a pleasure trip around the world. He said he had been in chocolate plants in New York, Chicago, Toronto and Winnipeg, and told me that of all the chocolates he had sampled, Moirs were the best. I can agree with him."
