HOLMAN'S LIVER PAD

Has Stood the Test for Years.

It has a national reputation established through its wonderful efficacy in all ailments that have their origin in a torpid liver.

New Method.—This comparatively new method to cure by curing diseases by absorption, rather than dragging the stomach with nostrums, is a principle so well understood in Kingland, that a committee appointed by the Royal Medical Society to investigate the hypodermic method of administering medicine, reports as follows: "We may safely take as a broad guide in practice, the rule, that the physiological activity of nearly every substance which can be used, is three if not four times greater when it is given by the skin, than when it is swallowed."

Nature's Law.—The principle of Holman's Liver Pad is in accordance with Nature's Law.

A Never-Failing Cure.

For Fever and Ague, Dumb Ague, Remittent, Intermittent Fever, Indigestion, Pain in Shoulders and Side, Periodical and Life-long Sick Headache, Rheumatism, Liver Complaint, Cough, often taken for Consumption, Heart Disease (not organic), Kidney Difficulties, Female Weaknesses, Bilious Colic, Diarrhœa, Cold Extremities and Partial Paralysis. It is also a sure Preventive of Yellow Fever, Diphtheria, Pneumonia, Small-Pox, Scarlet Fever and all Malarial and Miasmatic Diseases the are developed in blood poison.

Works by Absorption.

IT IS SIMPLE, EFFECTIVE, HARMLESS, is marvellous for its prompt cure of every species of Liver and Stomach difficulties. It contains only harmless Vegetable Compounds, and is worn exactly where needed—over the vital parts, the Liver and Stomach. It removes torpidity of the Liver and arouses the Stomach from its torpid state, arresting fermentation, torpor and pain, by giving it the natural quantity of bile and gastric juice. It also vitalizes the entire system with nature's true tonic. It arrests all deteriorated and poisonous fluids in the stomach, and thus prevents them entering the system by way of circulation. It absorbs from the body every particle of blood poison, whether bilious, malarial or scorbutical, and leaves the wearer in perfect health.

Sent by mail on receipt of $2.50 for the Regular Pad, and $3.50 for the Special Pads, which should be used in old chronic and obstinate cases.

HOLMAN'S PLASTERS.

We cannot too strongly urge the use of Holman's celebrated foot and body plasters, as an auxiliary to the Pad in extreme cases of Typhoid, Bilious or other Fevers, Rheumatism, Neuralgia, Nervous headache, and acute pains in any part of the body, especially in the small of the back and shoulders. The effect is magical. Also in cases of cold extremities and partial Paralysis. They stimulate and equalize the circulation producing the most satisfactory and even astonishing results. Combining the two, and following the directions, the patient can feel but little doubt of being absolute master in the severest chronic difficulties.

Plasters cost 50 cts.

MONTREAL, Sept. 12th, 1877.

Holman Liver Pad Company:

DEAR SIR,—I am happy to relate to you the benefit I have received from your Pad bought about one month ago. The pain I was troubled with is entirely gone and my stomach is now in a perfectly healthy condition. The Pad has given me strength and removed the depressed feeling from which I was long suffering, thus making life a pleasure in place of a drag. My health was never better than it is at present, therefore cheerfully I recommend Holmans Liver Pad to the suffering humanity, for it is worth more than its weight in gold.

Yours respectfully,

JOHN J. HANNAN, 303 Notre Dame Street, Montreal.
