New Soccer Club Secures Affiliation After Struggle

NOTICE SERVED TRANSFERS WILL BE FOUGHT TO END

Amendment To Acceptance Motion On Grounds of "Poor Sportsmanship" Is Lost— Accusations and Denials Fly Fast.

The application of the Maple Leaf Soccer Club for affiliation with the London and District F. A. was accepted last night at a meeting held in the Y

As predicted in these columns Wednesday, a hot battle was precipitated when the application was tabled, a warmer affair really than predicted, owing to the fact that over 30 soccerites were crowded into one room where the members at a normal meeting feel lonesome.

Capt. Phillips of R. C. R.'s, who moved the granting of the application to which motion there was an amendment opposing the application on the grounds of poor sportsmanship, added an unofficial rider afterwards to the effect that if it meant the new club would ask for the transfers of players now playing in the L. and D. F. A., he would fight against any being granted. He said, however, there was no constitutional right to deny the application of any club for affiliation.

The motion of acceptance, which was seconded by Tommy Hodkinson, had the same effect as an absent-minded keeper forgetting to lock the den cages in a large, well stocked menagerie, and the meeting was in a wild uproar; accusation followed accusation and President Hollins finally resigned when an attack was made on the council or certain of its members. He was later induced to return and presided the rest of the evening.

Wanted To Know.

Watkins and Friend of the W. O. R. wanted to know if players of the new club could be permitted to approach players of other teams asking that they transfer, and on receiving the reply that only the club could ask in the regular way, as club to club, stated that four of their players had been approached. St. Andrews said their players also had been approached. President Rolly Munro of St. Andrews asked if it were true that the Maple Leaf club had held a secret meeting and if St. Andrews players were present at the meeting.

Hodkinson and Friend parried over the question as to whether it was the executive or the players who had approached players of other clubs, and Friend wanted the names of the executive of the new club. This was withheld. Afterwards it was found out that the new club had elected neither officials or a manager, but only a secretary so far was named.

The St. Andrews secretary claimed that the new club was nothing but a camouflaged public utilities team and that the players now employees of the public utilities would lose their jobs if they did not put in for transfers to the Maple Leafs, which brought forth the denial from Mr. Hodkinson that he had anything to do with the new club.

Denies Any Connection.

Mr. Morgan rose to remark that he was in football to raise it to a higher level, and that he had nothing to do with the new club, though he felt that an article published in The Advertiser (apparently forgetting that the story only reflected the feeling of the majority of the clubs in the L. and D. F. A., the opinions of the officials of these clubs, and stated nothing that hasn't been talked about by practically every fan in the city) meant to single him out as one of the members of the council interested in the new Maple Leafs, which article, he further opined, only served to create ill-feeling in the council.

President Hollins opened his second session in the chair with a defense of the new club, as a result of a question regarding the sportsmanship of allowing a team to break in at this time of the year and take the best players from other clubs. He said that there was no question of the ill-feeling. Messrs. Hodkinson and Morgan were the objects of the suspicion of all the other councillors. He personally had found them working for the best interest of football. In President Hollins' opinion, the new club was needed, because at present the only real competition in the district lay between two teams, W. O. R.'s and St. Andrews. Taking players from these two teams and a few here and there from the other clubs would, in his opinion, make all the teams more evenly matched.

The president was frequently interrupted in his speech, and a telling query was put when someone asked how competition was going to be made more equal when the new club were after all the best players of the other clubs.

B. LEONARD SAYS TENDLER IS DUB

Interest in Tonight's Bout Runs High.

NEW YORK, July 26.—Not since the Dempsey-Carpentier fight, a year ago, has the public been so worked up over a boxing match as it appears to be over the encounter tomorrow, in Jersey City between Champion Benny Leonard, New York, and Challenger Lew Tendler, Philadelphia, for the world's lightweight title.

Hardly since Leonard took the title from the Englishman, Freddy Welsh, at the old Manhattan Casino here, five years ago, has there been so much pre-fight discussion over a lightweight contest though in the intervening time Benny has met every contender when asked for a chance. Tendler has fought an uphill battle for recognition all this time.

By almost everyone except the champion himself, Tendler is acknowledged the most dangerous opponent Leonard has hazarded his crown with since ascending the throne. To newspapermen at his training camp at Budd Lake, N.J., Leonard has belittled Tendler, christened him a "dub" and classed him a "second rater."

Usually Leonard is less garrulous. He has trained hard and confidently, which Tendler cites as ample refutation of the champion's utterances. Leonard says he is at the peak of his manhood, that he never will be a better boxer.

Tendler, too, has trained diligently at his quarters at Delanio, N.J., on the Delaware River. The challenger has declined to make a prediction, and only says, "I'm going to do my best."

Buffalo Fans See Dempsey in Bout For Title, But Don't Know It.

NEW YORK, July 26.—News of a new honest-to-goodness encounter for the world's heavyweight boxing title, in which Jack Dempsey successfully defended his crown in a four-round tilt against Jimmy Darcy of Portland, Oregon, last night, in Buffalo, leaked out here yesterday.

The boxing commission of the state verifies the fact. "Yes," said Secretary Harry Burchell, "it was a championship bout, although it was not to have been. But we see to it that the boxing laws are upheld in this state."

Just before the exhibitions were to start, Dempsey's managers were handed a telegram from the boxing commission, advising that under the law Dempsey would be permitted to meet but one opponent, and the bout should, also, in accordance with the law, be to a decision.

Darcy, a light heavyweight, was selected, and Dempsey performed a little livelier, perhaps, than he had intended. The champion received the decision.

As a result, Darcy enjoys the distinction of being the only pugilist to stay the "limit" with Jack Dempsey since he won the title, and of having lasted longer against the champion than Georges Carpentier, Fred Fulton, Jess Willard, Gunboat Smith or Carl Morris.

And Dempsey had a good workout.

PATRICK TODD PAYS $459 FOR ONE HEAT

McGregor the Great Takes 2:08 in Extra Heat.

COLUMBUS, Ohio., July 26. — The 2:08 class trotting event shared a front state position this afternoon with the feature of the third day's Grand Circuit program, which was the Deshler Hotel pacing stake for 2:11 eligibles. An accident in the first heat of the 2:08 trot forced the event into another extra-heat contest and brought about some of the season's largest long-shots.

McGregor the Great and King Watts were equal favorites in the race at $200 each for pools calling for $600. Clyde the Great, the half-mile track sensation, stumbled on the back stretch in the opening heat, and, as a result, King Watts and Linara Watts both trailed home with broken sulkies. McGregor the Great finished fourth to Patrick Todd. But three $2 mutuel tickets were out on Patrick Todd to win the heat, and each paid $459.20. Aileen Dillon, who finished second, paid $87 to place in the mutuels. The Valentine trotter broke in the third at the first turn, and just got under the flag, McGregor the Great taking the heat from The Triumph. In the fourth mile, with heat winners only appearing, Cox's stallion beat Just David by a nose.

Neutral Referee Will Handle Big Soccer Cup Final At Tecumseh Park

Nothing is being overlooked that will make Saturday's Cup final at Tecumseh Park between St. Andrews and W. O. R.s with the kick-off at 3:45 a well-managed game from both the spectators' standpoint and players'.

It was announced by the committee in charge last night at the meeting of the L. and D. Council that the president of the W. F. A. had been communicated with, and had agreed to supply a referee for the game. This is a move that will commend itself to the soccer fans, as the game would be extremely difficult for any local referee to handle.

At first it was announced that police protection had been secured, and that the crowds would be kept from the sidelines and would occupy the stands, but later it was agreed to provide ropes well clear of the touchlines, as the field had been marked out a considerable distance from the stands.

The tilt has the soccerites of the city sharply divided, and each of the teams has a big personal following. St. Thomas can be counted on to send up a large contingent as well, and records for soccer attendance in London are in danger of being badly bent.

OTTAWA ARENA IS STILL HANGING IN BALANCE

OTTAWA, July 26.—(By Canadian Press.)—A new home for Ottawa's premier hockey club still hangs in the balance.

Nothing definite was accomplished by the meeting of the board of directors of the Stadium of Ottawa, Limited, yesterday. The Ottawa Gas Company, owners of the plot on which the proposed stadium is to be built, offered to extend the option for another three months, providing that they immediately received $5,000 in cash and the balance of $50,000 in three months. The present option expires Friday. No decision was arrived at, and it was decided to meet Friday, when the entire matter will be threshed out.

WOLVES WIN 5--4 IN 12-FRAME AFFRAY

Reis Derricked in Tenth in Favor of Coogan.

BAY CITY, July 26. — Bay City Wolves swept the two-game series with the Tecumsehs by winning out Wednesday by 5 to 4 in a hard-fought twelve-inning battle that kept the fans on edge from start to finish. Both teams had chances to score time and again, Bay City having men on bases in all but one inning and London only going through two frames without getting a man on, but both Collins for Bay City and Reis for London, backed up by some good fielding, prevented the base-runners from registering.

London showed a changed line-up, Buck Boyle being benched and Malmquest playing first, while Casey Mills, former Saginaw third sacker, who was released Tuesday, was at second in place of Malmquest. He looked weak at bat, striking out three times, but in the field he performed well. An indication of the brand of ball that the hurlers dished up can be seen from the fact that Bay City had seventeen men stranded on the paths and London eleven. The Wolves twice filled the bases, and on numerous occasions had two men on, but couldn't score.

Reis Also Wild.

"Red" Collins pitched his first game for the Wolves this season, and turned in a much better game than Reis, although he walked seven men and hit another, his wildness getting him into trouble frequently. He was found for only nine hits, including doubles by Malmquest and Blake, scattered over five innings, while Reis, who was also wild, walked four, hit the same number and was nicked for thirteen blows in the nine innings he worked. In the tenth, after Hegedorn had singled with none out, Wetzel sent Coogan to the mound, and he did not allow a hit until the fatal twelfth, when Collins singled, took second on a sacrifice and counted on Harris' drive to right to win the game.

London jumped into the lead right at the offset on a walk to Stimpson, a hit batsman, Butler being the victim, Boelzle's wild heave to center field to catch Stimpson off second, and singles by Malmquest and Mackey. The Wolves tied it in the second on two triples and a single by Collins, and then went into the lead in the fifth, when three singles counted a run.

Came Back in Seventh.

The Tecs came back in the seventh with two to take the lead again. A base on balls to Reis, Stimpson's single, Butler's sacrifice and Malmquest's double turned the trick. In the ninth Bay City tied the count when Blake dropped Boelzle's easy fly after Simon had singled and the next two batters had drawn passes to fill the sacks.

Catcher Mackey was chased from the game while batting in the tenth, two strikes having been called on him when he started to argue with Umpire Powell over the second one. Churry finished his turn at bat, and struck out, and thereafter Collins was never in serious trouble, except in the twelfth, when Blake doubled with one out. Churry whiffed, however, and Carmen flied out to end the inning.

Defies Father Time

JOHN COUCH.

A MAJOR league hero in his first season and at the age of 30!

There you have the case of John Daniel Couch of the Cincinnati Reds who completely upsets the theory that "youth must be served."

Couch blew out 30 candles on his birthday cake March 31, and today he is one of the leading pitchers in the National League.

When the major leagues were buying almost all available material from the Pacific Coast League last winter the Reds decided to close their eyes and dip a hand into the bag.

And this same Couch, with a second-division team, won 11 of his first 14 games. Nehf, Barnes, Toney, Douglas and Ryan, supported by a world championship cast, have not pitched as effectively as Couch.

250 ENTERED AT CANADIAN HENLEY

Some of Preliminary Heats Must Be Raced Friday Morning.

ST. CATHARINES, July 26.—Oarsmen from various parts of Canada and the United States are arriving on every train to compete in the Canadian Association of Amateur Oarsmen regatta to be held on Friday and Saturday over the Royal Canadian Henley course. Over 250 contestants are entered for the various events. Morning racing for some of the preliminary heats will be necessary on Friday, and at the annual meeting of the association, which will take place on Saturday, the question of extending the meet to three days will be discussed, so great has been the growth of the regatta since its post-war revival.

The Henley Aquatic Association, a local organization which has sprung into existence as an auxiliary to the C. A. A. O. since an effort was made to remove the annual meet from this course, has arranged a series of aquatic stunts wich will be sandwiched between the finishes to relieve the waiting of the spectators while the contestants are up course.

BILL MORRISSETTE IN SECOND NO-HIT TILT

WINONA, Minn., July 26.—"Big Bill" Morrisette, former Minneapolis A. A. pitcher, twirled his second no-hit, no-run game of the season yesterday for the Winona American Legion post, defeating Kellogg, leaders in the Wabasha County League, 6 to 0. Morissette fanned twelve of the opposing batters, and himself got a two-bagger.

MAPLE LEAFS GET BUMP

Kitchener Hand Them Worst Defeat of Season.

KITCHENER, July 26.—The Kitchener Senior Intercounty team put a crimp in the onward march of the Guelph team tonight, defeating them 5 to 1 in a well-played game. It was the worst defeat Guelph's champion team has suffered this year, they having been beaten only twice before. Galt doing it on these occasions. Incidentally, it was the first victory of the local team this year, and puts Galt and Guelph on equal terms in the race.

Lefty Dunbrook pitched a clever game for Kitchener, keeping the hits fairly well scattered, and striking out seven men, while Freddy Whetstone was touched up well in the fifth, and finally knocked from the box in the sixth. Henry finished the game, but he was no particular puzzle.

Kitchener ..... 100 022 00x—5 9 2
