☞ Holloway's Pills, a Safe and Certain Cure for Coughs, Colds, and Asthmatical Complaints.—The Autumnal quarter is the one when coughs, colds, and wheezing on the chest are more prevalent; such are the properties of Holloway's Pills, that if taken at the commencement of the attack the virulence of the disease is very much abated, so that the patient suffers little or no inconvenience, but if neglected, it frequently occurs that the foundation of incurable disorders is laid; therefore those who are liable to attacks of this nature are particularly recommended to try these valuable pills.

The Boston Mercantile Journal gives the following notice of the most popular remedy of the day

Wild Cherry Balsam.

We speak in praise of Wistar's Balsam of Wild Cherry, because we believe from our own knowledge of the article that it is one of the best in the market for the complaints for which it is recommended.

This medicine, coming from such a respectable source, and carefully prepared by an experienced and skilful physician, is received by the public with confidence. Its efficacy has been proved in many obdurate cases of disease, and its fame has rapidly extended. It has been extensively used in every part of the country, particularly in the middle and Northern States; and strong testimony from intelligent and highly respectable persons, has been adduced in favour of its merits as a remedy for colds and coughs, affections of the chest, diseased liver, &c. &c.

THE GENUINE AND ORIGINAL
Wistar's Balsam of Wild Cherry,
on account of its great popularity has been extensively counterfeited in Philadelphia, and some thousand bottles of the spurious imitation thrown into the market and extensively circulated.
EXAMINE CLOSE BEFORE PURCHASING!
LOOK WELL TO THE MARKS.
The genuine Balsam is put up in bottles, with the words "Dr. Wistar's Balsam of Wild Cherry, Phil." blown in the glass; each bottle bearing a label on the front, with the signature of
H. WISTAR, M. D.
This will be enveloped with a wrapper; copyright secured, 1844; on which will always appear the written signature of I. BUTTS.

To Dry Goods Merchants & others.
WHOSE BUSINESS COMPELS THEM TO CROSS THE WATER ON TRAVEL AT THIS INCLEMENT SEASON OF THE YEAR:—
The 1 invoice of heavy German Tweeds Beaver and Pilot Cloths consigned, for immediate sale, to Messrs. Wm. Parks & Son, have been purchased by J. Gilbert & Co., Corner of King and Germain Street, at 25 per cent. on sterling invoice. Our reasons for particularly inviting the attention of the above class of merchants to these Goods is, that they will know the quality of the Goods when they see them; and are well aware that nothing equal to them has ever been imported into St. John.
