NEW ARRIVALS FOR SPRING

We have passed into stock since New Years, hundreds of cases of New Goods for Spring that usually do not arrive so early. There is really a magnificent assortment for your choosing.

Most of these imports are from Britain and France, many are from the United States. Did you notice President Wilson said recently that Business as well as Sport should observe the "rules of the game," and he laid down these rules :

Publicity — Conscience
Full Value for the Money — Desire to Serve

Pretty good rules these. The chief compulsion laid upon us all is a feeling that we are expected to make good. Simpson's buyers and managers feel you expect this of them and want you to see the result of their efforts.

SPRING NOVELTIES IN BLOUSES

We make our first big showing of spring novelties in Blouses Monday. A most comprehensive exhibit has been prepared in a series of superb showcases, running from the Queen street elevators, where you can see conveniently arranged 120 models, all shown here only, each one featuring that "something different" characteristic of the "Simpson" Blouse.

We purpose, day by day, to put the moment's novelties in these cases, as they arrive, and to make them a mirror of the prevalent styles in Paris, London and New York. All kinds of silk crepes and exquisite lingeries are used in the making of these blouses. Priced ..... **2.95 to 10.00**
