SERIES OF FRAUDS.

Another Case of a Peculiar Nature at the Non-Jury Sittings Prof. Pike Cited to Testify.

Osgoode Hall, Nov. 18, 1895.

At the non-jury sittings the first and only case Plumb v. Imperial Loan Co., still another case of alleged fraud. The plaintiff is Thomas Albert Plumb, formerly a florist in Wellesley-street, doing business amounting to about $9000 a year. In February, 1892, owing to misrepresentations of the defendants' managing director, Dr. E. H. Kertland, plaintiff was, he alleges, induced to purchase the property of another florist on Bolton-avenue, named Levi Taylor, under the power of sale in a mortgage made by Taylor to the defendants. The plaintiff declared that the agreement made was that he was to pay $500 only; that he was not to assume any liability for it, but was to take the property, subject to the Taylor mortgage for $5200; that the defendants' manager assured him that the property was worth $10,000 at least, and that it was leased for $50 a month to Taylor. He declared that he executed the mortgage for $5200, covering the property he purchased and his own property on Wellesley-street, not only not knowing that the latter property was included in it, but thinking he was executing a deed of the Bolton-avenue property. He desires this mortgage set aside and the sale cancelled. The defendants produced a contract in writing signed by plaintiff and by his father, who signed as a witness. By it the plaintiff agreed to buy the Bolton-avenue property for the amount of the defendants' claim against it, which was not to exceed $5800. They also showed that plaintiff held the Bolton-avenue place without complaint until April, 1893, when he exchanged it, subject to a lease made by himself, to Taylor, for other property, receiving besides $395 in cash. They denied all charges of fraud or undue influence. Wallace Nesbitt and James Ross for plaintiff. George H. Watson, Q.C., and T. T. Rolph for defendants. The case was not concluded when the court rose.

Mr. Justice Street has given judgment in Morris v. Confederation Life Association on appeal by the defendants confirming the master's order, following Nurse v. Durnford, 13 Ch'y. Div. 764, and dismissing appeal with costs. G. L. Lennox for T. R. Morris; Snow for defendants.

The Professor Must Attend.

Chief Justice Armour has given judgment in Case v. Cox, upon a motion by plaintiff to commit Professor Pike of University of Toronto for refusing to produce his books showing all entries affecting stock transactions in question with E. Strachan Cox, a broker, and to answer questions put to him upon his examination before a special examiner at the instance of a judgment creditor of Cox's in a garnishment matter. The learned chief justice directs the Professor to attend again for examination at his own expense and answer the questions and produce his books or be committed to the common jail for contempt. Charles Macdonald for plaintiff; H. J. Scott, Q.C., for Professor Pike.

In the Queen's Bench Divisional Court, consisting of Armour, C.J., and Falconbridge, J., an appeal from the judgment of Meredith, J., in Shaver v. Cotton, was heard. F. E. Titus for plaintiff (appellant); Raney for defendant, contra. Judgment reserved.

To-Day's Peremptories.

The following are the peremptory lists for Tuesday, Nov. 19th, 1895: Non-judy sittings before MacMahon, J., at 10 a.m.: Hogaboom v. Watson, Jackson v. Wardlaw, Elliott v. Rogers, Barrett v. Marks, Thibodeau v. Garland, Dineen v. City of Toronto.

Not Merely Relief But Cure

It is said of many remedies that they relieve for a time, but the disease afterwards returns. Burdock Blood Bitters, being a radical cure, not only relieves but permanently cures Dyspepsia, Constipation, Biliousness, Sick Headache, Bad Blood, etc. Hundreds of healthy witnesses tell gladly that B.B.B. cures to stay cured. 246

Yesterday at the Civil Assizes.

Barnard v. Armstrong, an action for damages for alleged seizure, tried at the Civil Assizes, resulted in a verdict of $100 for the plaintiff.

A. E. Osler's suit against the Toronto Railway Company to recover $2000 damage, alleged to have been sustained in a trolley accident, will be heard to-day. The balance of the list for to-day is: Maclaran v. Dawson, Dempsey v. Imperial Bank, Crottle v. McMichael, Dunlop v. Toronto, Currie v. A. O.F., and Hendrickson v. Gavillon.

Dyspepsia or Indigestion is occasioned by the want of action in the biliary ducts, loss of vitality in the stomach to secrete the gastric juices, without which digestion cannot go on; also, being the principal cause of headache. Parmelee's Vegetable Pills, taken before going to bed, for a while, never fail to give relief, and effect a cure. Mr. F. W. Ashdown, Ashdown, Ont., writes: "Parmelee's Pills are taking the lead against ten other makes which I have in stock."

Pedlars Will Sue the City.

In view of the decision of the Privy Council regarding the suit of the pedlars, a large number of them have given notice of action for damages against the city, some claiming that they have been unable to ply their trade owing to the city not giving them licenses; and others who have been imprisoned for breach of the city by-law will ask remuneration for illegal arrest.

A County Constable Injured.

A. J. Moynihan, one of the 21 constables on duty at the Hyams trial had his foot painfully crushed in the vicinity of Morphy's jewelry store in Yonge-street shortly before noon yesterday. The accident was occasioned by the falling of a huge sign, which at the time was being lowered to the sidewalk. The injured man was carried into a neighboring cigar store, where his injuries received proper medical attention.

Cook's Turkish Baths.

When feeling oppressed and downhearted after a hard day's work, you can always find relief by taking a Turkish bath. Cook's establishment at 202 and 204 King-street west is fitted with the latest appliances and you will find the attendants will always give you the best attention. A Turkish bath is a luxury as well as a necessity; it tones up the system and makes one feel that life is worth living after all.

You say that bronchitis has stuck to you for over twenty years and that it cannot be cured? I beg your pardon it can, if you use Dr. Laviolette's Syrup of Turpentine.

TIPS FROM WALL-STREET.

Decordova and Moore & Schley bought Sugar.

Earnings of St. Paul for second week of Nov. increased $288,299.

It is expected that Oct. net earnings of Northwest will show increase of $700,000.

The tone of the stock market in the closing hours was heavy. There was considerable selling of Western Union on the news that the Supreme Court had decided that the contracts by which the company operates the telegraph lines on the Union Pacific system are illegal, and must be annulled. Tobacco was also a weak feature.

For the second week of Nov. the earnings of Wabash increased $12,000, and those of Missouri, K. & T. decreased $60,000.

The most active stocks to-day were: Sugar, 21,300 shares; W.U. 11,500; R.I. 4000, St. Paul 7300, P.M. 1500, Wax. 2500, Reading 23,000, Mo.P. 2700, L. & N. 5600, B. & Q. 15,900, Atchison 2900, C. Gas 4000, Distillers 2800, Manhattan 13,900, T. C. I. 2500.

Henry A. King & Co., 12 King-street east, received the following despatch from Chicago to-day:

Wheat opened steady this morning at 57⅝c. Northwest receipts again large, but showed a small decrease of 98 cars, caused principally by lack of cars, 1268 cars, against 1366 cars last year. This caused some little buying, advancing the price sharply ½c, but it soon lost the advance when the visible supply was announced, which gave an increase of 3,390,000 bush. Primary receipts continue very large, 1,512,000 bush, against 1,091,000 bush same day last year. Black Sea shipments for the past week about 5,000,000 bush. It was reported that the Argentine crop will be as large as two years ago, and that it will be offered freely for Jan. and March shipments. There was considerable selling after the visible came out, principally by local operators, which broke the price to 57½c. We see nothing in the situation at present to warrant a permanent advance.

Provisions ruled lower to-day, especially in pork. Heavy receipts and selling by packers caused the weakness. Offerings quite liberal and demand unusually light. Shipping enquiry light.

McIntyre & Wardwell (John J. Dixon) received the following despatch to-day from Schwartz, Dupee & Co., Chicago:

Some covering of several fair lines of short wheat, along with the disposition of local scalpers to take the buying side made the market firm most of the day. Towards the close it was found that everybody's wants had been very well supplied from some source, and the final prices were practically at the bottom. Beerbohm's estimate that exporting countries could spare 2500 quarters less than the importing countries would require was a bullish influence early, and the fact that Minneapolis and Duluth receipts fell nearly 100 cars short of the same day last year was another. There was also cash wheat sales of 68,000 bush red winter to interior millers. Outside of this, all of the news was very bearish.

POULTRY SCARCE, AND SOLD TO-day as follows: Geese, 7c to 8c; turkeys, 8c to 10c; chickens, 25c to 60c; ducks, 50c to 85c; butter, tubs, 16c to 18c; large rolls, 14c to 16c; venison, 8c to 10c; eggs, 16c to 19c; drop us a card. A. Paxton & Co., Commission Merchants, 23 Church-street, Toronto.

Black Sea ports shipped 5,064,000 bush last week. Long Dec. wheat came on the market all day. Some of the selling of this month changed over into May. New York received 624,000 bush wheat, and is now getting a part of the grain that has been blockaded at Buffalo. These arrivals may make that market weak. St. Louis advanced with us early, but turned very weak at the close.

Corn heavy, but the net decline was small. Speculative buying against the puts held the deferred months steady. There was a little attempt to manipulate an advance by buying near months. The buyers of those, however, sold out at the close. Primary markets received 445,000 bush, against 315,000 bush last year
